Breathe life into your tabletop Dungeons & Dragons® game with these full color dungeon tiles. Infinitely expandable and easy to set up, these dungeon tiles allow you to create the adventures you want to play. This box contains 16 durable, double-sided, fully illustrated tile sheets, featuring grasslands, ruins, sandy beaches, and other terrain elements that Dungeon Masters can use to build exciting encounters. Use these tiles to make fantastic wilderness maps to enhance your tabletop roleplaying game experience. For use with the Dungeons & Dragons Fantasy Roleplaying Game.

The Touch VIZ Media LLC

Special Ops AX Agent Abel Nightroad teams up with a spunky young novice named Esther to try and stop Gyula, the bloodthirsty Marquis of Hungary, from unleashing the legendary Star of Sorrow. Young adult.

Ten Count, Vol. 2 (Yaoi Manga) Yen Press LLC

From the bestselling, award-winning author of *The Year of Magical Thinking* and *Let Me Tell You What I Mean*, this collection includes seven books in one volume: the full texts of *Slouching Towards Bethlehem*; *The White Album*; *Salvador*; *Miami*; *After Henry*; *Political Fictions*; and *Where I Was From*. As featured in the Netflix documentary *Joan Didion: The Center Will Not Hold*, Joan Didion's incomparable and distinctive essays and journalism are admired for their acute, incisive observations and their spare, elegant style. Now the seven books of nonfiction that appeared between 1968 and 2003 have been brought together into one thrilling collection. *Slouching Towards Bethlehem* captures the counterculture of the sixties, its mood and lifestyle, as symbolized by California, Joan Baez, Haight-Ashbury. *The White Album* covers the revolutionary politics and the "contemporary wasteland" of the late sixties and early seventies, in pieces on the Manson family, the Black Panthers, and Hollywood. *Salvador* is a riveting look at the social and political landscape of civil war. *Miami* exposes the secret role this largely Latin city played in the Cold

War, from the Bay of Pigs through Watergate. In *After Henry* Didion reports on the Reagans, Patty Hearst, and the Central Park jogger case. The eight essays in *Political Fictions*—on censorship in the media, Gingrich, Clinton, Starr, and "compassionate conservatism," among others—show us how we got to the political scene of today. And in *Where I Was From* Didion shows that California was never the land of the golden dream.

NEW YORK TIMES BEST SELLER! The blockbuster danmei/Boys' Love novels from China that inspired the animated series! This

epic historical fantasy about a prince and the mysterious man by his side is now in English, for the very first time. Born the crown prince of a prosperous kingdom, Xie Lian was renowned for his beauty, strength, and purity. His years of dedicated study and noble deeds allowed him to ascend to godhood. But those who rise may also fall, and fall he does—cast from the heavens and banished to the world below. Eight hundred years after his mortal life, Xie Lian has ascended to godhood for the third time, angering most of the gods in the process. To repay his debts, he is sent to the Mortal Realm to hunt down violent ghosts and troublemaking spirits who prey on the living. Along his travels, he meets the fascinating and brilliant San Lang, a young man with whom he feels an instant connection. Yet San Lang is clearly more than he appears... What mysteries lie behind that carefree smile? This Chinese xianxia fantasy novel series built around the romanticized love between two men (danmei) is the newest work from author Mo Xiang Tong Xiu, and has spawned an ongoing multimedia franchise that's beloved across the world—including the animated series (donghua) that amassed 100+ million views in just its first month. The Seven Seas English-language edition will include covers from 繁體中文 (tai3_3), and exclusive, all-new interior illustrations from ZeldaCW.

Can Detective Conan crack the case...while trapped in a kid's body? Jimmy Kudo, the son of a world-renowned mystery writer, is a high school detective who has cracked the most baffling of cases. One day while on a date with his childhood friend Rachel Moore, Jimmy observes a pair of men in black involved in some shady business. The men capture Jimmy and give him a poisonous substance to rub out their witness. But instead of killing him, it turns him into a little kid! Jimmy takes on the pseudonym Conan Edogawa and continues to solve all the difficult cases that come his way. All the while, he's looking for the men in

black and the mysterious organization they're with in order to find a cure for his miniature malady. During a school field trip, Conan and Rachel end up in a mountain cabin with several members of the teaching staff. Conan gets quite a surprise when he answers the doorbell and a frozen teacher's corpse falls into the house! To add to the mystery, a strange letter is written on the teacher's hand, which sends another of the educators running to his room. Shortly after, he's found dead too! Can Conan put his brainpower to work and solve the mystery before the students run out of teachers?

