The author of nine novels,
three collections of short

stories, and two critical
works, Caroline Gordon
produced an impressive--
though unjustly
neglected--body of work.
Her considerable
contributions to modern
Southern fiction
notwithstanding, her life

was especially fascinating for two other reasons: the prominent literary circles in which she moved and her heroic efforts to "have it all"--marriage, career, and family--at a time when such aspiration was neither touted nor supported. Sensitive, engaging, and richly detailed, this biography captures Gordon's life in all its multiple layers. As the wife of the poet Allen Tate, Gordon became intimately connected with members of the Fugitive/Agrarian circle, notably Robert Penn Warren and Andrew Lytle. As the Fugitives expanded their vision from Southern to modernistic approaches to literature, Gordon's circle of friends and acquaintances grew to include Ford Madox Ford, T.S. Eliot, Katherine Anne Porter, Scott and Zelda Fitzgerald, Ernest Hemingway, Flannery O'Connor, Walker Percy, Eudora Welty, Robert Lowell, Maxwell Perkins, Hart Crane, William Faulkner, and many others. Even more intriguing, though, is Gordon's story as a Southerner, a woman, and a writer--roles that, for her, were as often mutually exclusive as synergistic. Her life was in some ways similar to that

of Zelda Fitzgerald: the Southern belle with the writer-husband and artistic aspirations of her own. Unlike Zelda, Caroline Gordon did not collapse under the strain, although there were prices she paid--particularly in her intense and tangled relationship with Allen Tate, whose work overshadowed her own (or so it seemed to her) and whose philanderings were a continual source of strain and jealousy. In addition to following the windings of Gordon's life--through New York and Tennessee, through England and Paris--Veronica Makowsky looks closely at Gordon's key works--including such novels as *Penhally*, a complex family saga that was her first published book; *Aleck Maury, Sportsman*, the much loved classic for which she is still remembered; *The Malefactors*, a portrait of an aging poet modeled after Tate; and her much admired short stories. In conducting her research, Makowsky interviewed Gordon shortly before her death in 1981 and also received the full cooperation of Gordon's family in gaining access to the novelist's papers. From such rich sources she has produced a

compellingly readable portrait of a remarkable woman.

Enactment of a Law
Hansebooks

Draper's Self Recording Thermometer is an unchanged, high-quality reprint of the original edition of 1890.

Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature.

Many works of historical writers and scientists are available today as antiques only.

Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Erotic memoir

Barber Quarters,

1892-1916 Createspace Independent Publishing Platform

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's

moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Quilts in America

Houghton Mifflin Harcourt
A fictional account of the life of Christ “illuminated by ferocious wit, gentle passion, and poetry”—from the Nobel Prize-winning author of *Skylight* (Los Angeles Times Book Review). For José Saramago, the life of Jesus Christ and the story of his Passion were things of this earth: a child crying, a gust of wind, the caress of a woman half asleep, the bleat of a goat or the bark of a dog, a prayer uttered in the grayish morning light. The

Holy Family reflects the real complexities of any family, but this is realism filled with vision, dream, and omen. Saramago's deft psychological portrait of a savior who is at once the Son of God and a young man of this earth is an expert interweaving of poetry and irony, spirituality and irreverence. The result is nothing less than a brilliant skeptic's wry inquest into the meaning of God and of human existence. “Enough to assure [Saramago] a place in the universal library and in human memory.”—*The Nation* “Fiction that engages the mind as well as the spirit.”—*Kirkus Reviews* “Mixes magic, myth, and reality into a potent brew.”—*Booklist Praise for José Saramago* “The greatest writer of our time.”—*Chicago Tribune* “A literary master.”—*The Boston Globe* “Saramago is the most tender of writers . . . With a clear-eyed and compassionate acknowledgment of things as they are, and a quality that can only be termed wisdom. We should be grateful when it is handed to us in such generous measure.”—*The New York Times* “Saramago's fiction operates in a realm not far from fable: the

territory of Kafka, Gogol, and Borges.”—*Los Angeles Times*

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
Caroline Gordon Franklin Classics
Imagine having your

