Synonymous with practical travel tips, quality writing and a trustworthy 'tell it like it is' ethos, the Rough Guides list includes more than 260 travel guides to 120+ destinations, gift-books and phrasebooks. [Mexico](#) Univ of Massachusetts Press La leyenda y la historia de Chapultepec, 1847-2000El Asalto al Castillo de Chapultepec y los niños héroesSociedad Defensores de la Republica MexicanaDel pistol a la linternaUNAMRememberin g the Forgotten WarUniv of Massachusetts Press **El heroico Colegio Militar en la historia de México** Penguin En este libro se ha querido privilegiar zonas y aspectos tradicionalmente relegados o abandonados de la Novela de la

Revolución Mexicana. El lector encontrará en él evidencias de la repercusión que la Revolución Mexicana tuvo en los novelistas formados en el Porfiriato, como Juan A. Mateos, Gamboa y López Portillo y Rojas. Seguirá la recuperación de novelas críticas con la Revolución y con sus consecuencias, como En tierra de sangre y broma, que no desmerecen literariamente de las integradas en el canon tradicional de lo que la crítica considera la Novela de la Revolución. Verá la incorporación de la mujer mexicana a la Revolución como protagonista de la historia (La negra Angustias), o como narradora que contesta desde los márgenes al discurso oficial (Nellie Campobello). Perseguirá las dudas que atenazaron a muchos intelectuales como Teja y Zabre y la evolución de su pensamiento, o hallará nuevas propuestas metodológicas para el análisis de ciertas novelas de formación pertenecientes al corpus, en las que las peripecias de los protagonistas se convierten en ritos iniciáticos, a la par que en discursos políticos que propugnan un modelo de

nación. Y lo cerrará con dos artículos dedicados a La creación (1959) y La muerte de Artemio Cruz (1963), novelas que exceden los límites cronológicos de este subgénero narrativo, pero que de algún modo la clausuran y completan. Un abigarrado conjunto que ilumina aspectos poco conocidos, necesitados de mayor investigación, que, esperamos, continúe. [Top 10 Mexico City](#) DK Publishing (Dorling Kindersley) La persuasión multicultural en México y Estados Unidos. Con historias divergentes, Estados Unidos y México convergen, paradójicamente, en un reto común: resolver su diversidad cultural como hasta ahora no han sido capaces de lograrlo. Las reflexiones que en este libro hace el autor sorprenderán al lector y lo confrontarán con un escenario que casi nunca se ve o no se quiere ver: aquel que diferentes generaciones de ambos países han considerado sagrado, verdadero o ejemplar. El autor comenta, compara y documenta tropiezos y aciertos que Estados Unidos y México han tenido como naciones

multiculturales, vecinas y desligadas, con métodos diferentes que coinciden en un punto: la necesidad de resolver el presente sin que el pasado sea un ancla.

Sociedad Defensores de la Republica Mexicana

Going far beyond basic historical information, this two-volume work

examines the deep roots of Mexican culture and their meaning to modern Mexico. In this book, readers will find rich, in-depth treatments by renowned as well as up-and-coming scholars on the most iconic people, places, social movements, and cultural manifestations—including food, dress, film, and music—that have given shape and meaning to modern Mexico and its people. Presenting authoritative information written by scholars in a format that is easily accessible to general audiences, this book serves as a useful and thorough reference tool for all readers. This work combines extensive historical treatment accompanied by illuminating and fresh analysis that will appeal to readers of all levels, from those just exploring the concept of "Mexico" to those already familiar with Mexico and Latin America. Each entry

functions as a portal into Mexican history, culture, and politics, while also showing how cultural phenomena have transformed over the years and continue to resonate into today.

**Historia gráfica de Tabasco** Penguin

La defensa del castillo de Chapultepec y los Niños Héros con un nuevo enfoque: el de la tradición sagrada del mundo prehispánico. De Antonio Velasco Piña, el escritor más reconocido de la mexicanidad sagrada y autor de Regina. Uno de los episodios que marcó la historia de México. El 13 de septiembre de 1847 se vivió uno de los episodios que han marcado más profundamente la historia de México: la defensa del castillo de Chapultepec ante el ejército invasor de los Estados Unidos, lo que desembocó en la muerte de los Niños Héros. A partir de este acontecimiento, Antonio Velasco Piña crea una novela que nos ayuda a descubrir un significado más profundo de este hecho. La ficción le permite ir más allá de un simple análisis histórico, por lo que el lector puede encontrar en estas páginas el sentido de que la batalla haya tenido como escenario el bosque

sagrado de la Ciudad de México y ve la muerte de los Niños Héroes como un sacrificio ritual, vinculado con la tradición sagrada que heredamos del mundo prehispánico.

