*Warcraft: Of Blood and Honor* Simon and Schuster

A deathbed confession ignites a globe-spanning race for answers in this page-turning thriller described as *The Da Vinci Code* meets *The Bourne Identity*. "They didn't have to kill him...He never drank from the altar of bones." Cryptic dying words from a murdered homeless woman in present-day San Francisco unlock a long-buried secret that alters history. Now, a pair of ruthless assassins are sent to cut the few living "loose ends." And a young, resourceful woman on the run encounters a determined man with his own connected past and vengeful agenda. Forced to partner for survival and answers, a fast-paced and deadly game

of cat and mouse ensues, whisking the duo from the winding streets of Paris to the faded palaces of Budapest to the frozen lakes of Mongolia...where destiny, passion, and further betrayal await them. Jam-packed with pulse-pounding action and featuring a high-profile assassination, a doomed Hollywood legend, and guardians of an ancient religious icon housing a secret others will kill to possess, *The Altar of Bones* is certain to leave readers stunned and breathless.

**Altar of Bones** White Wolf Publishing

There he was, below the bridge, half-naked, eyes blazing. He had a pair of burning torches. He ran them back and forth across his skin. He sipped from a bottle, breathed across a torch, and fire and fumes leapt from his lips. The air was filled with the scent of paraffin. He breathed again, a great high spreading flag of fire. He glared. He roared like an animal. That summer, life had

seemed perfect for Bobby Burns. But now it's autumn and the winds of change are blowing hard. Bobby's dad is mysteriously ill. His new school is a cold and cruel place. And worse: nuclear war may be about to start. But Bobby has a wonder-working friend called Ailsa Spink. And he's found the fire-eater, a devil called McNulty. What can they do together on Bobby's beach? Is it possible to work miracles? Will they be able to transform the world? A stunning novel from the author of the modern children's classic *Skellig* - winner of the Carnegie Medal and the Whitbread Children's Book Award. David Almond is also winner of the 2010 Hans Christian Andersen award.

#### *Green Hills of Africa* Arms & Armour

New York Times bestselling and award-winning author Christie Golden brings Arthas the Lich King to life in the book *World of Warcraft* fans have been clamoring for. Author Christie Golden does for Arthas what she once did for the Orc Lord Thrall in the bestselling *World of Warcraft: Lord of the Clans* in another epic exploration of one of the key characters from the eleven-million subscriber massively multiplayer online role-playing game. *Arthas: Rise of the Lich King* reveals the true and thrilling story behind one of the *World of Warcraft* universe's most terrifying villains whose evil is legendary.

#### **Nouveau Dictionnaire Portatif Des Langues Françoise Et Angloise** Insight Editions

Blizzard Entertainment and Dark Horse Books are proud to present the third installment of their bestselling *World of Warcraft Chronicle* series! Like its predecessors, Volume III features beautiful full-color artwork by Peter Lee, Emily Chen, Stanton Feng, and other fan-favorite artists, as well as intricately detailed

maps and spot art by Joseph Lacroix. Bolster your knowledge of *World of Warcraft* lore with this striking third volume!

#### *NetLingo* Simon and Schuster

The #1 bestselling programming book is back with updated and expanded coverage of the newest release of *World of Warcraft* (*WoW*) is currently the world's largest massively multiplayer online role-playing game. The newest release, "*Wrath of the Lich King*," has created a demand for updated information on writing addons. This eagerly anticipated edition answers that request and is an essential reference for creating *WoW* addons. Written by a duo of authors who have each contributed a number of successful *WoW* addons, the book offers an overview of Lua and XML (the programming languages used to write addons) and includes coverage of specific pitfalls and common programming mistakes-and how to avoid them. Valuable examples show you detailed aspects of writing addons for *WoW* and demonstrate how to implement addon concepts such as variables, slash commands, secure templates, and more. *World of Warcraft* insiders share their techniques for writing addons for both the latest version of *WoW* as well as the new *Wrath of the Lich King* expansion set. Guides you through the specific nuances of the *WoW* API with the use of detailed examples. Discusses ways to distribute and host your *WoW* addons so others can download and use them. Explains how to respond to events, create frames, and use the *WoW* API to interact with the game. You'll be well on your way to creating exciting *WoW* addons with this comprehensive reference by your side. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

