LEBLANC SIENA

Saving Your Second Marriage Before It Starts Howard Reith

Creating High Performers, offers managers the means to answer, "Have I done all I can to improve employee performance?" Uncertainty leads to managers not addressing underperformance, not maximizing the potential of good performers and not finding satisfaction in people management. The author's 7 Questions are the foundation for a conversation leading to targeted, effective coaching. Real-life stories experienced by the author as a manager or coach illustrate the value of each question. Effective performance management stems from understanding the "why" for failure to perform or reach potential. Knowing why a manager can take responsibility for shortcomings or confront employee lack of motivation or confidence. The 7 Questions unearth the true why and reveal needed elements of a performance improvement plan. Not knowing and acting on the why has resulted in a grim reality within organizations. Namely, "bad bosses" cause 78% of unwanted turnover and a consistent low employee engagement rate. And, lack of tools and training for "bosses" leaves them disheartened. This newly revised and updated second edition expands on why traditional models/methods of supervision are failing, and most employees remain disengaged. It includes an expanded outline on a new role for people managers and how to use the original 7 Questions to meet seven challenges virtually all organizations face. This edition addresses the challenges identified most often by managers putting the 7 Questions to work. An added chapter deals with determining the cause and finding a solution for

employees who appear motivated and engaged but aren't performing. For those new to managing others, this book brings needed clarity and method. For experienced managers, it offers a new approach to overcome the ill effects of old practices. It details how to shift to a new role and establish the trust this new method requires. For both, it offers a way to gain greater satisfaction from managing others and to add more value to your organization. Organizations that have adopted the 7 Questions to supplement or replace traditional annual employee evaluations have experienced a significant positive shift in organizational culture through improved relationships, greater trust, higher engagement, and better "bosses."

501 Questions N A S W Press

Most people decide whether a second date is on the cards in under an hour. Feeling the pressure? Dates are stressful, and a lot rides on that first conversation. When your palms are sweating and you're already hooked on your date's eyes, how do you make sure they're getting hooked on you? The answer's simple: you ask questions. Not just any questions though--they have to be the right questions. Sound stressful? Not if you have the proper guidance. How many times have you kicked yourself for the nonsense you heard falling out of your mouth on a first date? How many second dates have you lost because the conversation became stagnant before it ever got going? The first date is your earliest opportunity to get to know someone intimately. It's your chance to find out if you're compatible, if you have the same passions, and if the same things make you tick. For this to happen though, you need a killer question to spark hours of conversation. This is your golden key to securing a second date. In 250 Questions for Dates: Never Ask About the Weather Again!, you'll be given an arsenal of material to get the conversation flowing. You'll find: 250 killer questions so

that you never find yourself stuck for words again A toolbox of deep questions that will surely deepen your date's interest in you Foolproof ways to learn about the very essence of your date, even when your mind is chaos The questions certain to raise any red flags you need to know about now, before it's too late The #1 way to get answers to the things no modest person will ever brag about How to pick the perfect restaurant for the second date without even asking them A guaranteed way to get a meaningful conversation flowing that is far bigger than 1 simple question seems And much more. We can all remember a time we were stuck for words when all we really wanted was to truly get to know someone. Once you've been there, you'll know it's not somewhere you want to be again. Data has shown that if you date someone for 3 months, you're likely to start a serious relationship with them. Discover how to turn that first night into at least 3 months of conversation you never want to end. If you're ready to become the person you'd want to date and leave a lasting first impression, click "Add to Cart" right now.

Dating Sucks, But You Don't Zondervan

"One of my favorite books of the year. It completely reshaped how I think about information and how and why I take notes." —Daniel Pink, bestselling author of *Drive* A revolutionary approach to enhancing productivity, creating flow, and vastly increasing your ability to capture, remember, and benefit from the unprecedented amount of information all around us. For the first time in history, we have instantaneous access to the world's knowledge. There has never been a better time to learn, to contribute, and to improve ourselves. Yet, rather than feeling empowered, we are often left feeling overwhelmed by this constant influx of information. The very knowledge that was supposed to set us free has instead led to the paralyzing stress of believing we'll never know or remember enough. Now, this eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. As a trusted and organized digital repository of your most valued ideas, notes, and creative work synced across all your devices and platforms, a Second Brain gives you the confidence to tackle your most important projects and ambitious goals. Discover the full potential of your ideas and translate what you know into more powerful, more meaningful improvements in your work and life by Building a Second Brain.

