[Vicars of Christ](#) Sphere

The Wizarding World journey continues . . . The powerful Dark wizard Gellert Grindelwald was captured in New York with the help of Newt Scamander. But, making good on his threat, Grindelwald escapes custody and sets about gathering followers, most of whom are unsuspecting of his true agenda: to raise pure-blood wizards up to rule over all non-magical beings. In an effort to thwart Grindelwald's plans, Albus Dumbledore enlists Newt, his former Hogwarts student, who agrees to help once again, unaware of the dangers that lie ahead. Lines are drawn as love and loyalty are tested, even among the truest friends and family, in an increasingly divided wizarding world. *Fantastic Beasts: The Crimes of Grindelwald* is the second screenplay in a five-film series to be written by J.K. Rowling, author of the internationally bestselling Harry Potter books. Set in 1927, a few months after the events of *Fantastic Beasts and Where To Find Them*, and moving from New York to London, Paris and even back to Hogwarts, this story of mystery and magic reveals an extraordinary new chapter in the wizarding world. Illustrated with stunning line art from MinaLima with some surprising nods to the Harry Potter stories that will delight fans of both the books and films.

[The Romany Rye](#) Faber & Faber

The haunting true story of a triple murder in the Ozarks, two lovers on the lam, and a death-row inmate saved by the pope. On a spring day more than ten years ago, sixty-nine-year-old Lloyd Lawrence was gunned down in rural Missouri. The shooter also turned his twelve-gauge shotgun on Lawrence's wife and their paraplegic grandson. The crime took place in a region known mostly for Pentecostal fervor, country music, and family-friendly tourism. But soon the murders would expose a dark underbelly in the Ozarks: Lloyd Lawrence was a notoriously violent crystal-meth kingpin, killed by an aspiring drug dealer named Darrell Mease. Capturing the raw circumstances that took Mease from his clean-cut youth to the front lines of Vietnam and an aftermath of drug use, *Almost Midnight* unites an unforgettable range of characters in some of America's most peculiar locales. When Mease and his girlfriend fled to the Southwest on a hair-raising road trip, this only brought Mease closer to death row. After his conviction, he claimed to receive a religious revelation guaranteeing that his life would be saved by miraculous intervention, a long-shot prediction that came true. A bizarre twist of fate brought Pope John Paul II to Saint Louis, where he pleaded with Missouri Governor Mel Carnahan to commute the sentence just months before Carnahan's fatal plane crash. In a triumph of

investigative journalism, Michael Cuneo gained unprecedented access to Mease and immersed himself in the culture of the Ozarks, exploring its bucolic farms and seedy strip joints, and the lives of its preachers, cockfighters, and outlaws. By turns chilling and riveting, *Almost Midnight* brilliantly evokes the life of controversial renegade Mease, and the stranger-than-fiction world he still inhabits.

This pocket edition of Richard McBrien's acclaimed *Lives of the Popes* is a practical quick reference tool for scholars, students, and anyone needing just a few concise facts about all the popes, from St. Peter to Benedict XVI.

[A History of Witchcraft in England from 1558 to 1718](#) Good Press
 AMIDST THE WRECKAGE OF FINANCIAL RUIN, PEOPLE ARE LEFT PUZZLING ABOUT HOW IT HAPPENED. WHERE DID ALL THE PROBLEMS BEGIN? For the answer, Jack Cashill, a journalist as shrewd as he is seasoned, looks past the headlines and deep into pages of history and comes back with the goods. From Plato to payday loans, from Aristotle to AIG, from Shakespeare to the Salomon Brothers, from the Medici to Bernie Madoff—in *Popes and Bankers* Jack Cashill unfurls a fascinating story of credit and debt, usury and “the sordid love of gain.” With a dizzying cast of characters, including church officials, gutter loan sharks, and even the Knights Templar, Cashill traces the creative tension between “pious restraint” and “economic ambition” through the annals of human history and illuminates both the dark corners of our past and the dusty corners of our billfolds.

