Dialogues Seneca - Seneca's dialogues--as his epistolary essays have traditionally been known--offer an ideal path into the philosophical thought of first-century Rome's most famous Stoic, whose compelled suicide in 65 CE (by order of his former pupil Emperor Nero) drew comparisons to the death of Socrates. Notable for, among other things, their portrait of a providential universe and defense of the life of virtue, the nine dialogues included in this volume illustrate the deeply intertwined cosmological and moral arguments of ancient Rome's chief philosophical alternative to Epicureanism and Academic Skepticism. Peter J. Anderson's new translation conveys the distinctive character of Seneca's style, while striving for accuracy and consistency in its renderings of key terms. His Introduction discusses the dialogues as works of art and situates them in the context of ancient Stoic philosophy as well as the wider philosophical scene

The Significance of Interpersonal Forgiveness in the Gospel of Matthew Penguin

This volume offers clear and forceful contemporary translations of the most important of Seneca's 'Moral Essays': On Anger, On Mercy, On the Private Life and the first four books of On Favours. They give an attractive, full picture of the social and moral outlook of an ancient Stoic thinker intimately involved in the governance of the Roman empire in the mid first century of the Christian era. A general introduction describes Seneca's life and career and explains the fundamental ideas underlying the Stoic moral, social and political philosophy that informs the essays. Individual introductions, footnotes and biographical notes place the essays in their historical and philosophical contexts, and further assistance to students is provided by section headings in the translations which organize the principal transitions in the argument and the more unfamiliar aspects of Seneca's writing.

A Manual of French Literature Cambridge University Press

Seneca the Younger was a statesman and philosopher who lived in Rome around the dawn of the Common Era. Though he wrote a large amount of tragedies and other works, today he's perhaps best known for his writing on Stoic philosophy and principles. Seneca didn't write books about Stoicism; rather, he composed essays and sent letters over the course of his lifetime that addressed that philosophy. Since these essays and letters are addressed to his friends and contemporaries, they're written in a conversational style, and thus referred to as his "Dialogues." Some were written to friends on the death of their loved ones, in an effort to console and comfort them. Others were

written to help friends with their personality flaws, like anger. One, "On Clemency," was addressed to the emperor Nero as an effort to guide him on the path of good statesmanship. This collection contains all of his dialogues, including the longer "On Benefits." This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Plaire Et Instruire Cambridge University Press

This collection covers the lyrical poetry of Mary Shelley, as well as her writings for Lardner's "Cabinet Cyclopaedia of Biography" and some other materials only recently attributed to her.

Ancient Rome Scholastic Inc.

New translations of significant political writings of Seneca, the most important Stoic philosopher.

Mockingjay (Hunger Games, Book Three) Delphi Classics

This volume includes essays on sixteenth- and seventeenth-century plays, poems, novels, essays, and tales, such as Moliere's "comedies-ballets" and "Le Tartuffe"; Corneille's "Cinna" and "Rodogune"; Racine's "Phedre"; D'Aubigne's "Les Tragiques"; Montaigne's "Essais"; and Perrault's "Contes," and other works. Among the contributors are Claude Abraham, Laurent Romero, G. Mallary Masters, Stephen Murphy, Nigel Smith, Timothy Eastridge, and Nancy McElveen."

The Oxford Magazine Cambridge University Press

"Isaac Mbabazi makes a major contribution to the field of New Testament by arguing that the relevant Matthean theme of interpersonal forgiveness is quite central to the first Gospel. In The Significance of Interpersonal Forgiveness in the Gospel of Matthew, he delineates five sets of evidence in support of his argument. Beginning with a survey of all Matthean forgiveness and forgiveness-related texts, he then carries out an in-depth exegesis of two key Matthean texts in which the idea of interpersonal forgiveness is explicit. Discourse analysis informs his discussion, offering valuable insight into Matthew's point of view. Mbabazi notes that the forgiveness pattern that emerges from contemporary Greco-Roman literature differs remarkably from the pattern found in Matthew, where granting forgiveness appears not only as a reasonable act, but reluctance or failure to grant it makes the unforgiving person accountable to God."

