Theory and
Research on
Small Groups
Research on
small groups
played an
important role
in the early
formulation of
social
psychology.
By the 1970s,
however, the
field had lost
the interest of
most social
psychologists.
Theory and
Research on

Small Groups
reintegrates
that work
back into the
mainstream of
social
psychology.
The more
recent
'issues-
oriented'
approach has
not only
resulted in
many
interesting
findings-it has
also applied
basic social
psychological

theory in new ways and, moreover, led to new theoretical developments that deserve more attention. This volume, which features the work of esteemed researchers

from around the world, is a bountiful resource worthy of notice by all social psychologists. Theory and Research on Small Groups Paxton Presbyterian

Church is located in Paxtang, Pa., a few miles east of Harrisburg, Pa., and is not to be confused with Paxton, Pa., located to the north of Harrisburg in Upper Paxton Township.
