"I tied you up because I need you to listen," Derek says. "Focus." "Please... W-what do you want from me?" "The truth," he says. "About what happened the night my brother died." He reaches for my left hand. "If I think you're lying..." With his other hand, he flourishes a pair of flower cutters. Curved. Sharp. And he smiles. When Chris wakes up in a dark basement tied to a chair, he knows that he's trapped-and why. Eight nights ago a burglar broke into Chris' home. Eight nights ago Chris did what he had to do to protect his family. And eight nights ago a 13-year-old runaway bled to death on his kitchen floor. Now Derek wants the truth about what happened that night. He wants proof his little brother didn't deserve to die. For every lie Chris tells, he will lose a finger. But telling the truth is far more dangerous... A riveting, edge-of-your-seat thriller from Edgar Award-nominated author Jeffery W. Johnston that explores the gray area between what is right and what we'll do to protect the people we love.

Live Or Die University Press of Florida

We meet him late in life: a quiet man, a good father and husband, a fixture in his Brooklyn neighborhood, a landlord and barber with a terrifying scar across his face. As the book unfolds, moving seamlessly between Haiti in the 1960s and New York City today, we enter the lives of those around him, and learn that he has also kept a vital, dangerous secret. Edwidge Danticat's brilliant exploration of the "dew breaker"--or torturer--s an unforgettable story of love, remorse, and hope; of personal and political rebellions; and of the compromises we make to move beyond the most intimate brushes with history. It firmly establishes her as one of America's most essential writers. **BONUS:** This edition includes an excerpt from Edwidge Danticat's *Claire of the Sea Light*.

Ghosts by Daylight Princeton University Press

Thirty years ago two sisters disappeared from a shopping mall. Their bodies were never found and those familiar with the case have always been tortured by these questions: How do you kidnap two girls? Who - or what - could have lured the two sisters away from a busy mall on a Saturday afternoon without leaving behind a single clue or witness? Now a clearly disoriented woman involved in a rush-hour hit-and-run claims to be the younger of the long-gone Bethany sisters. But her involuntary admission and subsequent attempt to stonewall investigators only deepens the mystery. Where has she been? Why has she waited so long to come forward? Could her abductor truly be a beloved Baltimore cop? There isn't a shred of evidence to support her story, and every lead she gives the police seems to be another dead end - a dying, incoherent man, a razed house, a missing grave, and a family that disintegrated long ago, torn apart not only by the crime but by the fissures the tragedy revealed in what appeared to be the perfect household. In a story that moves back and forth across the decades, there is only one person who dares to be skeptical of a woman who wants to claim the identity of one Bethany sister without revealing the fate of the other. Will he be able to discover the truth?

A breathtaking, indispensable collection featuring poetry, fiction, letters, and diaries of the world's greatest writers on the nature of grief. Death silences not only those it takes, but those it leaves behind: All too typically we can neither express our grief nor express sympathy for the bereaved. In this sensitive collection, loss finds a voice—or several voices—in the poetry, fiction, letters, and diaries of the world's great writers. Here are James Agee, recording the shock of his father's death; William Shakespeare, making poetry of Cleopatra's grief; the Biblical wisdom of *The Book of Lamentations*; the psychological acuity of Marcel Proust. Here are mourners from classical Rome to eleventh-century China, from the Paiute Indians to present-day Ireland. Arranged in sections that correspond to the stages of mourning, *In the Midst*

of Winter is a volume whose breadth and resonance make it invaluable and utterly unique.

The collected works of Anne Sexton showcase the astonishing career of one of the twentieth century's most influential poets. For Anne Sexton, writing served as both a means of expressing the inner turmoil she experienced for most of her life and as a therapeutic force through which she exorcised her demons. Some of the richest poetic descriptions of depression, anxiety, and desperate hope can be found within Sexton's work. *The Complete Poems*, which includes the eight collections published during her life, two posthumously published books, and other poems collected after her death, brings together her remarkable body of work with all of its range of emotion. With her first collection, the haunting *To Bedlam and Part Way Back*, Sexton stunned critics with her frank treatment of subjects like masturbation, incest, and abortion, blazing a trail for representations of the body, particularly the female body, in poetry. She documented four years of mental illness in her moving Pulitzer Prize-winning collection *Live or Die*, and reimagined classic fairy tales as macabre and sardonic poems in *Transformations*. *The Awful Rowing Toward God*, the last book finished in her lifetime, is an earnest and affecting meditation on the existence of God. As a whole, *The Complete Poems* reveals a brilliant yet tormented poet who bared her deepest urges, fears, and desires in order to create extraordinarily striking and enduring art.

