The Ultimate Sacrifice
 Osho International
 The book you hold in
 your hand or you are
 just ordering from an
 online store is a unique
 book. It is the first book
 by the contemporary
 mystic Osho. At the
 beginning of his public
 life, Osho who is at that
 time a professor of
 philosophy at Jabalpur
 University, introduces
 people to a new and
 unique understanding
 of meditation during

experiential meditation
 camps. He speaks to
 the participants and
 responds to questions.
 This book is the first
 published records of
 Osho's first meditation
 camp in Rajasthan,
 India. In fifteen small
 chapters he gives a
 condensed
 presentation of his
 understanding of
 meditation which he
 then elaborates in
 many more talks and
 publications - but the
 essential message is
 already available in
 this book. Osho speaks
 to the individual, not to
 a collective, not the
 abstract collective of
 humanity, or a
 collective defined by
 religion or nationality
 or race but to
 individuals as the core
 element of existence.
 We used one of his
 opening comments as
 a longer quote on the

front cover of the book as it seem so important "The individual is the unit of the whole and it is through him that both evolution and revolution can take place. You are that unit." Osho, mentions this book on several occasions in his later talks. When the second prime minister of India traveled to Russia, a copy of The Perfect Way was with him. And when someone in contact with Osho at the age of ninety stumbled upon The Perfect Way, he commented, "All my learning of the scriptures was futile, only this small book is enough." In The Perfect Way the reader meets a human being who knows, but who also knows how to convey what he knows. His genius in full flight, he

points us as far as one can with words toward the inner world of the self, toward the zone of silence. What starts on a hot summer day in the early 1960's will prove to be the first seed of a revolutionary experiment in the flowering of human consciousness - one which will eventually transform the lives of millions of people all over the world. "To be without thoughts is meditation," Osho says. "When there are no thoughts, it is then we come to know the one hidden by our thoughts. When there are no clouds, the blue sky is revealed." This book is page after page of blue sky.

Report of Cases Argued and Determined in the Supreme Court of Alabama

Betrayal is worse than slaughter. That's what Antonio Ameen Felder always instilled in his friends. When a murder at the prison threatens to incarcerate them all for life, one man decides to sacrifice himself to free the others. All he asks in return is for his family to be taken care of. Luther Khadafi Fuller is the leader of the recently freed trio. He takes his two friends Boo and Umar on a ride they will never forget through the streets of DC. Take a ride with these three men as they make love and money, while trying not to forget the man they left behind.

When one wrong move causes things to spiral out of control, can their bond survive the viciousness of the streets? Will their lives be spared? Or will their promises to each other be forgotten? The Ultimate Sacrifice is a story of love, life, money, sex, betrayal and murder. This is a page turner that you won't be able to put down.