**The Rough Guide to Mexico (Travel Guide eBook)** Print to e-book

Frente a un concepto austero de razón, estricto y desproporcionado, cuyas debilidades acaban por reducirnos al relativismo, el autor propone un concepto enfático de razón que no

tiene por qué excluir a la incertidumbre. Al contrario, nos invita a vivir con ella, a enfrentarnos sin cesar con ella, y a salvar así la capacidad reflexiva y argumental del ser humano.

The Rough Guide to Mexico Macmillan

The emergence of Latin American firebrands who champion the cause of the impoverished and rail against the evils of neoliberalism and Yankee imperialism—Hugo Chávez in Venezuela, Evo Morales in Bolivia, Néstor Kirchner in Argentina, Andrés Manuel López Obrador in Mexico—has changed the landscape of the Americas in dramatic ways. This is the first biography to appear in English about one of these charismatic figures, who is known in his country by his adopted nickname of “Little Ray of Hope.” The book follows López Obrador’s life from his early years in the flyspecked state of Tabasco, his university studies, and the years that he lived among the impoverished Chontal Indians. Even as he showed an increasingly messianic élan to uplift the downtrodden, he confronted the muscular Institutional Revolutionary

Party in running twice for governor of his home state and helping found the leftist-nationalist Democratic Revolutionary Party (PRD). As the PRD’s national president, he escalated his political and ideological warfare against his former president, Carlos Salinas, and other “conspirators” determined to link Mexico to the global economy at the expense of the poor. His strident advocacy of the “have-nots” lifted López Obrador to the mayorship of Mexico City, which he rechristened the “City of Hope.” Its ubiquitous crime, traffic, pollution, and housing problems have made the capital a tomb for most politicians. Not for López Obrador. Through splashy public works, monthly stipends to senior citizens, huge marches, and a dawn-to-dusk work schedule, he converted the position into a trampoline to the presidency. Although he lost the official count by an eyelash, the hard-charging Tabascan cried fraud, took the oath as the nation’s “legitimate president,” and barnstormed the country, excoriating the “fascist” policies of President Felipe Calderón and preparing to redeem the

destitute in the 2012 presidential contest. Grayson views López Obrador as quite different from populists like Chávez, Morales, and Kirchner and argues that he is a “secular messiah, who lives humbly, honors prophets, gathers apostles, declares himself indestructible, relishes playing the role of victim, and preaches a doctrine of salvation by returning to the values of the 1917 Constitution— fairness for workers, Indians’ rights, fervent nationalism, and anti-imperialism.” *Myths, Misdeeds, and Misunderstandings* Apa Publications (UK) Limited En la obra “El retrato en México: 1781-1867. Héroes, emperadores y ciudadanos para una nueva nación” la autora analiza la producción plástica del género del retrato durante ese periodo. Se estudian en primer lugar los retratos producidos por los profesores y alumnos de la Real Academia de Bellas Artes de San Carlos de la ciudad de México desde su fundación, en 1784 hasta el periodo de 1867. Se hace especial hincapié en los retratos realizados por los profesores españoles que allí impartieron sus enseñanzas como Rafael

Jimeno y Planes y Pelegrín Clavé. En segundo lugar se analizan los retratos producidos en los centros regionales, especialmente en Puebla, Guadalajara, Guanajuato y Veracruz, con artistas tan relevantes como José Agustín Arrieta, José María Estrada, Juan Nepomuceno Herrera y Hermengildo Bustos entre otros. Se dedica un capítulo al retrato de los héroes de la Independencia realizados durante este período, así como dos programas iconográficos sobre los próceres de la nación. Merecen una especial atención los retratos de los dos emperadores que gobernaron México, Agustín de Iturbide y Maximiliano de Habsburgo. Merecen igualmente un capítulo los artistas extranjeros que durante este período

viajaron por la nación mexicana y reflejaron en sus lienzos las imágenes de sus habitantes. Finalmente se analizan los retratos en la gráfica y en las nuevas técnicas como la litografía y la fotografía. El estudio se acompaña de un corpus de imágenes con los datos básicos de las obras.
