ALEX ADRIEL

Lords and Lemurs Diversion Books

The unrivaled master of crime's first collection of noir stories. . . . "If you thought you knew all the places Elmore Leonard could take you, think again."—Mike Lupica In more than 30 books spanning half a century, Elmore Leonard has captured the imagination of millions as few writers can. A literary icon praised by the New York Times Book Review as "the greatest crime writer of our time, perhaps ever," he has influenced many contemporary writers and is known for both the quality and accessibility of his writing. In this first collection of short pieces, including two novella-length works, since his western anthology *Tonto Woman*, Leonard demonstrates the superb characterization, dead-on dialogue, vivid atmosphere, and driving plotting that have made him a household name.

Words on Cassette Rochester, N.Y. : Scrantom, Wetmore

There is no shortage of political and moral commentary on family life. Frequently the underlying theme of these commentaries is the decline of contemporary family commitment, particularly when older people's family experiences are the focus. *Family Practices in Later Life* challenges many common stereotypes about the nature of family involvement as people age. The book explores diversity and change in the family relationships older people maintain, looking at how family relationships are constructed and organized in later life. It recognizes that the emerging patterns are a consequence of the choices and decisions negotiated within family networks, emphasizing older people's agency in the construction of their family practices. In exploring such themes as long-term marriage, sibling ties in later life and grandparenthood, the book highlights the continued significance of family connection and solidarity in later life, while recognizing that family relationships are inevitably modified over time as people's social and material circumstances alter. *Family Practices in Later Life* will be of interest to students, researchers and academics in the fields of social policy, family studies and social gerontology. It provides a valuable contribution to the developing field of critical social gerontology as well as to an understanding of family process.

Rochester Loyola Press

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better

health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

Landscape of a Marriage Simon and Schuster

A marriage of convenience leads to a life of passion and purpose. A shared vision transforms the American landscape forever. New York, 1858: Mary, a young widow with three children, agrees to marry her brother-in-law Frederick Law Olmsted, who is acting on his late brother's deathbed plea to "not let Mary suffer." But she craves more than a marriage of convenience and sets out to win her husband's love. Beginning with Central Park in New York City, Mary joins Fred on his quest to create a 'beating green heart' in the center of every urban space. Over the next 40 years, Fred is inspired to create dozens of city parks, private estates and public spaces with Mary at his side. Based upon real people and true events, this is the story of Mary's journey and personal growth and the challenges inherent in loving a brilliant and ambitious man.

Elvis and Me Macmillan

In the context of their war experience in the First World War, the changes and developments of the Executive branch of the Royal Navy between the world wars are examined and how these made them fit for the test of the Second World War are critically assessed.

We Can Be Mended Blackstone Publishing

An in-depth scrutiny into the American savings and loan financial crisis in the 1980s. The authors come to conclusions about the deliberate nature of this financial fraud and the leniency of the criminal justice system on these 'Gucci-clad white-collar criminals'.

Every Man Has His Price Tyndale House Publishers, Inc.

Globally bestselling author Veronica Roth returns to the world of *Divergent* in this revealing short-story epilogue that takes place five years after the stunning events of *Allegiant*. As Tobias struggles to understand and move past his fears, the world he once knew has changed beyond recognition. Fringe-dwellers, ex-faction members, Bureau dropouts, and migrants now coexist in the rebuilt streets of Chicago. It's a new, better world—one where he isn't sure how to belong. As everyone else seems to move forward, Tobias is still haunted by those who couldn't. But new connections from old friends help him begin to heal—and mend. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark*!

Stark Villains Simon and Schuster

In the context of their war experience in the First World War, the changes and developments of the Executive branch of the Royal Navy between the world wars are examined and how these made

them fit for the test of the Second World War are critically assessed.