*World of Warcraft Chronicle* The Art of AnglingThe Goblin's SecretsIn order to succeed in World of Warcraft Classic, you will need a lot of gold. In addition to the thousands of gold you will spend on your spells, mounts, gear, enchantments, and respects, you will also need to consistently purchase large quantities of consumables and utility items to stay competitive in serious raiding/PvP. Without enough gold, you will always be outclassed by players who do have enough. However, accumulating gold is very difficult in World of Warcraft. By the time The Burning Crusade was about to launch, World of Warcraft (WoW) had 8 million active subscribers with likely millions more accounts that were created but stopped subscribing at some point. Out of the millions of players who played the game, there was not a single recorded instance of someone hitting the gold cap (~215,000 gold) on one character. This means it is more common for someone to be a billionaire in America (about 1 out of 600,000) than it is for someone to have 215,000 gold. This is why I have compiled the most comprehensive, optimal, and practical guide on gold making in World of Warcraft Classic. I played the original WoW through Wrath of the Lich King with a Hunter main and Druid alt and have played on 3 different vanilla WoW private servers where I have over 25 level 60 characters and amassed hundreds of thousands of gold among them. My love of the game evolved past raiding and PvPing and I became consumed by the economic PvP (competing against other goblins to earn more gold). With WoW Classic's release, I am happy to finally share everything I have learned about making gold. This book will cover the most optimal and practical strategies for gold making while discarding the less optimal ones that are often repeated in

popular guides. This book will also include resources such a full list of level appropriate mobs to grind while leveling, a full list of the most lucrative twink items in the level 19 and 29 brackets, a full list of the most lucrative BoE limited supply vendors to camp, a step by step action plan for the launch of Classic WoW and much much more. Sylvanas (World of Warcraft)

In the mist-shrouded haze of the past, the world of Azeroth teemed with wondrous creatures of every kind. Mysterious Elves and hardy Dwarves walked among tribes of Man in relative peace and harmony -- until the arrival of the demonic army known as the Burning Legion shattered the world's tranquility forever. Now Orcs, Dragons, Goblins, and Trolls all vie for supremacy over the scattered, warring kingdoms -- part of a grand, malevolent scheme that will determine the fate of the world of WARCRAFT Slave. Gladiator. Shaman. Warchief. The enigmatic Orc known as Thrall has been all of these. Raised from infancy by cruel human masters who sought to mold him into their perfect pawn, Thrall was driven by both the savagery in his heart and the cunning of his upbringing to pursue a destiny he was only beginning to understand -- to break his bondage and rediscover the ancient traditions of his people. Now the tumultuous tale of his life's journey -- a saga of honor, hatred, and hope -- can at last be told....

**Fish and how to Catch Them** Hachette Children's

For over a quarter of a century, Warcraft and World of Warcraft players have been treated to a treasure trove of artifacts, gear, weaponry, and trinkets of both awe and amusement. Now players can get an in-depth look at the items they have collected...and the fearsome powers they hold. From the shining towers of

Silvermoon to the sulfurous Blackrock Mountain to the white stone castles of Stormwind, the Eastern Kingdoms are vast and full of wonder. Every corner of the majestic isle contains countless stories, treasures, and more than a few secrets that some would prefer stay buried. Follow Spymaster Mathias Shaw and Captain Flynn Fairwind on an expedition across the Eastern Kingdoms for king and country as they chronicle its history and catalog the weapons, armor, and powers untold that are scattered across this sprawling dominion. Penned by New York Times bestselling author and Blizzard Entertainment writer Christie Golden, *Exploring Azeroth: The Eastern Kingdoms* is your first step on a truly remarkable journey across the beloved lands of Azeroth

*World of Warcraft: Arthas* Simon and Schuster

Grim Batol: its dark legacy stretches back into the mists of Azeroth's past. But most know it as the site of a terrible tragedy -- where the vile orcs corrupted the hatchlings of the noble Dragonqueen, Alexstrasza, and used them as weapons of war. Though a band of heroes, led by the enigmatic mage, Krasus, defeated the orcs and freed the captive dragons, the cursed mountain stands as another ravaged landmark within the...  
 WORLD OF WARCRAFT But now Krasus -- known to some as the red dragon Korialstrasz -- senses the malice of Grim Batol rising once more to threaten those he holds dear. Determined this time to confront this evil by himself, he is unaware of the quests that will draw others to Grim Batol and reveal the monstrous truth that could not only herald their deaths, but usher in a terrible new age of darkness and destruction.

