This makes it the most accurate guide as it's the only one with access to last-minute changes and information for the next year. Full colour throughout.

The Smitten Kitchen Cookbook

National Geographic Books

School Library Journal Best Books of 2011 Eureka! Silver Honor

Books—California Reading Association Capitol Choices 2012 list of Noteworthy Titles for Children and Teens 2012 Notable Children's Books—ALSC The new National Geographic Treasury of Greek Mythology offers timeless stories of Greek myths in a beautiful new volume. Brought to life with lyrical text by award-winning author Donna Jo Napoli and stunning artwork by award-winning illustrator Christina Balit, the tales of gods and goddesses such as Zeus, Aphrodite, Apollo, and Athena and heroes and monsters such as Helen of Troy, Perseus, and Medusa will fascinate and engage children's imaginations. National Geographic completes the book with embellishments of each story: sidebars for each god, goddess, hero, and monster link the myths to

constellations, geography, history, and culture to help young readers connect the stories to real life events, people, and places. A family tree and a “cast of characters” profile page help make relationships between the characters clear, and a mapping feature adds to the fun and fascination. Resource notes and ample back matter directing readers to more information round out this luminous book. Sure to dazzle all those intrigued with the fantastic tales of Greek mythology and enchant new readers, this vibrant book will soon become a family keepsake. National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information.

A community of quirky, mismatched, and endearing women struggle to find meaning and purpose on a ramshackle monastery in upstate New York. Having spent their lives in service to a church that seems to no longer serve them, they are confused about their own futures and the future of the entire monastery. Led by Mike, the practical no-nonsense prioress, and Augusta, the grand ancient mystic hermit, they are joined by Gemma, a self-punishing novice, and Arielle, a firebrand jailhouse conversion who was sent there out of rehab by a "sort of angel." The personalities, commitments, philosophies and beliefs of these and all the characters conflict and converge in ways at once perilous and enlightening. Throughout the tempestuous journey,

Augusta's magical sacred teas draw the inevitable closer and closer. Mystic Tea is a contemporary love story between young and old, franchised and disenfranchised, pedestrian and mystic. Most of all, it is a story of female empowerment as the women find the courage to confront epic challenges, creating a surprising future from the oppressive ashes of the past. It will make you smile as much as it will make you think.

Remove the Mess, Add Meaning
Simplicity isn't about what you give up.
It's about what you gain. When you
remove the things that don't matter to
you, you are free to focus on only the

things that are meaningful to you. Imagine your home, your time, your finances, and your belongings all filling you with positive energy and helping you achieve your dreams. It can happen, and Organized Simplicity can show you how. Inside you'll find:

- A simple, ten-day plan that shows you step-by-step how to organize every room in your home
- Ideas for creating a family purpose statement to help you identify what to keep and what to remove from your life
- Templates for a home management notebook to help you effectively and efficiently take care of daily, weekly and monthly tasks
- Recipes for non-toxic household cleaners and natural toiletry items including toothpaste, deodorant and shampoo

Start living a more organized, intentional life today.

Birnbaum's Walt Disney World Without Kids 2000 Hachette UK

Elin's family has an important responsibility: caring for the fearsome water serpents that form the core of their kingdom's army. So when some of the creatures mysteriously die, Elin's mother is sentenced to death as punishment. With her last breath, she manages to send her daughter to safety. Alone and far from home, Elin soon discovers that she can communicate with both the terrifying water serpents and the majestic flying beasts that guard her queen. This skill gives her great power, but it also involves her in deadly plots that could cost her life. Can she save herself and prevent her beloved beasts from being used as tools of war? Or is there no escaping the terrible

battles to come?