[Hostage to the Devil](#) Sophia Institute Press

A guided tour through the burgeoning business of exorcism and the darker side of American life. There is no other religious ritual more fascinating, or more disturbing, than exorcism. This is particularly true in America today, where the ancient rite has a surprisingly strong hold on our imagination, and on our popular entertainment industry. We've all heard of exorcism, seen the movies and read the books, but few of us have ever experienced it firsthand. Conducted by exorcists officially appointed by Catholic archdioceses and by maverick priests sidestepping Church sanctions, by evangelical ministers and Episcopal charismatics, exorcism is alive and well in the new millennium. Oprah, Diane Sawyer, and Barbara Walters have featured exorcists on their shows. The *New York Times*, *Los Angeles Times*, *Time*, and other publications have charted the proliferation of exorcisms across the United States. Last year, the Archdiocese of Chicago appointed its first full-time exorcist in its 160-year history; in New York, four priests have officially investigated about forty cases of suspected possession every year since 1995. *American Exorcism* is an inside look at this burgeoning phenomenon, written with objectivity, insight, and just the right touch of irony. Michael W. Cuneo attended more than fifty

exorcisms and interviewed many of the participants—both the exorcists who performed the rituals and the people from all walks of life who believed they were possessed by the devil. He brings vividly to life the ceremonies themselves, conjuring up memories of Linda Blair's astonishing performance in the 1973 movie *The Exorcist* and other bizarre (and sometimes stomach-churning) images. Cuneo dissects, as well, the arguments of such well-known exorcism advocates as Malachi Martin, author of the controversial *Hostage to the Devil*, self-help guru M. Scott Peck, and self-professed demonologists Ed and Lorraine Warren of Amityville Horror fame. As he explores this netherworld of American life, Cuneo reflects on the meaning of exorcism in the twenty-first century and on the relationship between religious ritual and popular culture. Touching on such provocative topics as the “satanic panics” of the 1980s, repressed memory, and ritual abuse, *American Exorcism* is a remarkably revealing, consistently entertaining work of cultural commentary.

[The Devils of Loudun](#) Crown

A Source Book for Mediæval History is a scholarly piece by Oliver J. Thatcher. It covers all major historical events and leaders from the Germania of Tacitus in the 1st century to the decrees of the Hanseatic League in the 13th century.

[The Catholic Gentleman](#) Studies in Religion, Secular B
 Convincing proof the devil does exist and still manifests his presence. Covers diabolical infestation, obsession, and possession. Many famous cases of possession and exorcism, plus a general discussion of the devil. This is one of the best books on the subject of possession ever written. Discusses also Satan at Lourdes—to distract from the apparitions of 1858—and the devices of Satan to deceive us. 210 pgs. PB

What it means to be a man or a woman is questioned today like never before. While traditional gender roles have been eroding for decades, now the very categories of male and female are being discarded with reckless abandon. How does one act like a gentleman in such confusing times? *The Catholic Gentleman* is a solid and practical guide to virtuous manhood. It turns to the timeless wisdom of the Catholic Church to answer the important questions men are currently asking. In short, easy-to-read chapters, the author offers pithy insights on a variety of topics, including • How to know you are an authentic man • Why our bodies matter • The value of tradition • The purpose of courtesy • What real holiness is and how to achieve it • How to deal with failure in the spiritual life

[The Church and the Racial Divide](#) Orbis Books

Following up his international best-selling book, *An Exorcist Tells His Story*, Fr. Gabriele Amorth, the renowned chief exorcist of Rome, expands on some of the key topics of his previous book, covering important details about demonic or occult issues. He

uses concrete examples from his own experiences and those of other exorcists to illustrate and substantiate his points. Since satanic sects, occultism, s?ances, fortune-tellers and astrologers are so widespread today, Father Amorth asks the question why is it so difficult today to find an exorcist, or a priest who is an expert in this field? The example and the teaching of Christ is very clear, as is the tradition of the Church. But today's Catholics are often misinformed. Exorcisms are reserved for appointed priests, while all believers can make prayers of liberation. What is the difference? What norms must be followed? What problems are still open and unresolved in this field? The new book by Father Amorth answers these and many other questions, supporting his discourse with a rich exposition of recent facts. A valuable, practical and instructive manual for priests and lay people, on how to help many who are suffering.

An Exorcist Thomas Nelson

As arguably the most influential voice in American Catholicism, the vision that Scott Hahn offers in his works, read by millions of Catholics throughout the world, is one of the most formative in American Catholicism. His numerous books and public speaking engagements are shaping the American Catholic Church in a uniquely powerful manner. This work demonstrates that the Catholic vision that Hahn claims to be providing his audience is, in fact, always quite different from the one he actually presents. What he coins as Catholic faithfulness is instead a straightforward and damning Catholic fundamentalism. As this vision is delivered to millions of the faithful who look to Hahn as a trustworthy guide to an authentic life of Catholic faith, American Pope acts as a critical analysis of his work.