As we look to the Bible for all the answers we need, I discovered that there are two distinct laws, which has caused confusion to almost the whole world, throughout Christendom. These two laws are (1) the Holy Law of God and (2) the Ceremonial laws of Moses. Scriptures revealed that God gave Moses the instruction to write the Ceremonial laws that were in a book. But God wrote his Holy Law, the Ten Commandments, with his fingers on two tables of

stones. Then God's Law was placed inside the Ark of the Covenant. Moses' laws were on the outside, of the Ark of the Covenant, also within the Most Holy Place of the tabernacle on earth. This earthly tabernacle was a replica of the Heavenly Sanctuary. Moses' laws were contained in the hand-writings of ordinances; as obtained in commandments, which consists of sabbath days, feasts days, holy days, and new moon. None of which had anything to do with the nature of God's Holy Law, that also contains God's holy Sabbath-Day, which was designed for us in the atmosphere of worship at creation. It's these ceremonial laws of Moses that did not make anything perfect. These are the same laws, which were nailed to the cross, and were abolished by Christ's death on the cross. They were taken out of the way, through the recompense, of the consequence of sin. Eph. 2:15; Heb. 7:19; Col. 2:14,16; Lev. 1:1-3; Deut. 31:24-26. Not only is the Holy Law of God eternal, holy, perfect, just, and good, it will stand fast forever and ever. It is called the Royal Law. Christ did not destroy it, but provided it with magnification, of its divine purpose. God's Law will continue to give the knowledge of sin, because without it there can be no grace. Therefore, the lingering presence of sin will always be the result of transgressing God's Holy Law. James 2:8; Rom. 3:20; 7:7; Matt 5:7; Heb. 9:4; Psalms 19:7; 111:7,8. And this is the Gospel Truth of the Bible.

In the Midst of Winter Houghton Mifflin Harcourt

After a traumatic military tour in the Middle East, Daniel "Uneasy" Truce returns home with PTSD. Something happened there. Something he never wants to come out. A few handshakes later, Truce lands a new job in a ragtag investigations unit. He may be emotionally awkward, but he's got a knack for reading body

language. Problem is, his boss hates him. Calls him mentally unsound. She gives Truce the dirty work. That's how he ends up with "the crazy old bat" case. At 11 a.m. every morning, June drops by her local police station to report a murder she witnessed. Initially the cops took her seriously. They visit the alleged victim's home to find him very much alive. But June won't give up, and her daily appearances become a nuisance. Truce is tasked to investigate. To shut her up. Soon June winds up dead-hit by a car. Was it really an accident? Truce thinks there's more to the case. That maybe someone just doesn't want the truth to come out ... Only the Dead Know is the first book in the Daniel 'Uneasy' Truce Mystery series. About the author Caroline Dunford lives in Scotland in a cottage by the sea with her partner and her two young sons. As all authors are required to have as much life experience as possible she has been, at various times, a drama coach, an archery instructor, a counsellor, a qualified psychotherapist, a charity worker, a journalist, a voice actor, a hypnotherapist, and a playwright. Today she writes mainly novels, the odd (often very odd) short story, theatre plays, the occasional article, teaches and mentors. She can't remember a time when she didn't write or tell stories and seriously doubts that she could remain sane if she stopped doing so.

Steven Gould Axelrod, Camille Roman, and Thomas Travisano continue the standard of excellence set in Volumes I and II of this extraordinary anthology. Volume III provides the most compelling and wide-ranging selection available of American poetry from 1950 to the present. Its contents are just as diverse and multifaceted as America itself and invite readers to explore the world of poetry in the larger historical context of American culture. Nearly three hundred poems allow readers to explore canonical works by such poets as Elizabeth Bishop, Robert Lowell, and Sylvia Plath, as well as song lyrics from such popular musicians as Bob Dylan and Queen Latifah. Because contemporary American culture transcends the borders of the continental United States, the anthology also includes numerous transnational poets, from Julia de Burgos to Derek Walcott. Whether they are the works of oblique avant-gardists like John Ashbery or direct, populist poets like Allen Ginsberg, all of the selections are accompanied by extensive introductions and footnotes, making the great poetry of the period fully accessible to readers for the first time.

Using as her starting point the story of Orpheus and Eurydice, Melissa F. Zeiger examines modern transformations of poetic elegy, particularly as they reflect historical changes in the politics of gender and sexuality. Although her focus is primarily on nineteenth- and twentieth-century poetry, the scope of her investigation is grand: from John Milton's "Lycidas" to very recently written AIDS and breast cancer elegies. Milton epitomized the traditional use of the Orpheus myth as an illustration of the female threat to masculine poetic prowess, focused on the beleaguered Orpheus. Zeiger documents the gradual inclusion of Eurydice, from the elegies of Algernon Charles Swinburne through the work of Thomas Hardy and John Berryman, re-examining the role of Eurydice, and the feminine more generally, in poetic production. Zeiger then considers women poets who challenge the assumptions of elegies written by men, sometimes identifying themselves with Eurydice. Among these poets are H.D., Edna St. Vincent Millay, Anne Sexton, and Elizabeth Bishop. Zeiger concludes with a discussion of elegies for victims of current plagues, explaining how poets mourning those lost to AIDS and breast cancer rewrite elegy in ways less repressive, sacrificial, or punitive than those of the Orphean tradition. Among the poets discussed are Essex Hemphill, Thom Gunn, Mark Doty, Audre Lorde, Adrienne Rich, and Marilyn Hacker.

This book investigates the key terms 'truth' and 'misinformation' in the light of Anne Sexton's *Complete Poems*. The author argues that what characterizes her poems is their heightened level of transparency; poem after poem, she establishes a close relationship with the reader through recording a detailed account of her private stories. In this sense, the aim of this study hinges on demonstrating the inscription of truth in Sexton's poems.