Philadelphia, Guide to the City Faber & Faber

“This novel has all the funny banter and sexy feels you could want in a romantic comedy.”-NPR A high stakes wager pits an aspiring entrepreneur against a ruthless CEO in this sexy romantic comedy. After her life falls apart, recruitment consultant Layla Patel returns home to her family in San Francisco. But in the eyes of her father, who runs a Michelin starred restaurant, she can do no wrong. He would do anything to see her smile again. With the best intentions in mind, he offers her the office upstairs to start her new business and creates a profile on an online dating site to find her a man. She doesn't know he's arranged a series of blind dates

until the first one comes knocking on her door... As CEO of a corporate downsizing company Sam Mehta is more used to conflict than calm. In search of a quiet new office, he finds the perfect space above a cozy Indian restaurant that smells like home. But when communication goes awry, he's forced to share his space with the owner's beautiful yet infuriating daughter Layla, her crazy family, and a parade of hopeful suitors, all of whom threaten to disrupt his carefully ordered life. As they face off in close quarters, the sarcasm and sparks fly. But when the battle for the office becomes a battle of the heart, Sam and Layla have to decide if this is love or just a game.

How to High Tea with a Hyena (and Not Get Eaten) F.A. Davis

We all “know” that Marco Polo went to China, served Ghengis Khan for many years, and returned to Italy with the recipes for pasta and ice cream. But Frances Wood, head of the Chinese Department at the British Library, argues that Marco Polo not only never went to China, he probably never even made it past the Black Sea, where his family conducted business as merchants. Marco Polo's travels from Venice to the exotic and distant East, and his epic book describing his extraordinary adventures, *A Description of the World*, ranks among the most famous and influential books ever published. In this fascinating piece of historical detection, marking the 700th anniversary of Polo's journey, Frances Wood questions whether Marco Polo ever reached the country he so

vividly described. Why, in his romantic and seemingly detailed account, is there no mention of such fundamentals of Chinese life as tea, foot-binding, or even the Great Wall? Did he really bring back pasta and ice cream to Italy? And why, given China's extensive and even obsessive record-keeping, is there no mention of Marco Polo anywhere in the archives? *Sure to Spark Controversy, Did Marco Polo Go to China?* tries to solve these and other inconsistencies by carefully examining the Polo family history, Marco Polo's activities as a merchant, the preparation of his book, and the imperial Chinese records. The result is a lucid and readable look at medieval European and Chinese history, and the characters and events that shaped this extraordinary and enduring

myth.

Birnbaum's Walt Disney World

Without Kids 1998 Let's Dish Up A Dinner Party!

An accessible guide to family health care discusses drug interactions, symptoms, first aid, and how to choose a family doctor, including a new research about hormone therapy and heart surgery.

NEW YORK TIMES BEST SELLER •

Celebrated food blogger and best-selling cookbook author Deb Perelman knows just the thing for a Tuesday night, or your most special occasion—from salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe. "Innovative, creative, and effortlessly funny."

—Cooking Light Deb Perelman loves to cook. She isn't a chef or a restaurant owner—she's never even waitressed. Cooking in her tiny Manhattan kitchen was, at least at first, for special occasions—and, too often, an unnecessarily daunting venture. Deb found herself overwhelmed by the number of recipes available to her. Have you ever searched for the perfect birthday cake on Google? You'll get more than three million results. Where do you start? What if you pick a recipe that's downright bad? With the same warmth, candor, and can-do spirit her award-winning blog, Smitten Kitchen, is known for, here Deb presents more than 100 recipes—almost entirely new, plus a few favorites from the site—that guarantee delicious results every time. Gorgeously

illustrated with hundreds of her beautiful color photographs, *The Smitten Kitchen Cookbook* is all about approachable, uncompromised home cooking. Here you'll find better uses for your favorite vegetables: asparagus blanketing a pizza; ratatouille dressing up a sandwich; cauliflower masquerading as pesto. These are recipes you'll bookmark and use so often they become your own, recipes you'll slip to a friend who wants to impress her new in-laws, and recipes with simple ingredients that yield amazing results in a minimum amount of time. Deb tells you her favorite summer cocktail; how to lose your fear of cooking for a crowd; and the essential items you need for your own kitchen. From salads and slaws that make perfect side dishes (or a full meal) to savory tarts and

galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe Cake, Deb knows just the thing for a Tuesday night, or your most special occasion. Look for Deb Perelman's latest cookbook, *Smitten Kitchen Keepers!*