250 Questions for Dates McGraw Hill Professional

Named a "Must-Read" by Town & Country * Elite Daily * InStyle "The love child of Gossip Girl and Crazy Rich Asians, plus the social climbing of a Gatsby party." —Refinery29 In the tradition of The Emperor's Children and The House of Mirth, the forgotten granddaughter of one of New York's wealthiest men is reunited with her family just as she comes of age—and once she's had a glimpse of their glittering world, she refuses to let it go without a fight. When Laila Lawrence becomes an orphan at twenty-three, the sudden loss unexpectedly introduces her to three glamorous cousins from New York who show up unannounced at her mother's funeral. The three siblings are scions of the wealthy family from which Laila's father had been estranged long before his own untimely demise ten years before. Two years later, Laila has left behind her quiet life in Grosse Point, Michigan to move to New York City, landing her smack in the middle of her cousins' decadent world. As the truth about why Laila's parents became estranged from the family patriarch becomes clear, Laila grows ever more resolved to claim what's rightfully hers. Caught between longing for the love of her family and her relentless pursuit of the lifestyle she feels she was unfairly denied, Laila finds herself reawakening a long dead family scandal—not to mention setting off several new ones—as she becomes further enmeshed in the lives and love affairs of her cousins. But will Laila ever, truly, belong in their world? Sly and sexy, *She Regrets Nothing* is a sharply observed and utterly seductive tale about family, fortune, and fate—and the dark side of wealth.

A Teacher, His Students, and the Great Questions of Life, Second Edition HarperChristian Resources

Throughout history, philosophers have attempted to unravel the mystery of life. People from many diverse traditions have been invited to sit face to face at the table of philosophy to engage in analytical and critical reflection in what Dr. John Morgan calls "the great questions of life." This book invites students to explore the meaning of life in an easy and understandable manner through the infamous character Professor Plotimus. The antics of Professor Plotimus make philosophy interesting, uncomplicated, and easy to grasp while deeply compelling. . . . It allows our minds to wonder and listen to the wisdom of the ages that life has meaning and purpose if we only loosen the chains of dogma and venture out of our caves as we attempt to see life in a fresh way. --from the Preface by Linda Lewis Riccardi Adjunct Professor of Humanities and Philosophy, Reading Area Community College

The Guyde Simon and Schuster

What if your phone truly helped you connect with people more than disconnect with those around you? You CAN dare to be relationally different in a screen-to-screen culture. But. . . honestly, I like my phone. So what should I do? You probably enjoy screens but don't want them hurting your relationships with the people who matter most, right? What if you could improve your face-to-face relationships, develop deeper connections, resolve conflict, and confidently communicate with friends, parents, teachers, roommates, coworkers, potential employers...even the barista at your local coffee shop? What if you paused to think before you posted, avoiding some of the hurt and consequences that almost always lead to regret after? What if you became a master of your own screen-time instead of letting it master you? What if you became more screen-wise? 40 real-life realizations including. . . * Your phone doesn't have an UNSEND button. * Texting is a dumb way to manage conflict. * We all need a digital detox every once in a while. * Sometimes less is more. * Phones are a great tool for connecting with people outside of the room when they don't interfere with the people inside the room * Sometimes the people we love the most are the people we ignored all day. Author and youth culture expert, Jonathan McKee, and his daughter Alyssa McKee, uncover forty random realizations they've discovered over the last five years. Screens provide fun platforms to connect with faraway friends; and sometimes the people we love the most are the people we ignore all day. Jonathan and Alyssa help young adults navigate face-to-face communication in a screen-to-screen world too! Maybe they'll help you navigate face-to-face communication in a screen-to-screen world too!

Top 50 Questions Kids Ask (Pre-K Through 2nd Grade) 250 Questions for Dates

Best Answers to the 201 Most Frequently Asked Interview Questions, Second Edition Bookbaby

