Semiotics around the World: Synthesis in Diversity U of Minnesota Press
 Dream Seer, Judy Prudhomme, shares her lifelong visions of The New Ones and why Kleech, the alien Priest, created this superhuman species to rule and protect Atlantis. The New Ones of Atlantis will ignite your imagination and whirl your emotions with a colorful adventure of extremes: shipwrecks and rescues; pirate debauchery and dedicated Priests; dangerous Warriors and happy children; whores and virginity; demons, ghosts and the Holy Spirit; death, resurrection and reincarnation; Warrior Practice and Temple. The first New One, Lord Priest, is a black, bird-beaked, Warrior/Priest, Healer, Scientist, Educator, Seer, Magician and reincarnate of the Egyptian God Thoth. The second New One, Lord Beast, The King, is a genetic combination of Lord Priest and an African Lioness. Lord Beast appears human until his beastly traits surface and his deadly perfection proves why he is The Killing Beast of Atlantis and the undefeated Leader of the most feared Army on Earth. The Third New One, Lady Athena, demonstrates her courage when she challenges Lord Beast's most dangerous Warriors to fight for the coveted position of Army Co-Trainer. After the bloody battles, Athena claims her victory and becomes The Third Ruler and Goddess of War. Enjoy Athena's beloved friend, six-year-old Daisy, as she grows more like Athena everyday, leads the Little Flower Warriors and communicates to God in a unique way. Laugh at Atlantis' greatest war heroes, the comical Warriors Burr and Mayner, as they try to get their buddy, The King, laid by slipping him past his Seer Father. Unfortunately, the dangerous Lord Priest is not amused. Guarantee: You will not want this book to end!
Puberty, Sexuality, and the Self Bloomsbury Publishing
 In this innovative new study, Laura Halperin examines literary representations of harm inflicted on Latinas' minds and bodies, and on the places Latinas inhabit, but she also explores how hope can be found amid so much harm. Analyzing contemporary memoirs and novels by Irene Vilar, Loida Maritza Pérez, Ana Castillo, Cristina García, and Julia Alvarez, she argues that the individual harm experienced by Latinas needs to be understood in relation to the collective histories of aggression against their communities. *Intersections of Harm* is more than just a nuanced examination of the intersections among race, ethnicity, class, gender, and sexuality. It also explores the intersections of deviance and defiance, individual and collective, and mind, body, and place. Halperin proposes that, ironically, the harmful ascriptions of Latina deviance are tied to the hopeful expressions of Latina defiance. While the Latina protagonists' defiance feeds

into the labels of deviance imposed on them, it also fuels the protagonists' ability to resist such harmful treatment. In this analysis, Halperin broadens the parameters of literary studies of female madness, as she compels us to shift our understanding of where madness lies. She insists that the madness readily attributed to individual Latinas is entwined with the madness of institutional structures of oppression, and she maintains that psychological harm is bound together with physical and geopolitical harm. In her pan-Latina study, Halperin shows how each writer's work emerges from a unique set of locales and histories, but she also traces a network of connections among them. Bringing together concepts from feminism, postcolonialism, illness studies, and ecocriticism, *Intersections of Harm* opens up exciting new avenues for Latina/o studies.

Buddy Or Baddy? University of Pittsburgh Press
Pedagogies of Possibility for Negotiating Sexuality Education with Young People offers a sustained and critical consideration of the possibilities and politics of engaging with young people in the redevelopment and delivery of contemporary approaches to Sexuality Education.