Letters on Demonology and Witchcraft Routledge

St. Peter Canisius is perhaps the sole reason there is a Catholic Church in Germany, even today. Born in Holland, he was a law student and eventually a Canon of a Cathedral in Germany when he heard the preaching of St. Peter Faber, one of the first companions of St. Ignatius of Loyola. Immediately, Canisius knew his vocation and entered the Society of Jesus. Although he wasn't among the original companions of St. Ignatius, nevertheless, he was one of the first Jesuits, and the most famous. Apart from laboring for the faith in Germany and Switzerland, he was the first Jesuit to produce any major theological works, and wrote this great Catholic Catechism. Surprisingly, in the 16 century the Church had not yet produced a Catechism to compete with the protestants. She had not yet even produced her own edition of the Latin Bible. The Church was slow to pick up on the new technology of printing, and Protestants since the late 1520s, had already produced bibles, tracts and catechisms. Canisius, remarkably and single handedly, challenged and surpassed a generation of Protestant literary output in Germany, holding that just as truly as St. Francis Xavier converted so many in the East, it was a Catholic's duty to labor likewise for the faith in Europe. As we noted above, he produced the first Catholic Catechism. This was the Summa Doctrinae Christianae, (Summary of Christian Doctrine), which was a magnum opus in multiple volumes meant for clergy and laymen. He produced a second directed to young men, the Catechismus Minor (Smaller Catechism), which is an abridgment of the multivolume Summa Doctrinae Christianae. Later, he produced a third Catechism, the Parvus Catechismus Catholicorum (Small Catechism for Catholics) which makes up the present work. St. Peter Canisius produced this work for young children between 9 and 14 years of age. This remains true of this translation, though certainly adults could benefit from its clear presentation and faithfulness to Apostolic Tradition. Therefore, the answers to the questions are more simple than in other Catechisms. This work has not been in English for several hundred years, and in that time there have been other Catechisms, notably the Baltimore, which are familiar to Catholics. In translating from the Latin, I have taken great care to remain true to the exact formulation of the questions and answers, so as not to lose any of the doctrinal content of the original. For common

prayers such as the Our Father and the Hail Mary, I have preserved the standard form Catholics use when praying these prayers. There is an appendix of scripture references which support Catholic doctrine at the end of the work without any commentary, which Canisius sarranged for youths to memorize in order to defend the faith when challenged. For these references I have used the Douay-Rheims version, in spite of its shortcomings with respect to modern English readability, because it is the closest version to the vulgate, the basis for Canisius' work and the common point of reference for both Catholics and Protestants at that time. This work may prove easier to understand and can work in tandem with other Catechisms, and additionally, was produced by a saint and doctor of the Church. Canisius' reach was so powerful through the centuries in Germany, that Pope Benedict XVI said "Still in my father's generation, people called the catechism simply the Canisius: He is really the catechist of the centuries; he formed people's faith for centuries." This new translation, contains some beautiful artwork from the Netherlands, in honor of Canisius' birth place, and a foreword by Fr. Chad Ripberger, PhD.

Evidence of Satan in the Modern World Crown

For those who struggle with the same sins time and again, a strategy to overcome Satan's influence in your life.

Mirrors The Exorcist

This board book mainly for infants and toddlers shares the loving words of Pope Francis. With inspiring words and vibrant illustrations, Pope Francis Says... shows children how to live as Christians and know they are loved by God.

Pope Francis Says... Touchstone

In this powerful book, the renowned exorcist of Rome tells of his many experiences in his ministry as an exorcist doing battle with Satan to relieve the great suffering of people in the grip of evil. The importance of the ministry to expel demons is clearly seen in the Gospels, from the actions of the Apostles, and from Church history. Fr. Amorth allows the reader to witness the activities of the exorcist, to experience what an exorcist sees and does. He also reveals how little modern science, psychology, and medicine can do to help those under Satan's influence, and that only the power of Christ can release them from this kind of mental, spiritual or physical suffering. An Exorcist Tells His Story has been a European best-seller that has gone through numerous printings and editions. No other book today so thoroughly and concisely discusses the topic of exorcism.

