It's safe to say that world-famous speaker and author Og Mandino has as many friends as any man

alive, thanks to his inspiring motivational lectures and his bestselling books. This new book is a special gift to all his friends, old and new, a book they may cherish above all the rest. SECRETS FOR SUCCESS AND HAPPINESS is Og's beautifully written journal,

an intimate record of his innermost thoughts and feelings, the heartwarming events of his day-to-day life. Whether he's writing in his old New Hampshire farmhouse on a snowy winter day or in a hotel room just about anywhere in the country; whether

he's refilling the bird feeder, comforting a sick friend, racing to catch a plane, or planting his tomatoes; Og weaves his secrets of success into the fabric of his life and the pages of this book. He shares anecdotes, both sad and funny, and his feelings about his fan mail and the people he meets. And when trouble comes to him, he shares that, too. Living with Og and listening to his thoughts as the rich days unfold, we once again find the sheer joy of wondering what tomorrow will bring,

and the courage never to look back on yesterday. *Secrets for Success and Happiness* Taylor & Francis
 The Language of the Hand
 A brand-new edition of the classic work first published in 1894. Cheiro was a renowned palmist whose world travels gained attention in the press and whose palm readings for the rich and famous of his day, including Mark Twain, elicited words of praise. In this unique book are methods for reading personalities, recognizing

astrological links, and prognostication, along with drawings of hands showing structural types and lines. A series of photographic hand prints taken directly from the famous people Cheiro read for, such as Sara Bernhardt, is also included.