The Transformation of American Sex Education Lexington Books
 In *The Gender Conundrum* Dana Birksted-Breen brings together for the first time key psychoanalytic papers on the subject of femininity and masculinity from the very different British, French, and American perspectives. The papers are gathered around the central issue of the interplay of body and psyche in psychoanalysis. The editor sees the positive use of this given tension and duality as the key to real understanding of the questions currently surrounding gender identity. As well as addressing the outspoken controversy over the understanding of femininity, she shows that there has been a more silent revolution in the understanding of masculinity. Offering an international perspective, this collection of seminal papers with introductions of exemplary clarity fills a considerable gap in the literature, providing a classic text for psychoanalysis and gender studies. *The Explicit Body in Performance* Simon and Schuster
 Through reference to over six hundred scenes from film and television—as well as a diverse and cross-disciplinary academic bibliography—*Masturbation in Pop Culture* investigates the role that masturbation serves within narratives while simultaneously mirroring our complicated relationship with the practice in real life and sparking discussions about a broad range of hot-button sexual subjects. From sitcoms to horror movies, teen comedies to erotic thrillers, autoeroticism is easily detected on screen. The portrayal, however, is not a simple one. Just as in real life a paradox exists where most of us masturbate and accept it as normal and natural, there simultaneously exists a silence about it; that we do it, but we don't talk about it; that we enjoy it but we

laugh about it. The screen reflects this conflicted relationship. It is there—hundreds and hundreds of times—but it is routinely whispered about, mocked and presented as a punchline, and is inevitably portrayed as controversial at the very least. *Masturbation in Pop Culture* investigates the embarrassment and squeamishness, sexiness and inappropriateness of masturbation, showcasing and analyzing how our complex off screen relationship is mirrored in film and television.

Behind the Scenes at the BBFC Sourcebooks, Inc.

#1 New York Times bestselling author Nora Roberts begins a new trilogy of adventure, romance, and magick in *The Awakening*. In the realm of Talamh, a teenage warrior named Keegan emerges from a lake holding a sword—representing both power and the terrifying responsibility to protect the Fey. In another realm known as Philadelphia, a young woman has just discovered she possesses a treasure of her own... When Breen Kelly was a girl, her father would tell her stories of magical places. Now she's an anxious twentysomething mired in student debt and working a job she hates. But one day she stumbles upon a shocking discovery: her mother has been hiding an investment account in her name. It has been funded by her long-lost father—and it's worth nearly four million dollars. This newfound fortune would be life-changing for anyone. But little does Breen know that when she uses some of the money to journey to Ireland, it will unlock mysteries she couldn't have imagined. Here, she will begin to understand why she kept seeing that silver-haired, elusive man, why she imagined his voice in her head saying Come home, Breen Siobhan. It's time you came home. Why she dreamed of dragons. And where her true destiny lies—through a portal in Galway that takes her to a land of faeries and mermaids, to a man named Keegan, and to the courage in her own heart that will guide her through a powerful, dangerous destiny...

Speaking about Godard Taylor & Francis

Two high school seniors believe their love to be so strong that it will last forever.

The Practice of Behavioural and Cognitive Psychotherapy Wellness Institute, Inc.

Praise for previous editions of *Juvenile Sexual Offending* “A stimulating presentation of clinical thinking that demonstrates why the authors are leaders in the juvenile sex offending field.” —Jim Breiling, National Institute of Mental Health “*Juvenile Sexual Offending* provides a comprehensive, in-depth look at the juvenile sexual abuser and assessment and treatment issues. The increase in sexual abuse by adolescents makes this book a must for professionals whose work brings them into contact with juvenile sexual abusers.” —Robert E. Longo, Serendipity Healing Arts “This book should be required reading for everyone providing services to adolescents who have committed sexual offenses and to their families. It remains the seminal text from which a

framework for assessment, treatment, and aftercare are gleaned.” —Joann Schladale, Resources for Resolving Violence This classic text sets the foundation for working with juveniles who have sexually offended The new edition of Juvenile Sexual Offending provides a research-based, goal-oriented approach to the assessment, treatment, supervision, and care of this difficult population. Written by leading specialists in the field, the Third Edition represents the tremendous strides in research on brain growth and development. A thorough overview of the process of risk evaluation is included, as well as detailed and practical guidelines on gauging the possibility of repeated offense. Also included: New chapters on legislative and policy developments; risk assessment; adult responsibilities; and outcomes pairing risk management with health promotion Greatly expanded coverage of treatment, including new chapters on abuse-specific and offense-specific treatment interventions, and the effects of trauma Practitioner-friendly guidance to help mental health professionals with decision making; program development; case management skills; and working within multidisciplinary teams Juvenile Sexual Offending, Third Edition helps mental health professionals, child welfare, law enforcement, and juvenile justice professionals move toward successful assessment and treatment of juveniles who sexually abuse, reducing the risk of sexual abuse in future generations.

