ARMSTRONG LIVIA

Triple Trouble RH/Disney

It's no secret that most girls, at some point, love all things princess: the poofy dresses, the plastic tiaras, the color pink. Even grown-up women can't get enough of royal weddings and royal gossip. Yet critics claim the princess dream sets little girls up to be weak and submissive, and allows grown women to indulge in fantasies of rescue rather than hard work and self-reliance. Enter Jerramy Fine – an unabashed feminist who is proud of her life-long princess obsession and more than happy to defend it. Through her amusing life story and in-depth research, Fine makes it clear that feminine doesn't mean weak, pink doesn't mean inferior, and girliness is not incompatible with ambition. From 9th century Cinderella to modern-day Frozen, from Princess Diana to Kate Middleton, from Wonder Woman to Princess Leia, Fine valiantly assures us that princesses have always been about power, not passivity. And those who love them can still be confident, intelligent women. Provocative, insightful, but also witty and personal, *In Defense of the Princess* empowers girls, women, and parents to dream of happily ever after without any guilt or shame.

In Defense of the Princess Hal Leonard Corporation

Sixteen-year-old Prince Oliver, who wants to break free of his fairy tale existence, and fifteen-year-old Delilah, a loner obsessed with Prince Oliver and the book in which he exists, work together to seek Oliver's freedom.

Cinderella – Serial Killer Princess Disney Press

Feeling like an outsider in a new city and at a new school, Mariam finds that her love of comic-book superheroes overlaps with the interests of a new friend who is otaku, crazy about manga and anime. Together, Mariam and Tya plan their costumes for the big fan convention. Mariam is comfortable with her choice of character, partly because as Haruhi, she can dress in a costume that doesn't bare too much skin. When Tya can't go to the convention, Mariam is relieved to meet up with some boys who are dressed as the rest of the group from Haruhi's manga. Rick, dressed as Haruh's love interest, insists that Mariam spend all

her time with him, doing things that their characters like to do and playing out their romance. When he tries to physically force himself on her, Mariam realizes that Rick is taking the game way too seriously, but how can she escape his attention? This novel explores the appealing world of comic books and graphic novels that has growing numbers of young people exploring role playing and attending fan conventions.

Black Bird of the Gallows Delta

The epic, action-packed story of what happened after the fairy tales. Once upon a time, a girl named Danielle (better known as Cinderella) escaped her evil stepmother, married a prince, and according to the stories, lived happily ever after. The stories lie. Danielle Whiteshore has no sooner moved into the palace when her stepsisters show up to kidnap her prince and steal him away to the realm of fairies. To save Prince Armand, Danielle needs more than the enchanted glass sword her mother left her. She needs the Queen's secret protectors: the deadly warrior and assassin Talia (Sleeping Beauty) and the fun-loving, flirtatious witch known as Snow White. Plunged into a world of adventure and intrigue, Danielle must forge the trio into a team if they're to rescue her prince and survive the machinations of a foe far deadlier than her stepsisters.

Princess Matching Game

When the daring mermaid princess, Ariel, rescues the human Prince Eric from drowning, she falls in love with him. The little mermaid trades her voice to the scheming sea witch, Ursula, for the chance to become human. Unless Eric falls in love with Ariel in three days, she will become Ursula's captive forever! Experience the enchanting fairy tale with this beautifully illustrated storybook that features all new artwork, voices of the beloved characters from the award-winning film and thrilling sound effects!

Disney Manga: Kilala Princess, Volume 1 TOKYOPOP

Peggy Orenstein, acclaimed author of the groundbreaking New York Times bestsellers *Girls & Sex* and *Schoolgirls*, offers a radical, timely wake-up call for parents, revealing the dark side of a pretty and pink culture confronting girls at every turn as they grow into adults. Sweet and sassy or predatory and hardened, sexualized girlhood influences our daughters from infancy onward, telling them that how a girl looks matters more than who

she is. Somewhere between the exhilarating rise of Girl Power in the 1990s and today, the pursuit of physical perfection has been recast as the source of female empowerment. And commercialization has spread the message faster and farther, reaching girls at ever-younger ages. But how dangerous is pink and pretty, anyway? Being a princess is just make-believe; eventually they grow out of it . . . or do they? In search of answers, Peggy Orenstein visited Disneyland, trolled American Girl Place, and met parents of beauty-pageant preschoolers tricked out like Vegas showgirls. The stakes turn out to be higher than she ever imagined. From premature sexualization to the risk of depression to rising rates of narcissism, the potential negative impact of this new girlie-girl culture is undeniable—yet armed with awareness and recognition, parents can effectively counterbalance its influence in their daughters' lives.

Until You (Prequel to The Renegades Series) Schwartz & Wade

Opera was and still is one of the oldest forms of entertainment. It's been around longer than any other art form known to mankind, longer than radio, the internet, video games, television and even movies. It's an art form in which singers and musicians perform a dramatic work combining a script called a libretto and musical score, usually in a theatrical setting. Opera incorporates music, singing, scenery, costumes and sometimes dancing. Some operas have spoken dialogue called a Singspiel in which the singers talk between songs aka arias. Other operas have a singing style called a Recitative in which the singers imitate spoken dialogue by singing their lines instead of talking.

