**The Best Birthday Party Ever** Freaked Out  
 Being the Strong Man A Woman Wants is the best book ever on what a man can do to make things better with the woman in his life. Learn how to gain respect and enjoyment in your relationship. Become a hero to the woman in your life. Being the Strong Man A Woman Wants by Elliott Katz is timeless wisdom on being a man. It explains why many relationships today aren't working and what the man can do to make things better. Drawing upon age-old principles that work, this book challenges popular ideas and explains why today's new age guy is frustrated and bewildered. Traditionally, men learned this wisdom from their fathers. Today, many men grow up without the benefit of a strong male role model. This story is about a journey of discovery that Michael takes with his grandfather. Michael discovers how his wisdom can help him improve his relationship with his wife and help him grow as a person.