Dictionary of Labour Biography Walter de Gruyter GmbH & Co KG The Anachronistic Turn: Historical Fiction, Drama, Film and Television is the first study to investigate the ways in which the creative use of anachronism in historical fictions can allow us to rethink the relationship between past and present. Through an examination of literary, cinematic, and popular texts and practices, this book investigates how twenty-first century historical fictions use creative anachronisms as a way of understanding modern issues and anxieties. Drawing together a wide range of texts across all forms of historical fiction - novels, dramas, musicals, films and television - this book re-frames anachronism not as an error, but as a deliberate strategy that emphasizes the fictionalising tendencies of all forms of historical writing. The book achieves this by exploring three core themes: the developing trends in the twenty-first century for creators of historical fiction to include deliberate anachronisms, such as contemporary references, music, and language; the ways in which the deliberate use of anachronism in historical fiction can allow us to rethink the relationship between past and present, and; the way that contemporary historical fiction uses anachronism to better understand modern issues and anxieties. This book will appeal to students and scholars of historical fiction, contemporary historical film and television studies, and historical theatre studies.

Angeles Mastretta Bloomsbury Publishing USA Roberto Bolaño (1953-2003) stands out among recent Latin American writers because of his unique combination of critical acclaim, popularity, and literary significance. *Queer Exposures* analyzes two central but understudied topics in Bolaño's fiction and poetry: sexuality and photography. Moving beyond a consideration of how his texts represent these topics, Ryan F. Long demonstrates that, when considered in tandem, they form the basis for a new innovative and critical approach. Emphasizing the processes of exposure associated with photography and sexuality, especially queer sexuality, provides readers and scholars with a versatile method for comprehending Bolaño's constellation of texts. With close readings of a broad range of texts, from poetry written just after his arrival in Spain in the late 1970s to his posthumously published novels, *Queer Exposures* concludes that an emphasis on sexuality and photography is essential for understanding how Bolaño's texts function in dialogue with one another to elucidate and critique the interrelations of writing, visual representation, and power. *Queer Exposures* Springer

Want to know how to masturbate? Here's your guide. Whether you're jerking the gherkin, flicking the bean, or something in between, masturbation doesn't have to be a taboo topic. This straightforward, unapologetic illustrated guide to self-pleasure will

teach you what you need to know to get to know your own body. This inclusive manual covers basic anatomy, techniques, mindsets, orgasms, troubleshooting, and a wide range of the tools and toys. There are sections on debunking myths, exploring your body for the first time, sex toys, tips from trans people for trans people, and a section on masturbating when you have a physical disability and a caretaker that's written by disabled folks. You'll also learn about the history of anti-masturbation stigma, some thought-provoking data, and how to teach your kids healthy attitudes toward masturbation. Perfect for the pent-up teens and adults of all ages alike! Overcome physical and emotional obstacles to discover the stress-relieving potential and joy of unpartnered sex. Includes writing and illustrations by Vic Liu, Nina Chausow, Alex Tait, Clare Edgeman, Leah Holmes, Sam Dusing, Patrick Wiedeman, Rebecca Bedell, Lafayette Matthews, Andrew Gurza, and Angus Andrews.