innocence stolen at an early age by someone you trust, or struggling financially before even knowing the meaning of the word "struggling". Ebony Canion has had her share of tumultuous events, yet even she was stunned when a speeding car hit her intentionally, dragging her through the streets with her body folded underneath the vehicle. In a coma for nearly two months, Ebony had no idea her tongue and face had to be sewn back on, or the list of thirty other life-threatening injuries she had sustained. Ebony didn't know she'd been "Left for Dead". In this horrifying first-hand account of a survivor, Ms. Canion delivers a riveting story about overcoming tragedy throughout her childhood, and developing the will to live after numerous attacks on her life. Her strength to learn to walk, talk, and eat again will leave you spellbound and inspired. Her scars tell a story that must be heard and will have you never wanting to complain again.

In *Battle for Peace* frankly documents Du Bois's experiences following his

attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union. A victim of McCarthyism, Du Bois endured a humiliating trial-he was later acquitted-and faced political persecution for over a decade. Part autobiography and part political statement, *In Battle for Peace* remains today a powerful analysis of race in America.

Randiana, or Excitable Tales is an anonymously written erotic novel originally published by William Lazenby in 1884. The book depicts a variety of sexual activities, including incest, defloration and lesbianism.

Left For Dead JanCarol Publishing, Inc
In 1932, John T. Flynn had begun to rethink his old-style "progressivism" to

develop intellectually into a defender of markets as against the regimentation of government management. A first product of these steps is this classic and extraordinary full biography of John D. Rockefeller. In this highly sympathetic portrayal, Flynn shows how Rockefeller employed the tools of capitalism to become enormously rich in the service of others, and how this unleashed the most unexpected backlash from anti-capitalists of all sorts, culminating in the breakup of Standard Oil. He saw that this was done at the behest of Rockefeller's competition, and not in the public interest. It was the first and probably still the best biography of an American original.

Mister, You Got Yourself a Horse
ReadHowYouWant.com
In October 1939, Albert Einstein warns President Franklin D. Roosevelt that Nazi Germany is actively pursuing an atomic bomb and urges him to make sure that the United States develops the bomb first. Roosevelt heeds the warning and launches the "Manhattan Project" in June 1942.

Raintree

"This treasury surveys nearly three hundred years of quilt history, techniques, patterns, and styles. Traveling all over the country to conduct research and to collect quilts, the authors have assembled a richly illustrated study of traditional quilts." "From the simple, serviceable quilts of the early colonists to the work of twentieth century quilters, this volume surveys virtually every type of quilt and pattern, detailing the techniques, tools, fabrics, and dyes. The abundant historical and practical information offers guidelines for establishing the age of antique quilts and provides careful instructions for cleaning and care of heirloom quilts."--BOOK JACKET.

Bad Love Strikes Abbeville Press

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried

deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

Germanic and Romance Inversion in French Checkmark Books
"I loved this book! So helpful!" -- Courtney Milan, New York Times Best Selling author of *The Governess Affair* "Have you ever wanted to double your daily word counts? Do you feel like you're crawling through your story, struggling for each paragraph? Would you like to get more words every day without increasing the time you spend writing or sacrificing quality? It's not impossible, it's not even that hard. This is the story of how, with a few simple changes, I boosted my daily writing from 2000 words to over 10k a day, and how you can, too." Expanding on her highly successful process for doubling daily word counts, this book--a combination of reworked blog posts and new

material--offers practical writing advice for anyone who's ever longed to increase their daily writing output. In addition to updated information for Rachel's popular 2k to 10k writing efficiency process, 5 step plotting method, and easy editing tips, this new book includes chapters on creating characters that write their own stories, story structure, and learning to love your daily writing. Full of easy to follow, practical advice from a commercial author who doesn't eat if she doesn't produce good books on a regular basis, 2k to 10k focuses not just on writing faster, but writing better, and having more fun while you do it. *New for Fall 2013! This Revised Edition includes updates and corrections for all chapters!*

An Essay on the Steam Boiler

"This book is a celebration of Lake Panorama, Iowa -- its fascinating past, its exciting present, its promising future and the people who contributed to make it so -- on the occasion of its 50th anniversary."--
