MYLA OCONNELL

[Patient Provider Interaction](#) Henry Holt and Company

It has been 30 years since Johnny pulled Baby from the corner to have the time of their lives. To mark the occasion, People offers a loving look back at the classic dance romance. Featuring a Dirty Dancing oral history: Jennifer Grey, choreographer Kenny Ortega, and other members of the cast and creative team recall the making of a movie, both the challenges and mishaps as well as the on-location party atmosphere. With a foreword by Dancing with the Stars pro Derek Hough. Includes: Meet the real Baby, Dirty Dancing creator Eleanor Bergstein. And the three guys who wrote *ñ*(I lve Had) the Time of My Life! talk about its creation, and how it changed their lives The movie's living legacy: the wildly successful stage musical, the annual summer festival, and how to nab the Housemans' bungalow at the hotel that doubled as Kellerman's. Also: inside the ABC television 30th anniversary movie remake From the People archive: a 20th anniversary interview with Patrick Swayze on the role that made him a leading man. Plus: tributes to the lives and careers of Jerry Orbach, director Emile Ardolino and others we've lost from the Dirty Dancing family All about *ñ*the lift! and how to do it!

Patrick Swayze: One Last Dance Routledge

This book offers a much-needed introduction to the dynamics of the communication exchange between providers and patients in the health-care environment. Starting from the principle that health-care-providers and patients try to speak the same language to reach the best decisions for patient care, but often misunderstand each other whilst navigating the process of diagnosis, treatment and care, Lisa Sparks and Melinda Villagran clearly explain how health communication theory and research can help us better understand these complex interactions, and provide strategies for improving patient and provider communication. Sparks and Villagran cover a broad range of key issues and theories related to provider-patient interaction, including patient information and affective needs, barriers to effective communication in health-care contexts, and communication skills training for providers. Drawing on the most current literature in this vibrant field, they show the transformations that new technologies such as e-mail and text messaging have brought to communication with and between patients and providers, consider the roles of caregivers, both formal and informal, and illustrate how health-care organizations impact on interpersonal interactions. Throughout the book, Sparks and Villagran deftly illustrate how communicative understandings of patient-provider interaction can have positive practical outcomes, feeding into health behaviour change, creating a communication environment which can improve health literacy and ultimately lead to better health outcomes. With groundbreaking insights, on-point explanations, and deeply moving examples, *Patient and Provider Interaction* illuminates and enriches what is most often one of the most important interactions of our lives.

The Fans' Love Story Encore St. Martin's Griffin

Emmy Award-winning actress Kirstie Alley's candid and audacious memoir about her life and the men she has shared it with—for better and for worse. John Travolta. Parker Stevenson. Ted Danson. Maksim Chmerkovskiy. Kelsey Grammer. Patrick Swayze. Woody Allen. Woody Harrelson. And many others. . . . In three decades in Hollywood, Kirstie Alley has lived with, worked with, loved, or lost all of these men, and in this revealing memoir, she peels back the layers (and sometimes the sheets) on her relationships with all of them. From the early days of her childhood in Wichita, Kansas, surrounded by her loving father, her inquisitive and doting grandfather, and a younger brother she

fiercely protected when she wasn't selling tickets to see him naked, Kirstie Alley's life has been shaped and molded by men. "Men, men, glorious men!" gave her her first big break in Hollywood and her awardwinning role on Cheers, and through two marriages, a debilitating cocaine addiction, the death of her mother, roles in some of the biggest comedies of the last twenty years, and a surprising stint on Dancing with the Stars, men proved to be the inspiration for multitudes of the decisions and dramas in Kirstie Alley's life. In this collection of linked essays that's both hilarious and poignant in turns, Kirstie chronicles all the good, the bad, and the ugly men who have influenced and guided her. She demonstrates how men can be the air that women breathe or the source of all of their frustrations. But for better or worse, Kirstie shows that a life well lived is a life lived in the company of men, especially if they remember to put the lid down. *The Art of Men (I Prefer Mine al Dente)* is a hilarious excursion into love, joy, motherhood, loss, sex, and self-discovery from one of Hollywood's most enduring stars.