Peter Lang Pub Incorporated

Michel de Montaigne was one of the most influential figures of the Renaissance, singlehandedly responsible for popularising the essay as a literary form. This Penguin Classics edition of The Complete Essays is translated from the French and edited with an introduction and notes by M.A. Screech. In 1572 Montaigne retired to his estates in order to devote himself to leisure, reading and reflection. There he wrote his constantly expanding 'assays', inspired by the ideas he found in books contained in his library and from his own experience. He discusses subjects as diverse as war-horses and cannibals, poetry and politics, sex and religion, love and friendship, ecstasy and experience. But, above all, Montaigne studied himself as a way of drawing out his own inner nature and that of men and women in general. The Essays are among the most idiosyncratic and personal works in all literature and provide an engaging insight into a wise Renaissance mind, continuing to give pleasure and enlightenment to modern readers. With its extensive introduction and notes, M.A. Screech's

edition of Montaigne is widely regarded as the most distinguished of recent times. Michel de Montaigne (1533-1586) studied law and spent a number of years working as a counsellor before devoting his life to reading, writing and reflection. If you enjoyed The Complete Essays, you might like Francois Rabelais's Gargantua and Pantagruel, also available in Penguin Classics. 'Screech's fine version ... must surely serve as the definitive English Montaigne' A.C. Grayling, Financial Times 'A superb edition' Nicholas Wollaston, Observer

Seneca: De Clementia Standard Ebooks

Soon after Nero's accession in 54 CE, his tutor, the philosopher Seneca, addressed to his young pupil an essay called De Clementia in which he offered advice on how to behave in his new role. This is the first full philological edition of the De Clementia in English. It includes the text with apparatus criticus, a new translation, a substantial introduction, and detailed commentary on matters of textual criticism, literary criticism and issues of socio-political, historical, cultural, and philosophical significance. The notes illuminate Seneca's language and thought through extensive citation of parallel passages from his other writings, from those of other imperial Latin authors, and from other relevant texts. The introduction includes discussion of Seneca's life, relationship with Nero, writings, and philosophy; the date, genre, scope, structure, and argument of De Clementia; the concept of clementia; kingship theory in Greek literature and Republican Rome; and the work's afterlife and influence.

'Then fall, Caesar!' -- Talking tyrannicide -- Caesar's murdered heirs -- Aftershocks.

Seneca's Morals by Way of Abstract. To which is Added, a Discourse, Under the Title of An After-thought. By Sir Roger L'Estrange, Knt. The Ninth Edition Rookwood Press

In this book, eminent scholars of classical antiquity and ancient and medieval Judaism and Christianity explore the nature and place of forgiveness in the pre-modern Western world. They discuss whether the concept of forgiveness, as it is often understood today, was absent, or at all events more restricted in scope than has been commonly supposed, and what related ideas (such as clemency or reconciliation) may have taken the place of forgiveness. An introductory chapter reviews the conceptual territory of forgiveness and illuminates the potential breadth of the idea, enumerating the important questions a theory of the subject should explore. The following chapters examine forgiveness in the contexts of classical Greece and Rome; the Hebrew Bible, the Talmud, and Moses Maimonides; and the New Testament, the Church Fathers, and Thomas Aquinas.

Mary Shelley's Literary Lives and Other Writings, Volume 2 Cambridge University Press

This volume compiles three of Corneille's most lauded plays: The Cid, Corneille's masterpiece set in medieval Spain, was the first great work of French classical drama; Cinna, written three years later in 1641, is a tense political drama; and The Theatrical Illusion, an earlier work, is reminiscent of Shakespeare's exuberant comedies. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Et Tu, Brute? University of Chicago Press

Lucius Annaeus Seneca (4 BCE–65 CE) was a Roman Stoic philosopher, dramatist, statesman, and adviser to the emperor Nero, all during the Silver Age of Latin literature. The Complete Works of Lucius Annaeus Seneca is a fresh and compelling series of new English-language translations of his works in eight accessible volumes. Edited by world-renowned classicists Elizabeth Asmis, Shadi Bartsch, and Martha C. Nussbaum, this engaging collection restores Seneca—whose works have been highly praised by modern authors from Desiderius Erasmus to Ralph Waldo Emerson—to his rightful place among the classical writers most widely studied in the humanities. Anger, Mercy,

Revenge comprises three key writings: the moral essays On Anger and On Clemency—which were penned as advice for the then young emperor, Nero—and the Apocolocyntosis, a brilliant satire lampooning the end of the reign of Claudius. Friend and tutor, as well as philosopher, Seneca welcomed the age of Nero in tones alternately serious, poetic, and comic—making Anger, Mercy, Revenge a work just as complicated, astute, and ambitious as its author.