Happily Ever Island Harper Collins

Featuring your favorite Disney characters, these bestselling storybook collections have been completely redesigned with all new covers, gilded pages, newly edited text, and a classic new look with over 250 illustrations—including full-page artwork from the Disney archives. /DIV DIVJoin your favorite Disney Princesses and their friends in this newly reworked collection. Disney Princess: My Side of the Story - Sleeping Beauty/Maleficent - Book #4 Jim C. Hines

Fans of Beautiful Disaster will devour Diana Peterfreund's Ivy League novels—Secret Society Girl, Under the Rose, Rites of Spring (Break), and Tap & Gown. At an elite university, Amy Haskel has been initiated into the country's most notorious secret society. But in this power-hungry world where new blood is at the mercy of old money, hooking up with the wrong people could be fatal. The countdown to Amy's graduation has begun, and suddenly the perfect ending to a perfectly iconoclastic college career is slipping from her grasp. Her new boyfriend is considering an offer he can't refuse, while Amy hasn't even filed her fellowship applications. And the young woman she's chosen to take her place in Rose & Grave seems to come complete with a secret life already intact. Lunging toward real life in the world beyond the hallowed halls of Eli University, Amy finds trouble around every corner, from society intrigues and unlikely stalkers to former flames and mandatory science credits. Surely it couldn't get worse . . . until Initiation Night explodes into a terrifying scene and into a final test of wits for a young woman just trying to make it out of the Ivy League in one piece.

Disney Princess: Hide-and-Seek Castle Magic Xlibris Corporation
And that story about Maleficent putting a dreadful curse on baby Aurora? Maleficent insists that as CEO of E.V.I.L. enterprises, she was only trying to offer the little princess an internship at her textile mill. Maleficent knew the little princess wouldn't get by on the gifts of beauty and song. A good work ethic-now, that's priceless! Who's telling the truth? You decide!

Princesses Behaving Badly All I've Never Wanted

Until You is a short, sweet and sexy read about falling in love and healing old wounds. It is a prequel in The Renegades Series about Sam Morris and Trina Kidd. Trina never imagined she'd end up in bed with a hot surfer dude when she set out for a quiet getaway from the chaos that was her life. Her family meant well, but they were smothering her. She needed to get away. The beach was her escape. It was her retreat away from the mess her life had become. Being there did something magical to her. It slowed her pulse, it captivated her senses, it took away all her stress. The soft lapping of the waves, the heat of the sun and the welcoming sand molding around her feet; it was her paradise. Her drop dead gorgeous neighbor wasn't too bad either. Dirty blond hair, sparkling blue eyes and a panty dropping smile. That sexy smile made her feel like a nervous schoolgirl. Being close to him was the first she had felt alive in a long time. Her life has been hell the past year. She felt fortunate to come out the other side unscathed. Now it was time for her to take time and regroup. One night with Sam was a perfect distraction. A distraction that she needed more than she knew. Trina found herself wrapped up in his charm and good looks. He was handsome and genuine in every way that she needed right now. He was an adventure that she desperately needed in her life. Unfortunately, her personal demons threatened to keep her from true happiness. It might be

time for her and her dog Toby to run again. Sam was a professional hockey player from the west coast. He had a rough season riddled with injuries and couldn't shake the stink of not even coming close to being in the playoffs. He needed to get away. He needed to clear his head before he embarked on a summer of family obligations. Hiding out on the east coast with his dog sounded like a good place to start. A nice quiet, peaceful beach vacation. Until he met Trina. The moment he laid eyes on her he was smitten. Sam hadn't crushed on a girl like this since junior high. That one night changed everything. He knew what his life had been missing: her. Trina was more than one night stand material. She was a woman that deserved love and devotion. He wanted to give that to her and wasn't going to leave without her.

Catastrophe Magnet Simon and Schuster

These 30 true stories of take-charge princesses from around the world and throughout history offer a different kind of bedtime story . . . Pop history meets a funny, feminist point-of-view in these illustrated tales of "royal terrors who make modern gossip queens seem as demure as Snow White" (New York Post). You think you know her story. You've read the Brothers Grimm, you've watched the Disney cartoons, and you cheered as these virtuous women lived happily ever after. But real princesses didn't always get happy endings—and had very little in common with Cinderella, Sleeping Beauty, Belle, or Ariel. Featuring illustrations by Wicked cover artist, Douglas Smith, *Princesses Behaving Badly* tells the true stories of famous (Marie Antoinette; Lucrezia Borgia)—and some not-so-famous—princesses throughout history and around the world, including: • Princess Stephanie von Hohenlohe, a Nazi spy. • Empress Elisabeth of the Austro-Hungarian Empire, who slept wearing a mask of raw veal. • Princess Olga of Kiev, who slaughtered her way to sainthood. • Princess Lakshmi Bai, who waged war on the battlefield with her toddler strapped to her back. Some were villains, some were heroes, some were just plain crazy. But none of these princesses felt constrained to our notions of "lady-like" behavior.
