### **Tour Tempo** A&C Black

This impolite, aromatic, and incredibly erudite flatulence compendium will astound you with: • The recent discovery of the world's oldest joke, a proverb from the Old Babylonian period, that turned out to be—that's right, folks—a fart joke. • A new reading of Emily Dickinson's poetry that "reveals" the true meaning behind "They Have a Little Odor." • A harrowing account of Apollo astronauts getting inner-space gas from hydrogen bubbles in their drinking water on their way to the moon. • The other Tiger Woods scandal—this one involving a mysterious cheek-squeak recorded while Tiger sized up an approach shot at the 2009 Buick Open. • A scientist who built the world's biggest whoopee

cushion and lived to tell about it . . . . . and many more wacky but true tales from the fart historian who brought you the best-selling *Who Cut the Cheese?* and its combustible sequel, *Blame It on the Dog*. In this incomparable collection you'll experience firsthand the Jungian implications of farting, the environmental import of "flatulence cards" in the carbon-offset market, and the brutally honest social commentary of a man whose office chair broadcasts his farts on Twitter. After reading this book you'll proudly proclaim, "I fart, therefore I am."  
*Chasing Tiger* John Wiley & Sons  
 Enhanced with photos and illustrations, Novosel's clear, step-by-step method teaches golfers how to resynchronize their swings and play like a pro. An accompanying CD-ROM vividly illustrates the full swing sequence and features a calibrated soundtrack that readers can use

while practicing at a driving range or in their backyards.

### **One on One** Citadel Press

Written by a New York Times bestselling author and reporter detailing Tiger Woods's remarkable comeback and his journey back into winner's circle.  
*I'm Here To Win* Grand Central Publishing  
 To mark the anniversary of his historic win at the 1997 Masters, Tiger Woods will for the first time reflect on the record-setting win both on and off the course. In 1997, Tiger Woods was already among the most-watched and closely examined athletes in history. But it wasn't until the Masters Tournament that his career would definitively change forever. Woods, then only 21, won the Masters by a historic 12 shots, which remains the widest margin of victory in the tournament's history, making it an iconic moment for him and sports. Now, Woods is ready to explore his

history with the game, how it has changed over the years, and what it was like winning such an important event. With never-before-heard stories, this book will provide keen insight from one of the game's all-time greats.

Heroes Grand Central Publishing

All eat from the bowl of life. Tiger Woods just has a bigger spoon. So writes Curt Sampson in his ground-breaking account of the current state of golf. Tiger Woods has changed golf forever. His mix of power and skill combines with his extraordinary business savvy to make Woods the biggest global sports figure since Michael Jordan. Like Jordan, Woods' competitive signature is equal parts inspiration and intimidation. But what about the other guys? It's either catch up or give up for the rest of the golfing world, and in *Chasing Tiger* Curt Sampson exuberantly charts the state of the game as the new century unfolds. There are Duval and Mickelson and a host of other stars, of course, but there are also the junior golfers and their parents, corporate America, agents, instructors, fans, and the media. Just as he did in his controversial bestsellers *Hogan* and *The Masters*, Sampson digs deep to uncover stories that wouldn't otherwise be told. There's the golf course employee in Austin whose admiration for Woods leads him to spend every waking minute mimicking his hero (including the trademark pumping fist, only here it's on the practice green). There's the awestruck unemployed talk show host who stretches the bounds of good taste and hero worship with his Web site, [Tigerwoodsisgod.com](http://Tigerwoodsisgod.com). At the other end of the scale is Charles Howell III, skinny as a 2-iron, a up-and-coming player who has been tapped by Jack Nicklaus to be the next great challenge to Woods. Howell is the anti-Tiger: a man unfailingly friendly to fans and media, recently married, opinionated, and entirely lacking in caution, yet he struggles to earn enough money to make the Tour. Curt Sampson has written an affectionate yet wary account of one extraordinary man's impact on the world of sport. By turns moving, hilarious, and eye-opening, *Chasing Tiger* is a wonderful addition to the golf canon.

How I Play Golf Thomas Nelson

Boost your confidence, ace your interview, and get the job *Job Interviewing For Dummies* will teach you how to prepare for your next job interview, deal with tough questions, and gain the tools and skills to interview with confidence and poise. This book offers a structured, step-by-step approach for succeeding in virtual and in-person interviews. You'll find information, strategies, and examples to empower you

to present your best self to potential employers. Learn how to anticipate and prepare for the most likely questions, regardless of your level or industry, and be prepared for anything—an interview on short notice, explaining gaps on your resume, changing careers, and beyond. With examples and stories from the interview trenches, this friendly *Dummies* guide will help you breathe new life into your job search. Gain the poise you need to own the interview room (or the video chat) Brush up on your interview skills if you haven't done this in a while Come prepared with impressive answers and questions to ask Overcome common challenges like resume gaps This book is for anyone interested in finding a new job or helping others in their job search. With *Job Interviewing For Dummies*, be prepared to hear "yes" more often!

