Catalyst of Love Blooming Twig Books

This is my second collection of poems that are a mixture of experiences in South Africa and returning to the United Kingdom twice to visit my elderly mother and aunt. Eventually, they both had to go into care homes. My mother had senile dementia, and my aunt had arthritis and memory failure. I gave them Reiki healing, which eased their pain and renewed their energy levels. Writing these poems helped me come to terms with the sadness associated with aging but also making the best of it. I pray this book may uplift and encourage others going through the many

trials of life.

As our companions through the current spiritual Awakening, Jesus, the archangels, and other spiritual teachers have gathered as the High Council and now share with us in Love's Curriculum their messages of enlightenment. These Divine messages have a clear goal: To awaken us to the Love that connects all. You hold in your hands the High Council's gift to you—a guidebook for this journey. Through Divine grace and enormous trust, Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three, to spiritual counselor and intuitive, to learn of her soul's assignment to scribe Love's Curriculum for the High Council and bring forth their messages to the world. It is with great humility, courage, and gratitude that she has done just this.

Now, it is your turn. Let Love's Curriculum gently awaken within you the memory of Love as you uncover your soul's Divine purpose. Let it guide you to ignite Love in the world. The time has come to join in the Awakening. "We wish for you to read Love's Curriculum. Within its pages you will find the Bounty of Love and Light to which you have been called—for which you have been dreaming and desiring to fill within you the void. Within its pages are the answers contained, the magic brought forth, the truth illuminated, for all to hear and see. Let Love's Curriculum help you on your journey to awaken to Love. It is time." —The High Council

You are a loving person, and you love kids. But what is love, exactly, by your definition? Have you ever really thought about it? Is love simply some warm "fuzzy" that you've been taught to express with three little words? Or is it much more than that? And

how would you describe it? Have you explored any of the beliefs, the rote script comments, the auto-responses, the unquestioned systems, all the “that’s just the way it is” programs, the generational patterns, the inconsistent behaviors that send mixed messages, and the copy-and-paste words and attitudes that you inadvertently share with kids? And have you intentionally worked to raise the frequency of your own lovelight, revealing and healing any parts of you that may affect the energy, and thus, the growth, brilliance and resilience of children in your care? Come. Let’s explore and train our hearts to see through the lens of love to make the necessary adjustments to our programming. Let’s shine the light on and disrupt the old ways of thinking and behaving that have created the undesirable, inequitable energies of the collective consciousness and the current systems. With that light, we can heal, change, grow and create a brighter, new environment for the kids, with the kids, preserving and maintaining the strength of our inherent lovelights.