The Advocate iUniverse

A remarkably frank, deeply moving, and inspiring memoir by Jai Pausch, whose husband, Randy, wrote the bestseller *The Last Lecture* while battling pancreatic cancer. "Jai is such a giver that she often forgets to take care of herself," Randy Pausch wrote about his wife. "Jai knows that she'll have to give herself permission to make herself a priority." In *Dream New Dreams*, Jai Pausch shares her own story for the first time: her emotional journey from wife and mother to full-time caregiver, shutting between her three young children and Randy's bedside as he sought treatment far from home; and then to widow and single parent, fighting to preserve a sense of stability for her family, while coping with her own grief and the challenges of running a household without a partner. Jai paints a vivid, honest portrait of a vital, challenging relationship between two strong people who faced a grim prognosis and the self-sacrificing decisions it often required. As she faced life without the husband she called her "magic man," Jai learned to make herself a priority to create a new life of hope and happiness—as she puts it, to "feel a spark of my own magic beginning to flicker." *Dream New Dreams* is a powerful story of grief, healing, and newfound independence. With advice artfully woven into an intimate, beautifully written narrative, Jai's story will inspire not only the legions of readers who made *The Last Lecture* a bestseller, but also those who are embarking on a journey of loss and renewal themselves.

Spectacular Bodies Ballantine Books

Words of wisdom and incredible life stories, told through Gary Busey's unique Buseyisms. Take a wild ride through the life and mind of Gary Busey in his new hilarious, uplifting, tell-all memoir, *Buseyisms*. Gary transports you on a laugh-out-loud journey through the crazy twists and turns of his rise to fame, his descent into drug addiction, and his trip to the 'other side' after a near-fatal motorcycle accident. Gary also shares untold stories of his militant upbringing, surviving cancer in the middle of his face, and fun behind the scenes stories of his most popular movies and television roles including: *A Star Is Born*, *The Buddy Holly Story*, *Lethal Weapon*, *Point Break*, *Under Siege*, *The Firm*, *Entourage*, *Celebrity Apprentice*, and more. Included in this book are dozens of personal photographs from Gary's early years up until now. Gary is a living testimony to the resilience of the human body and spirit. In his simply written but profound memoir, he shares his Basic Instructions Before Leaving Earth to help others, who may be going through similar things, to realize that it is possible to survive challenging life events and come out a happy champion.

The Time of My Life Simon and Schuster

When Leah Chapman was diagnosed with breast cancer, she and her partner Ash Mackinnon began a quest for a cure. They discovered the Cyberknife was available for accurate radiation treatment --

yet it was unavailable for therapeutic use in Australia. As well as documenting their shared experiences with various health systems and treatments, this book explains why Ash Mackinnon became an advocate of establishing a Cyberknife centre in Australia.

[How to Become a Magnet to Hollywood Success](#) Chronicle Books

In January 2008, movie star Patrick Swayze was given the worst news of his life. What he hoped was just a stomach ache was actually stage four pancreatic cancer, a diagnosis that is fatal within a year for 79% of the people to whom it is given. Remarkably, Patrick is not just alive a year later but continuing his treatment, and responding well. But this book isn't just the story of Patrick's fight against cancer. In the public eye from the early 1980s, this is the story of a remarkable life and career. Intended as a low budget, straight-to-video production, *Dirty Dancing* became a cult hit and remains one of the most enduring films of the 80s. Ghost cemented Patrick as a hugely bankable star, in a role that has had a considerable cultural impact. Most recently Patrick has returned to the public's adoring arms in TV's *The Beast*. This book will chronicle Patrick's personal life as well -- including his treatment for alcoholism following the death of his father and sister's sudden death. What has remained a constant in Patrick's life is his marriage and Patrick and Lisa's love story is inspiring, honest, heartfelt and transcends the typical celebrity marriage. This is a book that anyone who has faced cancer or a terminal illness can turn to: Lisa and Patrick have shown the world that cancer isn't just a diagnosis given to one individual, but a disease that can bring a household together or pull a family apart. Bold, honest and inspiring, Patrick Swayze's memoir is the story of a remarkable man's life and career and of his refusal to give in.

[Stories I Only Tell My Friends](#) Musivation

The love story of the toy soldier and the ill-fated paper doll ballerina, as told originally by Andersen and adapted for the Balanchine ballet.

[Dream New Dreams](#) Faber & Faber

After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. "We cannot change the cards we are dealt, just how we play the hand." —Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—"Really Achieving Your Childhood Dreams"—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have . . . and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Intercultural language education has redefined the modern languages agenda in Europe and North America. Now intercultural learning is also beginning to impact on English Language Teaching. This accessible book introduces teachers of EFL to intercultural language education by describing its history and theoretical principles, and by giving examples of classroom tasks.