Bud, Sweat & Tees Penguin

NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming."-- *The New Yorker* "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." - *Chicago Sun-Times* "Every one of Trump's most disgusting qualities surfaces in golf." -- *The Ringer* An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about

winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man."

*Commander in Cheat* "paints a side-splitting portrait of a congenital cheater" (*Esquire*), revealing all kinds of unsightly truths Trump has been hiding.

Your 15th Club Ten Speed Press

Experience the thrill, twenty-five years later, of Steve Scott's epic finals match against Tiger Woods in the 1996 United States Amateur Championship! In August of '96, Steve Scott went head to head against Tiger Woods at Pumpkin Ridge Golf Club in the finals of the US Amateur Championship. Five thousand three hundred forty-five players whittled down to two. Scott found himself a surprising 5-up after the first 18, but at hole 35 Tiger squared the grueling match with an improbable 40-foot birdie putt. With the result coming down to the last hole, the difference in the outcome actually came earlier, when Scott reminded Woods to move his mark back to its rightful place on hole 34. Had Scott not done the morally correct thing, Tiger would have been penalized and, in turn, not have won three straight U.S. Amateur Championships (something not even the great Jack Nicklaus or legendary Bobby Jones had done), forever changing the course of Tiger's career and golf history. In *Hey, Tiger—You Need to Move Your Mark Back*, Scott teams up with esteemed storyteller Tripp Bowden to explain, twenty-five years later, what led to that life-changing moment and to describe, in his own words, the exhilaration of that '96 U. S. Amateur Championship and how it ultimately changed golf history and the two competitors' lives. Forever. *Hey Tiger—You Need to Move Your Mark Back* is a story for the ages for golf fans looking for an unlikely new perspective on the greatest game in the world.

Tiger's New Swing ECW Press

LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE 'Terrific fun' David Walsh, *Sunday Times* \* \*

'Thoroughly engaging' *Washington Post* A frank and revealing biography of legendary golf champion Phil Mickelson - who has led a big, controversial life - as reported by longtime *Sports Illustrated* writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at

the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw and unauthorised biography, Shipnuck captures a singular life defined by thrilling victories, crushing defeats and countless controversies. Mickelson is a multi-faceted character, and all his warring impulses are on display in these pages: he is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumours; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, yet as Tiger's career has been curtailed by scandal, addiction and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck delivers numerous revelations, from the true scale of Mickelson's massive gambling losses to the secretive backstory of the Saudi golf league that Mickelson championed. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years - full of heart, humour and unexpected turns.

**The Big Miss** St. Martin's Press

Starn examines the career of Tiger Woods, from child star to global sports celebrity. The author shows that the scandal following the revelation of Tiger's infidelities was like many similar media-generated scandals of recent years, and he brings an anthropologist's perspective to bear on Tigergate.

**True Stories, Well Told** Entrepreneur Press

"The definitive inside story of the New England Patriots dynasty"--

**Did Somebody Step on a Duck?** Simon and Schuster

Encounters with the enigmatic, troubled genius of golf: Moe Norman. Hall of Fame Journalist, Lorne Rubenstein investigates what made Moe such a unique character in golf. When Moe died he had won almost every title in Canada and was praised by Tiger Woods as one of the few players to 'own' his swing. Yet he failed to make an

impact on the wider world of golf, withdrawing from play at the Masters and crippled by insecurities and shyness. However he described himself as the 'happiest guy on two feet.' Rubenstein investigates the man behind the enigma.

**Tiger** Harry N. Abrams

It's 1999 and although Rich Beem has just been nominated for Rookie of the Year following his first ever victory, he's still just another golfer on the PGA Tour desperately trying to break out from Tiger's shadow. Alan Shipnuck takes us inside Beem's world, exploring the complex relationship with his faithful caddie, Steve Duplantis, from being arrested together for drink-driving at Carnoustie, all the way to glorious and unexpected victory at the 2002 PGA Championship. In *BUD, SWEAT & TEES* Alan Shipnuck takes a no-holds-barred look at modern professional golf. Through the unlikely partnership of golfer Rick Beem and his caddie Steve Duplantis, Shipnuck shows all the highs and lows, temptations and pitfalls that await all players on the Tour. Reminiscent of Lawrence Donegan's bestselling *FOUR-IRON IN THE SOUL* (Penguin), *BUD, SWEAT & TEES* is an exciting and often poignant book that will leave readers with an unforgettable insight into a unique relationship.