The Rise of Enlightened Sexism Pickle Partners Publishing

"Michael Gross's new book...packs [in] almost as many stories as there are apartments in the building. The Jackie Collins of real estate likes to map expressions of power, money and ego... Even more crammed with billionaires and their exploits than 740 Park" (Penelope Green, *The New York Times*). With two concierge-staffed lobbies, a walnut-lined library, a lavish screening room, a private sixty-seat restaurant offering residents room service, a health club complete with a seventy-foot swimming pool, penthouses that cost almost \$100 million, and a tenant roster that's a roll call of business page heroes and villains, Fifteen Central Park West is the most outrageously successful, insanely expensive, titanically tycoon-stuffed real estate development of the twenty-first century. In this "stunning" (CNN) and "deliciously detailed" (Booklist, starred review) *New York Times* bestseller, journalist Michael Gross turns his gimlet eye on the new-money wonderland that's sprung up on the southwest rim of Central Park. Mixing an absorbing business epic with hilarious social comedy, Gross "takes another gossip-laden bite out of the upper crust" (Sam Roberts, *The New York Times*), which includes Denzel Washington, Sting, Norman Lear, top executives, and Russian and Chinese oligarchs, to name a few. And he recounts the legendary building's inspired genesis, costly construction, and the flashy international lifestyle it has brought to a once benighted and socially déclassé Manhattan neighborhood. More than just an apartment building, 15CPW represents a massive paradigm shift in the lifestyle of New York's rich and famous—and is a bellwether of the city's changing social and financial landscape.

The Catholic Periodical and Literature Index Houghton Mifflin Harcourt

A Shelf Awareness Best Book of the Year NCAA football is big business. Every Saturday millions of people file into massive stadiums or tune in on television as "athlete-students" give everything they've got to make their team a success. Billions of dollars now flow into the game. But what is the true cost? The players have no share in the oceans of money. And once the lights go down, the glitter doesn't shine so brightly. Filled with mind-blowing details of major NCAA football scandals, with stops at Ohio State, Tennessee, Texas Tech, Missouri, BYU, LSU, Texas A&M and many more, *The System* explores and exposes the complex, and perhaps broken, machine that churns behind the glamour of college football. With a New Afterword.

Royal Naval Officers from War to War, 1918-1939 Univ of California Press

The author argues that mothers should work outside the home and men must take half the responsibility for child care, in order to create a richer parenting experience, stronger marriages, and happier children.

The System Delta

Includes the Aerial Warfare In Europe During World War II illustrations pack with over 180 maps, plans, and photos. Gen Henry H. "Hap." Arnold, US Army Air Forces (AAF) Chief of Staff during World War II, maintained diaries for his several journeys to various meetings and conferences throughout the conflict. Volume 1 introduces Hap Arnold, the setting for five of his journeys, the diaries he kept, and evaluations of those journeys and their consequences. General Arnold's travels brought him into strategy meetings and personal conversations with virtually all leaders of Allied forces as well as many AAF troops around the world. He recorded his impressions, feelings, and expectations in his

diaries. Maj Gen John W. Huston, USAF, retired, has captured the essence of Henry H. Hap Arnold—the man, the officer, the AAF chief, and his mission. Volume 2 encompasses General Arnold's final seven journeys and the diaries he kept therein.

TV Guide Why Stay Catholic?

Memphis Boys chronicles the story of the rhythm section at Chips Moman's American Studios from 1964, when the group began working together, until 1972, when Moman shut down the studio and moved the entire operation to Atlanta. Utilizing extensive interviews with Moman and the group, as well as additional comments from the songwriters, sound engineers, and office staff, author Roben Jones creates a collective biography combined with a business history and a critical analysis of important recordings. She reveals how the personalities of the core group meshed, how they regarded newcomers, and how their personal and musical philosophies blended with Moman's vision to create timeless music based on themes of suffering and sorrow. Recording sessions with Elvis Presley, the Gentrys, Aretha Franklin, Wilson Pickett, the Box Tops, Joe Tex, Neil Diamond, B. J. Thomas, Dionne Warwick, and many others come alive in this book. Jones provides the stories behind memorable songs composed by group writers, such as "The Letter," "Dark End of the Street," "Do Right Woman," "Breakfast in Bed," and "You Were Always on My Mind." Featuring photographs, personal profiles, and a suggested listening section, *Memphis Boys* details a significant phase of American music and the impact of one studio.

