In this thrilling novel in the #1 New York Times bestselling In Death series, Lieutenant Eve Dallas finds herself in the middle of a conspiracy when she investigates the disappearance of a former U.S. Senator. Just as Dennis Mira is about to confront his cousin Edward about selling the West Village brownstone that belonged to their grandfather, he gets a shock: Edward is in front of him, bruised and bloody...and then everything goes black. When Dennis comes to, Edward is gone. Luckily Dennis's wife is a top profiler for the NYPSD—and a close colleague of Lieutenant Eve Dallas. Now Eve is determined to uncover the secrets of Edward Mira and learn what enemies he may have made in his long career as a lawyer, judge, and senator. A badge and a billionaire husband can get you access to places others can't go, and Eve intends to shine some light on the dirty deals and dark motives behind the disappearance of a powerful man, the family discord over a multimillion-dollar piece of real estate...and a new case that no one saw coming.

**Law and Labor** Brotherhood of Murder  
The riveting true story of the rise and fall of Murder, Inc. and the executioner-turned-informant whose mysterious

death became a turning point in Mob history. In the fall of 1941, a momentous trial was underway that threatened to end the careers and lives of New York's most brutal mob kingpins. The lead witness, Abe Reles, had been a trusted executioner for Murder, Inc., the enforcement arm of a coast-to-coast mob network known as the Commission. But the man responsible for coolly silencing hundreds of informants was about to become the most talkative snitch of all. In exchange for police protection, Reles was prepared to rat out his murderous friends, from Albert Anastasia to Bugsy Siegel—but before he could testify, his shattered body was discovered on a rooftop outside his heavily-guarded hotel room. Was it a botched escape, or punishment for betraying the loyalty of the country's most powerful mobsters? Michael Cannell's *A Brotherhood Betrayed* traces the history of Murder, Inc. through Reles' rise from street punk to murder chieftain to stool pigeon, ending with his fateful death on a Coney Island rooftop. It resurrects a time when crime became organized crime: a world of money and power, depravity and corruption, street corner ambushes and elaborately choreographed hits by wise-cracking foot soldiers with names like Bugsy Goldstein and Tick Tock Tannenbaum. For a brief moment before World War II erupted, America fixated on the delicate balance of trust and betrayal on the Brooklyn streets. This is the story of the one man who tipped the balance.

J.R. Ward's # 1 New York Times bestselling Black Dagger Brotherhood continues as a royal bloodline is compromised by a grave threat to the throne. Long live the King... After turning his back on the throne for centuries, Wrath, son of Wrath, finally assumed his father's mantle--with the help of his beloved mate. But the crown sets heavily on his head. As the war with the Lessening Society rages on, and the threat from the Band of Bastards truly hits home, he is forced to make choices that put everything--and everyone--at risk. Beth Randall thought she knew what she was getting into when she mated the last pure blooded vampire on the planet: An easy ride was not it. But when she decides she wants a child, she's unprepared for Wrath's response--or the distance it creates between them. The question is, will true love win out... or tortured legacy take over?

*The Middle East and South Asia*

2019-2020 Penguin

Fan favorite couple Rhage and Mary return in this gripping novel in the #1 New York Times bestselling Black Dagger Brotherhood series. Nothing is as it used to be for the Black Dagger Brotherhood. The slayers of the Lessening Society are stronger than ever, preying on human weakness to acquire more money, more weapons, more power. But as the Brotherhood readies for an all-out attack on them, one of their own fights a battle within himself... For Rhage—the Brother with the biggest appetites, but also the biggest heart—life was supposed to be perfect. Or at the very least, perfectly enjoyable. But he can't understand or control the panic and insecurity that plague him. Terrified, he must reassess his priorities after suffering a mortal injury. And the answer, when it comes to him, rocks his—and his beloved Mary's—world...

The most in-depth work in English on the most influential secret magic group of 20th-century Germany, the Fraternitas Saturni, or Brotherhood of Saturn •

Explores the history of the Order from its founding the late 1960s • Transcribes many rituals and practices in such detail that readers will be able to undertake their own experiential work • Examines the Order's teachings on cosmology, the Kabbalah, the Saturnian Sacraments, electrical magic, and sexual mysticism--the Yoga of the Dark Light • Includes biographies of prominent members, including founder Gregor A. Gregorius, Karl Spiesberger (Frater Eratus), and Albin Grau (Master Pacitius) The most influential magical group in Germany during the 20th century, the Fraternitas

Saturni, or Brotherhood of Saturn, is still the most active and important magical society in Germany today. But from its formal beginnings in 1926 in Weimar Berlin until around 1970 it was almost totally secret. Most of what is known about the Order in the English-speaking world is fragmentary and focuses exclusively on the sensational sex-magic practices and Luciferian tendencies of this magical lodge. Presenting the most in-depth work in English on the *Fraternitas Saturni*, Stephen Flowers examines the history of the Order from the mid-1920s to the late 1960s when the Order was fundamentally reformed. He details their path of initiation, secret doctrines, ritual practices, and magical formulas and offers biographies of the Order's most prominent members, including founder Gregor A. Gregorius, Karl Spiesberger (Frater Eratus), Albin Grau (Master Pacitius), and Franz Saettler (Dr. Musallam). Exploring the Brotherhood's guiding principles, he shows that at the heart of Saturnian ideology is the idea of Saturn-Gnosis: the interplay of opposing forces in the universe leading to the realization of the individual self as a god-like entity. He examines the Order's teachings on cosmology, the Kabbalah, the Saturnian Sacraments, electrical magic, sexo-cosmology, sex-magic rites, and sexual mysticism--the Yoga of the Dark Light--and transcribes many of their actual rituals and practices, including the highly controversial Gradus Pentalphae, in such detail that readers will be able to undertake their own experiential work. Explaining the meanings of all 33 grades of the Order, the author also looks at the infamous Freemasonic Order of the Golden Centurium, the cult of Adonism, the links between Thelema and the *Fraternitas Saturni*, and the rare

teachings of Master Pacitius (Albin Grau), the visual genius behind the film *Nosferatu*. He also includes rare reports by Aleister Crowley concerning his interaction with some of the forerunners to the Order and letters from the Order's founder, Gregor A. Gregorius, to the "Great Beast."