"...highly recommend for your next trip (and all trips!). It's a fantastic way to start conversations while you're driving, out on a hike, or hanging around the campground!" -CAMPING WORLD Here's a great game to unplug and connect with the ones you're with on road trips or around the campfire. Get ready for fun, laughter, and good conversation! In this second edition, you get over 750 fun and entertaining questions and trivia to choose from in four different categories: Would You Rather, If You Could, Tell Me About, and Travel Trivia. (Recommended for all ages, family friendly, and for +1 players.) Ask questions like: Would You Rather: Take a helicopter over the Grand Canyon or scuba dive around the Great Barrier Reef? If You Could: Take a round-the-world trip, what would be the first country you'd visit on each continent? Tell Me About: The nicest thing someone's done for you while you were on a road trip. Travel Trivia: What country is known as "The Land of Smiles"? Also play as icebreakers with friends and family in all situations! What people are saying: At Dinner: "...this game is awesome!!! For the last 3 nights as we sit down for dinner, both my girls yell out "let's play would you rather"!!!! It's such a great family game, even if we aren't on vacation. It is soooo funny to hear the girls' answers and I love asking them to expand on their answers. Thank you for this!!!!" -Sarah Smith Family Gatherings: "We had so much fun with my family during a recent visit. It's amazing how much you learn about people whom you think you know everything about!" -Tina Klinefelter, FreeasWheelEverBe.com Car Rides: "They are such a great way to pass time while also making your time together count. I like how they... extend your thinking like giving an explanation... instead of just picking one and moving on. I can't wait to share the national animal question with my daughter! She is currently obsessed with unicorns!" -Lauren Gardner In the Classroom/Zoomroom: "I brought this book to my 2nd, 3rd, and 4th grade classes during lunch last week and they had a blast with the two Would You Rathers we were able to discuss in our short time together. It was awesome for controlling the noise level in the classroom while giving each student a chance to be heard...and the others a chance to eat! I can't wait to do this again with them! Thank you!" -Aubrey Watkins Brovold Work Gatherings: "I am participating in a work conference this week, which means a lot of networking with people I may or may not know. The "Tell Me About..." section has been AMAZING to make conversations more fresh and enjoyable instead of the same ol' "How are you? Where do you work? What do you do there?" -Jonathan Hardy As a Couple: "We've been loving playing it so far! We've spent hours lying in bed asking each other questions from the book before we go to sleep:)" -Suze of @chrisandsuzegowalkies From the Author: We needed conversation starters on our travels, so I created 501 Questions: A Travel Game to play as a fun and entertaining alternative to scrolling our phones. The game is packed with over 750 questions and trivia to spark fun, new conversations that have us learning more about one another, ourselves, and

the world. Now, we keep this game on hand in our suitcase, our car's glove box, and on the coffee table. Get a copy and get ready for fun, laughter, good conversations, and making new memories! And, thank you for supporting our family's future #nuventures:) -Lindsey Nubern, NuventureTravels.com

The Four Agreements Simon and Schuster

Thinking people have questions about God and Jesus, even prison or jail inmates. This book lists questions submitted by inmates at the Newport News City Farm in Newport News, Virginia, over a ten-year period starting in the late 1990s, along with answers by the author. The topics covered include theology, Christian walk, death, how to hear from God, baptism, and speaking in tongues, among others.

Building a Second Brain Ballantine Books

Asking the right questions can help job seekers ace the interview and land that job The most critical question job interviewers ask is often the last one. That's when they lean forward and say, "Do you have any questions?" As author John Kador points out, that's the applicants' moment to shine, to demonstrate that they have done their homework and that they're good fit with the organization. Most of all, it provides an applicant with an opportunity to ask for the job. A powerful resource for vast and growing numbers of job seekers, this book fills readers in on the pivotal questions they need to ask to ace the interview. With chapters organized around major themes, such as "the company," "the job," and "the community," 201 Best Questions to Ask on Your Interview not only supplies readers with the right questions for virtually every context but also coaches them on the right ways to ask them.

Creating High Performers - 2nd Edition Tate Publishing & Enterprises

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Saving Your Second Marriage Before it Starts Taylor & Francis

Praise for the Top 50 Questions Kids Ask Dr. Susan is highly gifted at helping parents and kids connect from the heart. This book honors our innate wisdom, supports us in nurturing our kids' emotional growth and empowers us to be the parents we were meant to be. --Renee Peterson Trudeau, life balance expert/coach and author of *The Mother's Guide to Self-Renewal: How to Reclaim, Rejuvenate and Re-Balance Your Life* The Top 50 Questions Kids Ask is an insightful guide on the issues and concerns every parent and child faces. It's a must-read guide that both moms and dads should keep at their bedside. --Allison O'Connor, Founder and Editor, SingleMindedWomen.com Finally, a book that answers all those questions we parents go in a cold sweat about! Dr. Susan tackles the tough ones such as money, shyness, siblings and religion. Plus, we get the psychology behind it all to better understand our kids. You'll find yourself using this book every day. --Pam Atherton, journalist and host of A Closer Look radio talk show Dr. Susan Bartell is the go-to person for all questions kids ask. No one is better qualified or more in touch with this age group to lend her expertise to a book that aids parents in improving communication with their ever-curious children. --Renee Raab Whitcombe, author of *Look Who's Going to be a Big Sister* and *Look Who's Going to be a Big Brother* Are we rich? Why do I have to go to school? Where do babies come from? If you're the parent of a four- to eight-year-old, there's no doubt you've heard them already--and there are countless more to come. Questions! They come in all types: curious, nagging, touching, annoying, and downright weird. What they all have in common is that parents are often at a total loss for how to answer them. Inside you'll find the concrete responses that will make sense to kids, stop the nagging, reduce your frustration, and begin healthy new conversations that will enrich your child's view of the world. You'll learn to talk confidently with your child about the toughest of topics, with advice and support from expert family psychologist Dr. Susan Bartell. Responding to your child's questions can be a remarkable parenting opportunity--if you just know the right words to say.