[Where's My Tiffany?](#) Doubleday Canada

This book is a concise guide written by two individuals who have been there—under the lights and in front of the camera. Its no-nonsense approach offers readers practical advice about on-camera performance, including key aspects of voice, movement, communication and appearance. It gives them a foundation for working in the studio, in the field and in front of an audience; it is ideal for media performers of any type, including those who work as reporters, company spokespersons, or community advocates. Recommendations include how to properly position oneself for a shot, how to

improve articulation, how to deal with stress and how to best perform online. "Try-It-Out" exercises help readers put what they have learned into practice and prepare to be on camera. Key terms are bolded in the chapters and are collected in a book-end Glossary for easy reference.

[The Performer in Mass Media](#) Time Inc. Books

Immortal Last Words is a fascinating, diverse collection of history's most uplifting, entertaining and thought-provoking dying remarks and final farewells. The 370 entries in this book have been drawn from some of history's greatest statesmen, poets, scientists, novelists and warriors--the eminent men and women who have shaped events over the last four and a half millennia and whose final recorded words have often inspired great deeds or shed light on the nature of the human condition. There are also entries are from less well-known individuals who did not make such an impact on history but whose dying words are equally noteworthy as they encapsulate the spirit of the times or simply reflect the character of the speaker. And finally, the pages of this book contain the last words of some of most ignoble personalities in history--the monsters and maniacs whose final defiant utterances prompt us to reflect on the nature of evil and man's inhumanity to man. Arranged chronologically from antiquity to the present day, each entry is accompanied by contextual information giving a brief biography of the author and an explanation of the circumstances that gave rise to the quotation. Some of the sentiments expressed are unbelievably sad while others are optimistic; some final words have become famous while others have remained obscure, but all reflect the follies and greatness of mankind--its heroes and villains, war and peace and the absolute power of language to change our feelings and challenge our minds.

[The Bravest Man](#) NYU Press

A few words from the author and eponymous columnist behind *The Onion's* column, "A Room of Jean's Own," Jean Teasdale: Hi Jeanketeers and Jeanketeers-to-be!! As *The Onion's* very own Humor and Human-Interest columnist, I've been entertaining readers for 15 years with kooky tales of life with my hubby and our two feline children. Now for the first time, li'l ol' me shines front-and-center in a book of my very own! *A Book of Jean's Own!* features all-original, never-before-published material, and if that wasn't impressive enough, marks the very first *Onion* book by a solo writer! Historical, huh? My book is sure to find an eager audience among *The Onion's* ten-million-strong readership. Wait, ten million people? I had no idea! Frankly, that scares me a little. We're not in Kansas anymore, Toto! (Oh shoot, I should have put that hilarious phrase in my book!) *A Book of Jean's Own!* also marks a departure from past *Onion* books in that it isn't crammed with headlines and articles in teeny-weeny print! Instead, I write about the stuff that really matters: shopping, chocolate, part-time jobs, and hot Hollywood hunks! Whether you read my book on the bus, the beach, or the toilet, you're guaranteed to find something to chuckle at and deeply relate to! Among the many nuggets of fun: * I tell you the Twenty Things That Are Better Than Sex! * For the first time ever, you learn my maiden name! * I spill the secrets of my scrumptious chocolate-loaded desserts, such as Ooey Gooey Choco-Cocoa-Mocha Cupcakes With Raspberry Filling And Coconut-Cream Cheese-Cola Frosting! * Acquire valuable, real-world tips on coping with a job you dislike, getting through those rough teenage years, and styling a Jean hairdo of your very own! * Get a giggle out of my doodles and overdose on the words of wisdom that are my Jean Proverbs! * You've heard of pity parties—get my tips for throwing your very own self-pity party! * Check out my own cure for the blues, the Plush Jamboree! * Witness my nervous breakdown while writing this book (well, writing is hard, after all!) * Also for the first time ever, Hubby Rick speaks! (Spoiler: It's not entirely in grunts!) * Lots of exclamation points! (And phrases in parentheses!) I'm sure every single one of those ten million readers will buy my book! And who knows? They just may find something in it that will help them lead happier and better lives!