**The Art of Angling** NetLingo Inc.

A surprising assessment of the ways that virtual worlds are entangled with human psychology

**Dragonfire** New Society Publishers

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

*World of Warcraft Bestiary* America's Test Kitchen

The *World of Warcraft Bestiary*, covering both the original *World of Warcraft* and *The Burning Crusade*, features over 6,000 entries all indexed for ease of use.

*Warcraft: Lord of the Clans* Random House Worlds

An all-new, official prequel novel to *The Battle for Azeroth*, Blizzard Entertainment's next expansion to the critically acclaimed *World of Warcraft*. In *Before the Storm*, Anduin Wrynn, king of Stormwind, and Sylvanas Windrunner, warchief of the Horde, are new to their positions of power, both ascending before

they were truly prepared. As the Alliance and the Horde struggle to recover from the devastating war with the demonic Burning Legion, a terrible discovery will test both leaders, threatening to reignite the bitter enmity between their factions and shake the very foundations of the world of Azeroth.

Warcraft BradyGames

"Contains the never-before-published prologue Charge of the Aspects by Matt Burns"--Cover.

World of Warcraft: Before the Storm Sword & Sorcery Studios

Traces the downfall of a beloved peacekeeper who is pushed to a breaking point by an inconceivable horror that changes her in irrevocable, ethics-testing ways.

Simon and Schuster

In her New York Times bestseller, *The Shattering*, Christie Golden delivers a sensational tie-in to the newest World of Warcraft game expansion. Thrall, wise shaman and the warchief of the Horde, has sensed a disturbing change... Long ago, Azeroth's destructive native elementals raged across the world until the benevolent titans imprisoned them within the Elemental Plane. Despite the titans' intervention, many elementals have ended up back on Azeroth. Over the ages, shaman like Thrall have communed with these spirits and, through patience and dedication, learned to soothe roaring infernos, bring rain to sun-scorched lands, and otherwise temper the elementals' ruinous influence on the world of Azeroth. Now Thrall has discovered that the elementals no longer heed the shaman's call. The link shared with these spirits has grown thin and frayed, as if Azeroth itself were under great duress. While Thrall seeks answers to what ails the confused elements, he also wrestles with the orcs' precarious

future as his people face dwindling supplies and growing hostility with their night elf neighbors. Meanwhile, King Varian Wrynn of Stormwind is considering violent action in response to mounting tensions between the Alliance and the Horde, a hard-line approach that threatens to alienate those closest to him, including his son, Anduin. The conflicted young prince has set out to find his own path, but in doing so, he risks becoming entangled in political instability that is setting the world on edge. The fate of Azeroth's great races is shrouded in a fog of uncertainty, and the erratic behavior of the elemental spirits, troubling though it is, may only be the first ominous warning sign of the cataclysm to come.

Though the young Warchief Thrall ended the demon curse that had plagued his people for generations, the orcs still wrestle with the sins of their bloody past. As the rampaging Horde, they waged a number of devastating wars against their perennial enemy -- the Alliance. Yet the rage and bloodlust that drove the orcs to destroy everything in their path nearly consumed them as well. Long ago, on the idyllic world of Draenor, the noble orc clans lived in relative peace with their enigmatic neighbors, the draenei. But the nefarious agents of the Burning Legion had other plans for both of the unsuspecting races. The demon-lord Kil'jaeden set in motion a dark chain of events that would succeed not only in eradicating the draenei, but forging the orc clans into an single, unstoppable juggernaut of hatred and destruction.