History of Newton County, Mississippi Harper Collins

The intimate and long-awaited autobiography of a legend. In 1967 in San Francisco, just a few weeks after the Summer of Love, a young Mexican guitarist took the stage at the Fillmore Auditorium and played a blistering solo that announced the arrival of a prodigious musical talent. Two years later -- after he played a historic set at Woodstock -- the world came to know the name Carlos Santana, his sensual and instantly recognizable guitar sound, and the legendary band that blended electric blues, psychedelic rock, Latin rhythms, and modern jazz, and that still bears his name. Carlos Santana's unforgettable memoir offers a page-turning tale of musical self-determination and inner self-discovery, with personal stories filled with colorful detail and life-affirming lessons. *The Universal Tone* traces his journey from his earliest days playing the strip bars in Tijuana while barely in his teens and brings to light the establishment of his signature guitar sound; his roles as husband, father, recording legend, and rock guitar star; his indebtedness to musical and spiritual influences -- from John Coltrane and John Lee Hooker to Miles Davis and Harry Belafonte; and his deep, lifelong dedication to a spiritual path that he developed from his Catholic upbringing, Eastern philosophies, and other mystical sources. It includes his recording some of the most popular and influential rock albums of all time, up to and beyond the 1999 sensation *Supernatural*, which garnered nine Grammy Awards and stands as arguably the most amazing career comeback in popular music history. It's a profoundly inspiring tale of divine inspiration and musical fearlessness that does not balk at finding the humor in the world of high-flying fame, or at speaking plainly of Santana's personal revelations and the infinite possibility he sees in each person he meets. "Love is the light that is inside of all of us, everyone," he writes. "I salute the light that you are and that is inside your heart."

Encyclopedia of Television Shows, 1925 through 2010, 2d ed. Anchor

This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945

American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating from 1740 to 1945.

When Mothers Work Gale Cengage

The inspiration for the major motion picture *Priscilla* directed by Sofia Coppola, this New York Times bestseller reveals the intimate story of Elvis Presley and Priscilla Presley, told by the woman who lived it. Decades after his death, millions of fans continue to worship Elvis the legend. But very few knew him as Elvis the man. Here in her own words, Priscilla Presley tells the story of their love, revealing the details of their first meeting, their marriage, their affairs, their divorce, and the unbreakable bond that has remained long after his tragic death. A tribute to both the man and the legend, *Elvis and Me* gives Elvis fans the world over an unprecedented look at the true life of the King of Rock 'N' Roll and the woman who loved him.

[Mend: A Story of Divorce](#) Penguin

Women today are inundated with conflicting messages from the mass media: they must either be strong leaders in complete command or sex kittens obsessed with finding and pleasing a man. In *The Rise Of Enlightened Sexism*, Susan J. Douglas, one of America's most entertaining and insightful cultural critics, takes readers on a spirited journey through the television programs, popular songs, movies, and news coverage of recent years, telling a story that is nothing less than the cultural

biography of a new generation of American women. Revisiting cultural touchstones from *Buffy the Vampire Slayer* to *Survivor* to *Desperate Housewives*, Douglas uses wit and wisdom to expose these images of women as mere fantasies of female power, assuring women and girls that the battle for equality has been won, so there's nothing wrong with resurrecting sexist stereotypes—all in good fun, of course. She shows that these portrayals not only distract us from the real-world challenges facing women today but also drive a wedge between baby-boom women and their "millennial" daughters. In seeking to bridge this generation gap, Douglas makes the case for casting aside these retrograde messages, showing us how to decode the mixed messages that restrict the ambitions of women of all ages. And what makes *The Rise Of Enlightened Sexism* such a pleasure to read is Douglas's unique voice, as she blends humor with insight and offers an empathetic and sisterly guide to the images so many American women love and hate with equal measure.

New York Magazine Multnomah

New York Magazine was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