Brotherhood in Death: by J. D. Robb |

Conversation Starters A Brief Look Inside: Brotherhood in Death is J.D.

Robb's 42nd and newest novel in the In Death series featuring Lt. Eve Dallas. Dr. Dennis Mira storms over to his cousin Edward's home to confront him about a secret meeting to sell their grandfather's home in the upscale West Village. When he walks in the door he sees his cousin's battered and bleeding body sitting in a chair. Unfortunately, it's the last thing he sees before he's knocked unconscious with a blunt object. Dennis is married to Dr. Charlotte Mira, and Charlotte is a renowned profiler for the NYSPD and good friends with Lieutenant Eve Dallas. By the time Dennis regains consciousness and Charlotte and Eve reach the scene, Edward is gone... along with almost all evidence of a crime.

Entertainment Weekly calls *Brotherhood in Death* by J.D. Robb "Law and Order: SVU-in the future." It also received a 4.4/5 from Goodreads as well as a 4.5/5 from Barnes and Noble. EVERY GOOD

A chilling inside story of America's racist underground—the most heinous domestic terror group in our nation's history. Two courageous investigative

journalists deliver an insider's account of the "silent brotherhood"—the most dangerous radical-right hate group to surface since the Ku Klux Klan. They claim to be patriots, as American as apple pie, but they are this nation's deadly brotherhood—hate groups that package their alienation against the federal government under such names as the Aryan Nation, the Order, and other white supremacist militias. The group attracts seemingly average citizens with their call for pride in race, family, and religion and their mission to save white Christian America. They spout anti-black, anti-Semitic, neo-Nazi rhetoric, and their grievances have festered into full-blown paranoia and a call for an all-out race war. The Silent Brotherhood reveals in terrifying detail how the group became criminals and assassins in their effort to establish an Aryan homeland.

*The Labor Gazette*

This is the first in-depth study of the relationship between the Egyptian Muslim Brotherhood and its own members. Drawing on years of participant observation, extensive interviews, previously inaccessible organizational documents, and dozens of

memoirs and writings, the book provides an intimate portrayal of the recruitment and socialization of Brothers, the evolution of their intricate social networks, and the construction of the peculiar ideology that shapes their everyday practices. Drawing on his original research, Kandil reinterprets the Brotherhood's slow rise and rapid downfall from power in Egypt, and compares it to the Islamist subsidiaries it created and the varieties it inspired around the world. This timely book will be of great interest to students and scholars of the politics of the Middle East and to anyone who wants to understand the dramatic events unfolding in Egypt and elsewhere in the wake of the Arab uprisings.

In the shadows of the night in Caldwell, New York, there's a deadly war raging between vampires and their slayers. And there exists a secret band of brothers like no other—six vampire warriors, defenders of their race. And now, a dutiful twin must choose between two lives... Fiercely loyal to the Black Dagger Brotherhood, Phury has sacrificed himself for the good of the race, becoming the male responsible for keeping the Brotherhood's bloodlines alive. As Primale of the Chosen, he is to father the sons and daughters who will ensure that the traditions of the race survive and that there are warriors to fight those who want all vampires extinguished. As his first mate, the Chosen Cormia wants to win not only his body but his heart for herself- she sees the emotionally scarred male behind all his noble responsibility. But while the war with the Lessening Society grows more grim, and tragedy looms over the

Brotherhood's mansion, Phury must decide between duty and love.

Now a SHOWTIME Original Motion Picture starring William Baldwin, Kelly Lynch, and Peter Gallagher, Brotherhood of Murder chronicles the dramatic true story of Tom Martinez, a man who was undercover for the FBI in one of America's most dangerous white supremacist terrorist groups. Given the recent tragic hate-crime shootings, this classic non-fiction book is more relevant than ever. Growing up poor, white and angry on the mean streets of Philadelphia, Tom Martinez was ready for action. And he found it with Bob Mathews, founder of the most violent secret racist society in America, The Order. The charismatic Mathews was a leader Martinez could follow to hell and back. And he did - through counterfeiting, knowledge of bombings, robbery and murder, and, finally, horrified awareness. Martinez had been seduced by the rhetoric into a group whose racial hatred resulted in the largest armored car robbery in American history, and the killing of Denver talk-show host Alan Berg. Here is his riveting story: the vivid, harrowing details of life inside The Order, and how he regained his conscience and his manhood by going undercover for the FBI to bring the group down. Thomas Martinez has refused the security of the Witness Protection Program. To this day he journeys across the country, a marked man, risking his life to warn of the dangers of the neo-Nazi right. His extraordinary story packs the power of a first-rate thriller. But in America today, it is the bone-chilling truth. Updated for iUniverse.com by the author, this story