"A modern-day *Crucible*....Beneath the surface of a suburban utopia, madness lurks." —Liv Constantine, bestselling author of *The Last Mrs. Parrish* "Sarah Langan is a phenomenal talent with a wicked sense of wry humor. *Good Neighbors* knocked me out. Like Shirley Jackson, Langan's work blends a bleak streak with an underlying sense of the humane that wrung my heart." —Victor

LaValle, author of *The Changeling* Celeste Ng’s enthralling dissection of suburbia meets Shirley Jackson’s creeping dread in this propulsive literary noir, when a sudden tragedy exposes the depths of deception and damage in a Long Island suburb—pitting neighbor against neighbor and putting one family in terrible danger. Welcome to Maple Street, a picture-perfect slice of suburban Long Island, its residents bound by their children, their work, and their illusion of safety in a rapidly changing world. Arlo Wilde, a gruff has-been rock star who’s got nothing to show for his fame but track marks, is always two steps behind the other dads. His wife, beautiful ex-pageant queen Gertie, feels socially ostracized and adrift. Spunky preteen Julie curses like a sailor

and her kid brother Larry is called “Robot Boy” by the kids on the block. Their next-door neighbor and Maple Street’s Queen Bee, Rhea Schroeder—a lonely community college professor repressing her own dark past—welcomes Gertie and family into the fold. Then, during one spritzer-fueled summer evening, the new best friends share too much, too soon. As tensions mount, a sinkhole opens in a nearby park, and Rhea’s daughter Shelly falls inside. The search for Shelly brings a shocking accusation against the Wildes that spins out of control. Suddenly, it is one mom’s word against the other’s in a court of public opinion that can end only in blood. A riveting and ruthless portrayal of American suburbia, *Good Neighbors* excavates the perils and betrayals of

motherhood and friendships and the dangerous clash between social hierarchy, childhood trauma, and fear.

House & Garden Knopf

Fascinating profiles of thirteen researchers and scientists whose ground-breaking research in the microscopic world set the foundation for the current fight against viruses such as SARS-CoV and HIV/AIDS.

Johnson's Universal Cyclopedia

Metuchen, N.J. : Scarecrow Press

He will not admit it to Rhea and Lars - never, of course not - but Sheldon can't help but wonder what it is he's doing here... Eighty-two years old, and recently widowed, Sheldon Horowitz has grudgingly moved to Oslo, with his grand-daughter and her Norwegian husband. An ex-Marine, he talks often to

the ghosts of his past - the friends he lost in the Pacific and the son who followed him into the US Army, and to his death in Vietnam. When Sheldon witnesses the murder of a woman in his apartment complex, he rescues her six-year-old son and decides to run. Pursued by both the Balkan gang responsible for the murder, and the Norwegian police, he has to rely on training from over half a century before to try and keep the boy safe. Against a strange and foreign landscape, this unlikely couple, who can't speak the same language, start to form a bond that may just save them both. An extraordinary debut, featuring a memorable hero, *Norwegian by Night* is the last adventure of a man still trying to come to terms with the tragedies of his life. Compelling and sophisticated, it is

both a chase through the woods thriller and an emotionally haunting novel about ageing and regret.

Universal Cyclopaedia and Atlas Tundra Books

The second book in a hilarious illustrated non-fiction chapter book series starring a savvy and stylish cockroach who guides the reader through an encounter with a charming -- and dangerous -- predator. Is this hyena drooling for tea and crumpets . . . or for you?! Celeste is a cockroach, and everyone knows that cockroaches are survivors, so who better to give advice on surviving an encounter with a polite predator? High teas are dainty meals with pretty teacups: you nibble tiny cakes, sip milky tea and chit-chat about not-so-important things like why doughnuts have holes and if fish have

eyebrows. But Ruby the hyena is loud, ferocious and tends to slobber. High-speed gobbling makes good sense in the wild, but it is a definite no-no in the tearoom! And Ruby just happens to be Queen of a very large clan of hungry hyenas. Will high tea be ruined by uninvited guests? Is Ruby peckish for something other than Celeste's famous cream buns? Using her vast knowledge of hyenas, Celeste comes up with lots of strategies to get through high tea in one piece. Many of her suggestions are dangerous, most are absurd, but all are based on true hyena biology and hunting behavior.