Unbound Loyola Press

Throughout his career, Eduardo Galeano has turned our understanding of history and reality on its head. Isabelle Allende said his works "invade the reader's mind, to persuade him or her to surrender to the charm of his writing and power of his idealism." Mirrors, Galeano's most ambitious project since Memory of Fire, is an unofficial history of the world seen through history's unseen, unheard, and forgotten. As Galeano notes: "Official history has it that Vasco Núde Balboa was the first man to see, from a summit in Panama, the two oceans at once. Were the people who lived there blind??" Recalling the lives of artists, writers, gods, and visionaries, from the Garden of Eden to twenty-first-century New York, of the black slaves who built the White House and the women erased by men's fears, and told in hundreds of kaleidoscopic vignettes, Mirrors is a magic mosaic of our humanity.

The Prince of Darkness Ignatius Press

The Cold War has ended. With a scope and daring not possible until now, an unlikely international alliance of top-level political, financial, and religious interests sees the way clear at last to its ultimate goal: the establishment of a single global society. Utopia. These are men with nothing in common but immense power and a towering ambition for still more. With world unity and prosperity as their slogan--and with betrayal, scandal, and murder as their ready weapons--they have the means and the will to capture as their own the perfect global machinery for their plans: the oldest, wildest, and most stable political chancery in the world--the

Vatican. At the vortex of this lethal struggle stands the embattled Pope, a geopolitical genius whose elimination is the short-term solution to a long-term goal, and two American brothers, Paul and Christian Gladstone, one a lawyer and the other a priest, who appear to be the perfect pawns. One falls prey to the sharp teeth of greed for power. The other will become one of the Slavic Pontiff's closest allies...and will discover the darkest secrets at the very heart of papal Rome. From America to Europe to Russia, in broad landscapes and clandestine corridors, a rich and varied cast--presidents and politicians, simple saints and savvy sinners, popes and pope-makers--clash with one another amid dramatic and sometimes bloody events that will affect the destiny of every person alive today.

A New York Times Best Seller 2017 Illumination Book Awards, Gold (tie): Children's Picture Book 2017 Independent Press Awards, Distinguished Favorite: Book Cover Design, Children's 2017 Catholic Press Association Book Awards, First Place: Children's Books 2017 Catholic Press Association Book Awards, First Place: Pope Francis 2017 Association of Catholic Publishers' "Excellence in Publishing Book Awards," Book of the Year If you could ask Pope Francis one question, what would it be? Children have questions and struggles just like adults, but rarely are they given the chance to voice their concerns and ask the big questions resting deep in their hearts. In Dear Pope Francis, Pope Francis gives them that chance and celebrates their spiritual depth by directly answering questions from children around the world. Some are fun. Some are serious. And some will quietly break your heart. But all of them are from children who deserve to know and feel God's unconditional love. Also available in Spanish as Querido Papa Francisco. "Feels akin to sitting in on a series of intimate conversations." -Publishers Weekly "The People's Pope shows that he is a down-to-earth man who understands both religion and children." -Kirkus Reviews

Fantastic Beasts: the Crimes of Grindelwald - the Original Screenplay Harper Collins

The Exorcist Harper Collins

Martin Luther's 95 Theses Createspace Independent Publishing Platform

The Devil, Satan, Lucifer, Mephistopheles - throughout history the Prince of Darkness, the Western world's most powerful symbol of evil, has taken many names and shapes. Jeffrey Burton Russell here chronicles the remarkable story of the Devil from antiquity to the present. While recounting how past generations have personified evil, he deepens our understanding of the ways in which people have dealt with the enduring problem of radical evil. After a compelling essay on the nature of evil, Russell uncovers the origins of the concept of the Devil in various early cultures and then traces its evolution in Western thought from the time of the ancient Hebrews through the first centuries of the Christian era. Next he turns to the medieval view of the Devil, focusing on images found in folklore, scholastic thought, art, literature, mysticism, and witchcraft. Finally, he follows the Devil into our own era, where he draws on examples from theology, philosophy, art, literature, and popular culture to describe the great changes in this traditional notion of evil brought about by the intellectual and cultural developments of modern times. Is the Devil an outmoded superstition, as most educated people today believe? Or do the horrors of the twentieth century and the specter of nuclear war make all too clear the continuing need for some vital symbol of radical evil? A single-volume distillation of Russell's epic tetralogy on the nature and personification of evil from ancient times to the present (published by Cornell University Press between 1977 and 1986), The Prince of Darkness invites readers to confront these and other critical questions as they explore the past faces of that figure who has been called the second most famous personage in Christianity.