**Job Interviewing For Dummies** Simon & Schuster

For the first time, champion Tiger Woods reveals the five secrets to his amazing success - a combination of physical, metaphysical and psychological practices he uses daily to keep his game in top shape.

**My Shot** Little, Brown

The #1 New York Times bestseller that has all America talking: as seen/heard on CNN's Fareed Zakaria GPS, Morning Joe, CBS This Morning, The Bill Simmons Podcast, Rich Roll, and more. "The most important business—and parenting—book of the year." —Forbes "Urgent and important. . . an essential read for bosses, parents, coaches, and anyone who cares about improving performance." —Daniel H. Pink Shortlisted for the Financial Times/McKinsey Business Book of the Year Award Plenty of experts argue that anyone who wants to develop a skill, play an instrument, or lead their field should start early, focus intensely, and rack up as many hours of deliberate practice as possible. If you dabble or delay, you'll never catch up to the people who got a head start. But a closer look at research on the world's top performers, from professional athletes to Nobel laureates, shows that early specialization is the

exception, not the rule. David Epstein examined the world's most successful athletes, artists, musicians, inventors, forecasters and scientists. He discovered that in most fields—especially those that are complex and unpredictable—generalists, not specialists, are primed to excel. Generalists often find their path late, and they juggle many interests rather than focusing on one. They're also more creative, more agile, and able to make connections their more specialized peers can't see. Provocative, rigorous, and engrossing, *Range* makes a compelling case for actively cultivating inefficiency. Failing a test is the best way to learn. Frequent quitters end up with the most fulfilling careers. The most impactful inventors cross domains rather than deepening their knowledge in a single area. As experts silo themselves further while computers master more of the skills once reserved for highly focused humans, people who think broadly and embrace diverse experiences and perspectives will increasingly thrive.

**Commander in Cheat** Duke University Press

For years, "Golf Digests" monthly My Shot column has informed, entertained, and emotionally touched the magazines readers with its accounts of golfers lives and careers. Now, the best articles from those columns are gathered together in a single volume.

**The Rough Guide to Men's Health (2nd edition)** Hachette Books

Learn to avoid the #1 problem that plagues most online businesses—an under-performing website. The rise in online shopping has led countless entrepreneurs to jump on the e-commerce bandwagon—but despite their big dreams and hard work, most fail. This book shows them how to succeed in grabbing their piece of the e-commerce pie. Forgoing get-rich-quick hype for best practices and solid marketing principles, two world-class online marketers offer an unbeatable 12-step system that creates a profitable and sustainable online business. Hundreds of proven strategic and tactics, as well as dozens of time-saving web resources, help you jumpstart the process. The authors reveal the 10 most common e-commerce mistakes and offer fail-safe strategies for avoiding them. Innovative automation strategies save you time and money and help you create new streams of passive income. Featuring current technology—including Web 2.0 innovations, web conferencing, podcasts, blogging and more—this comprehensive manual puts website owners on the road to profitability.

**Range** Simon and Schuster

Creative nonfiction is the literary equivalent of jazz: it's a rich mix of flavors, ideas, voices, and techniques—some newly invented, and others as old as writing itself. This collection of 20 gripping, beautifully-written nonfiction narratives is as diverse as the genre Creative Nonfiction magazine has helped popularize. Contributions by Phillip Lopate, Brenda Miller, Carolyn Forché, Toi Derricotte, Lauren Slater and others draw inspiration from everything from healthcare to history, and from monarch butterflies to motherhood. Their stories shed light on how we live.

**Slaying the Tiger** Center Street

Charlie Sifford loved golf, but in the 1930's

only white people were allowed to play in the Professional Golf Association. Sifford had won plenty of Black tournaments, but he was determined to break the color barrier in the PGA. In 1960 he did, only to face discrimination from hotels that wouldn't rent him rooms and clubs that wouldn't let him use the same locker as the white players. But Sifford kept playing, becoming the first Black golfer to win a PGA tournament and eventually ranking among the greats in golf.

**Zen Putting** Simon and Schuster

John Feinstein's illuminating recollections from two decades of interviews with sports legends. John Feinstein's career is a sports fan's dream—a lifetime of encounters with the great figures in sports, not just on the field, but in the locker room and behind

the scenes with legends like Bob Knight, Dean Smith, Mike Krzyzewski, Jack Nicklaus, Tiger Woods, and John McEnroe. Since his days as a young Washington Post journalist, Feinstein has written twenty-eight books and countless magazine articles and newspaper columns, covering college basketball, golf, tennis, baseball, and very nearly every sport in between. He has told us of victory and defeat, of athletes and coaches we love—and love to hate. But some of his best stories have been left untold, until now. One on One is an incredible portal into the sports we love—from the box scores and the pageantry of game night and into the hard work and intensity that turn players and coaches into legends.
