In 1984 the first edition of the British Army Guide was published and in September 2015 the 13th edition will be on sale. This invaluable information resource which deals with all aspects of British Army organisation, recruitment and training has been extremely popular with service personnel, the defence industry, military libraries and other groups who are interested in the British Army worldwide. Copies can be seen on desks throughout the UK Ministry of Defence and it would be fair to say that almost every foreign defence attache in London has a copy in his briefcase. Chapters include a Defence Overview; Army Organisation; International Commitments; Armour, Infantry, Artillery, Army Aviation, Engineers, Communications and Combat Service Support; Units of the Army; Recruiting and Training; Reserve Forces plus a final Miscellaneous Chapter which deals with a number of items essential to understanding How the British Army functions on a daily basis. Lavishly illustrated throughout there is no comparable publication available on the market.

**A Woman's Guide to Claiming Space** Philip Allan

As featured in Budget Savvy Two out-of-shape women became fit for life and best friends by exercising together, now you -- and a chosen friend -- can too!

Thestreet.com Ratings

The Malaysian Writers Society presents a decade of quality short stories in The Best of Malaysian Short Fiction in English 2010–2020. A wish for better weather has unexpected consequences. A pianist finds an unlikely audience in her next-door neighbour. A girl attempts Mount Kinabalu only to regret it. Curated by editors Zhui Ning Chang and JY Tan, The Best of Malaysian Short Fiction in English 2010–2020 spans the speculative and realist to thrillers and drama. It explores the bold new directions of contemporary Malaysian writing and hints at the new heights of our future national

literature. The Best of Malaysian Short Fiction in English 2010–2020 includes: Hugo Award winner Zen Cho; 2019 Commonwealth Short Story Prize Regional Winner Saras Manickam; Fixi Novo Contest winners Terence Toh and Chua Kok Yee; and USA Today bestselling author Cassandra Khaw.

This comprehensive compendium highlights the practical side in the design of the coastal rubble mound structures. All basic rubble mound structural elements with various special features or arrangements are discussed and presented with guidelines to the best practices. A unique feature of this book offers insight into practical constraints and problems. A variety of practical designs and construction examples are elucidated to most common issues faced in the design with extensive discussions on what influences the selection of the proper solution. It is an essential aid to take the design a step further, from basic to a professional level. This useful reference benefits coastal engineers in general, design consultants, construction engineers or anyone carrying out supervision and inspection work. Related Link(s)

Whether you're a first-time backpacker, an occasional weekend warrior, or a seasoned long-distance trekker, this guide is a must for any backpacking, hiking, or camping trip. Supreme long-distance hiker Andrew Skurka—accomplished adventure athlete, speaker, guide, and writer—shares his knowledge in this essential guide to backpacking gear and skills. Skurka recounts what he's learned from more than 30,000 miles of long-distance hikes, including the Appalachian, Pacific Crest, and Continental Divide Trails, and the 4,700-mile Alaska-Yukon Expedition. A show-and-tell guide to clothing, footwear, backpacks, shelter and sleep systems, camp stoves, and more, as well as tips on foot care, campsite selection, and hiking efficiency, this single book contains all the knowledge you'll need to hit the trail. This second edition features 16 new pages (including food on the trail and other essentials), and updates all gear recommendations.

“Finally—a fitness book for the rest of us! . . . [Big Fit Girl] is sure to usher in a new generation of tough, curvy athletes.” —Jessamyn Stanley, author of Every Body Yoga In Big Fit Girl, Louise Green describes how the fitness industry fails to meet the needs of plus-size women and thus prevents

them from improving their health and fitness. By telling her own story of how she stopped dieting, got off the couch, and unleashed her inner athlete—as well as showcasing similar stories from other women—Green inspires other plus-size women to do the same. Green also provides concrete advice, based on the latest research, about how to get started, how to establish a support team, how to choose an activity, what kind of clothing and gear work best for the plus-size athlete, how to set goals, and how to improve one's relationship with food. And she stresses the importance of paying it forward—for it is only by seeing plus-size women in leadership roles that other plus-size women will be motivated to stop trying to lose weight and get fit instead. "Big Fit Girl impressed me tremendously. Green combines compelling storytelling with practical tips—true to what we know about science—in a unique way that will get you moving." —Linda Bacon, PhD, scientist, and author of *Health at Every Size* "Inspiring and empowering." —Taryn Brumfitt, producer and director, founder of the Body Image Movement "I'm thrilled to live in a world where Big Fit Girl will be part of the health section. Thank you Louise—it's time for every person of every size to have access to this information!" —Jes Baker, *The Militant Baker*

A visual, strategic, inspirational, and user-friendly checklist to help firms & entrepreneurs (business-to-business, business-to-consumer, & non-profits) innovate for strategic growth more methodically, completely, and creatively. Includes a framework, several exercises, and over 1100 categorized innovation examples from a wide range of industries and countries. The cutting-edge examples will inspire new product and service developers, and marketing executives seeking to make their marketing tactics more innovative and effective. The last chapter is a guide for executives, start-ups, and professors to teach innovation to employees and graduate students in a variety of fields.

*Winning Results with Google AdWords, Second Edition* National Geographic Books

For too long, women have been told to confine themselves—physically, socially, and emotionally. Eliza VanCort says now is the time for women to stand tall, raise their voices, and claim their space. Women fight the pressure to make themselves small in private, professional, and public spaces. VanCort, a teacher, consultant, and speaker, provides the necessary tools for women to rewrite the rules and create the stories of their choosing safely and without apology. VanCort identifies the five key behaviors of all Space-Claiming Queens: use your voice and posture to project confidence and power, end self-sabotage, forge connections, neutralize unsafe spaces, and unite across differences.

Through personal narrative, research, and actionable strategies, VanCort provides how-tos on combating challenges, such as antimentors and microaggressions, and gives advice for building up your old girls club, asking for what you're worth, and owning your space without apology. Bold, fun, and enlightening, this book is birthed from VanCort's incredible story. Having a mother with schizophrenia forced VanCort to learn to be small and invisible at an early age, and suffering a traumatic brain injury as an adult required her to rethink communication from the ground up. Drawing on these experiences, and those of real women everywhere, VanCort empowers women to claim space for themselves and for their sisters with courage, empathy, and conviction because when we rise together, we rise so much higher.

*The Safe and Sane Guide to Teenage Plastic Surgery*, by Dr. Frederick N. Lukash, is the only complete guide to this ever-expanding phenomenon. Written by the American Society of Plastic Surgery's acknowledged expert and official media spokesperson on pediatric and adolescent plastic surgery, this book answers those tough questions parents of potential teenage plastic surgery candidates have: Will surgery increase their child's self-esteem and help them fit in better? Or is it a dangerously easy solution to deeper issues? When is surgery right, and when is it not? Interviewed

in The New York Times and featured on Discovery Health among many other media outlets, Lukash guides families through every step of the process, from finding the perfect-fit doctor and applying for medical insurance to surgery and finally to recovery and a changed life. A virtual, free consultation with a renowned expert in the field, the book doesn't just offer easy solutions to teen's body-image problems but helps parents understand the emotional, psychological and social

dilemmas involved. Complete with action plans, real-life stories and pictures, The Safe and Sane Guide to Teenage Plastic Surgery offers advice on what can, can't and shouldn't be done--and on how to spot the doctors who will exploit a teen's fragile sense of self-esteem as well as his or her parent's pocketbook. Most important, Lukash provides a useful red light/yellow light/green light guide for considering teen plastic surgery.