Kakegurui - Compulsive Gambler -, Vol. 2 National Geographic Books

Piko was her nickname, and the only name she ever knew since the death of her mother nine years ago. With her small village on the far edge of civilization, lodged between a vast swamp on one side and endless rice paddies and peat bogs, it was far from the majority of bandit raids, but not far enough, nor was it defended. The raiders would come nearly every fall it seemed, raiding, pillaging and burning, causing hardships, pain and loss of life due to starvation. Growing up on the edge of the world where one had to defend themselves, she was a tough young woman who knew full well how to fight hard and work hard, but with the advent of the iron armor clad bandits, it was getting too much even for this spry young tomboy and all around ruffian! Finally, at age fourteen, the spry and spunky redhead had had enough. She made an offering to the gods pleading for protection. And boy did they answer her plea! When the angel finally appeared, it was right at the time of the end of the fall rice harvest when the raiders were preparing to make their best haul of the year. The angel passed judgment on the bandits in a most brutal manner. Not a one of them made it out alive. Fear spread throughout the land and the bandits decided to avoid the village, which made life much easier for one and all. But just when it seemed things were heading toward a happy ending, the angel declares that Piko must leave her happy home and go on a great inquest, and she won't even tell the girl why, only saying she may never see her beloved home again. Follow the young sake seller and her

personal angel as she learns about the world, life and love 'angel style' as she battles villains, discovers her true past, her true identity and her true destiny decreed from the of time.

LEGO® Harry Potter™ Magical Treasury Open Road Media
In this moving and unexpected book, Joan Didion reassesses parts of her life, her work, her history, and ours. *Where I Was From*, in Didion's words, "represents an exploration into my own confusions about the place and the way in which I grew up, confusions as much about America as about California, misapprehensions and misunderstandings so much a part of who I became that I can still to this day confront them only obliquely." The book is a haunting narrative of how her own family moved west with the frontier from the birth of her great-great-great-great-great-grandmother in Virginia in 1766 to the death of her mother on the edge of the Pacific in 2001; of how the wagon-train stories of hardship and abandonment and endurance created a culture in which survival would seem the sole virtue. In *Where I Was From*, Didion turns what John Leonard has called "her sonar ear, her radar eye" onto her own work, as well as that of such California writers as Frank Norris and Jack London and Henry George, to examine how the folly and recklessness in the very grain of the California settlement led to the California we know today—a state mortgaged first to the railroad, then to the aerospace industry, and overwhelmingly to the federal government, a dependent colony of those political and corporate owners who fly in for the annual encampment of the Bohemian Club. Here is the one writer we always want to read on California showing us the startling contradictions in its—and in America's—core values. Joan Didion's unerring sense of America and its spirit, her acute interpretation of its institutions and literature, and her incisive questioning of the stories it tells itself make this fiercely intelligent book a provocative and important tour de force from one of our greatest writers. From the Hardcover edition.

We Tell Ourselves Stories in Order to Live Wizards of the Coast
THE TOUCH OF A HAND, A ROLL OF THE DICE Xie Lian has confirmed that the bewitching youth San Lang is actually Hua Cheng, one of the Four Calamities and a supreme ghost despised by all heavenly officials. Still, he has trouble matching the terror of his companion's reputation with the charming, clever, and protective young man he's come to know. When a distress signal leads Xie Lian into Ghost City, a bustling metropolis containing all the horrors and delights of the dead, he sees Hua Cheng in his element—and his true form—for the first time. But despite their chemistry and care for one another, there are missions to fulfill and secrets to uncover, and Xie Lian's centuries of troubled history are never far behind.

The White Album Simon and Schuster

"MERCY," Part Two The tale of kink and metal continues as Ally and Alan ride their rollercoaster of sexual exploration. Meanwhile Anne and Laura enjoy their little slice of heaven relationship. Good times all around. Sure would be a shame if addictive behavior and trust issues ruined all that fun. I mean, that would be terrible.

Sunstone, Volume 7 Yen Press LLC

Secret Warrior is a compelling memoir following Joanne McCallie's

mental health journey through the realities and challenges within the sports world. Using the recurring theme of "faith over fear" to reduce the stigma associated with impaired mental health and encourage those suffering from mental health issues to reach out to coaches, student-athletes, and to all people across the world- Joanne offers real direction, experiences, and personal stories to teach and reassure those adversely affected by the dynamics of the mind and body experience. Motivational and heartfelt, Secret Warrior drives home the need for more education, stories, action, and an overall change to the narrative about brain health.

DC Comics

JINWOO SUNG, OFFICIALLY S RANK Leveling up in C-rank dungeons has become next to impossible for Jinwoo. But an E-rank hunter attempting anything higher? Well, that would raise some serious red flags...so the time has come for a reevaluation. And when the results are back, it's official—Jinwoo is the tenth S-rank hunter from South Korea! An entirely new world, brimming with powerful magic beasts and elite hunters, is now open to him. But before he can immerse himself in it, there's something

absolutely vital he has to do...

Official Cyberpunk 2077 HarperCollins

Shirotoni begins opening his heart to Kurose, until the counselor suddenly tells him that their sessions are over. Shocked, Shirotoni withdraws into his home, refusing to leave. Then, out of the blue, Kurose texts him and asks to see him. What will Shirotoni do when he finds out the secret Kurose has been hiding from him this entire time? -- VIZ Media

Heaven Official's Blessing: Tian Guan Ci Fu (Novel) Vol. 2

Hachette UK

[In this book, the author] explores an intensely personal yet universal experience: a portrait of a marriage - and a life, in good times and bad - that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an induced coma and placed on life support. Days later - the night before New Year's Eve - the Dunnes were just sitting down to dinner after

visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This ... book is Didion's attempt to make sense of the "weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself."--Jacket.