Intersections of Harm Cambridge University Press Leading film critic of her generation offers an unflinchingly honest and humorous account of her millennial journey towards self-acceptance through a cinematic lens. Hanna Flint speaks from the heart in *Strong Female Character*, a personal and incisive reflection on how cinema has been the key to understanding herself and the world we live in. A staunch feminist of mixed-race heritage, Hanna has succeeded in an industry not designed for people like her. Interweaving anecdotes from familial and personal experiences - episodes of messy sex, introspection, and that time actor Vincent D'Onofrio tweeted that Hanna Flint sounded 'like a secret agent' - she offers a critical eye on the screen's representation of women and ethnic minorities, their impact on her life, body image and ambitions, with the humour and eloquence that has made her a leading film critic of her generation. Divided into the sections Origin Story, Coming of Age, Adult Material, Workplace Drama and Strong Female Character, the book ponders how the creative industries could better reflect our multicultural society. Warm, funny and engaging and full of film-infused lessons, *Strong Female Character* will appeal to readers of all backgrounds and seeks to help us better see ourselves in our own eyes rather than letting others decide who and what we can be.

Sex, Youth, and Sex Education St. Martin's Press A thirteen-year-old girl seemingly destined for a modeling career finds she has a deformation of the spine called scoliosis. Rowman & Littlefield Publishers

Sexuality is a significant part of the human experience, yet it is often a neglected topic in both counselor training and the counseling process. In this preeminent guide, expert clinicians with a variety of mental health and medical backgrounds write on diverse issues related to sexuality through a radical acceptance lens. Each chapter illustrates an affirmative and expansive approach to sexuality that considers clients' sexual and cultural identities and emphasizes sexual wellness. Students and professionals alike will learn how to respectfully and ethically approach sexuality considerations not commonly mentioned in the professional literature, such as sexuality and disability, healing after sexual violence, older adult sexuality, the impact of chronic illness on sexual expression, and paraphilias. The text is organized around eight comprehensive parts- Foundations; Physiological and Psychological; Attraction, Orientation, and Gender; Sexual Wellness; Sexual Agency; Approaches to Sexual Divergence; Relationships; and Education- with case examples, "Questions You Always Wanted to Ask," and additional resources interwoven throughout.

Sex in Marriage Author House This reference identifies and explains the cultural, historical, and topical allusions in the film Monty Python's *Meaning of Life*, the Pythons' third and final original feature as a complete group. In this resource, virtually every allusion and reference that appears in the film is identified and explained—from Britain's waning Empire through the Winter of Discontent to Margaret Thatcher's second-term mandate, from playing fields to battle fields, and from accountant pirates to sacred sperm. Organized chronologically by scene, the entries cover literary and metaphorical allusions, symbolisms, names, peoples, and places; as

well as the many social, cultural, and historical elements that populate this film, and the Pythons' work in general.

The Sexual Scene Routledge

The integration of behavioral and cognitive approaches to psychotherapy has much to offer in the treatment of a wide range of disabling conditions in psychiatry. In this book, the authors, both experienced clinicians and teachers, provide what they describe as a "tool-kit" for the management of patients using behavioral and cognitive psychotherapy. Based firmly on the work of the pioneers of behavioral and cognitive approaches, the authors illustrate the application of these principles through a vivid and instructive series of case histories. They show how, properly applied, behavioral and cognitive psychotherapy can contribute to the treatment and rehabilitation of even severely incapacitated patients. The cases discussed range from obsessive compulsive disorders and anxiety states to chronically disabled patients with schizophrenia or depression. Chapters are also devoted to the use of these techniques in marital therapy, sex therapy, social skill training and the treatment of psychosomatic disorders. A comprehensive glossary of terms used in behavioral and cognitive therapy is provided for newcomers in the field. The emphasis is on practical work with patients for the alleviation of maladaptive or unwanted behavior and thoughts, and the authors also give guidance on some of the pitfalls to be avoided and on the concomitant use of medication. This book will be of value to mental health professionals training in the use of behavioral and cognitive psychotherapy.

Sex Education for Boys: A Parent's Guide John Wiley & Sons First Published in 1963, *Sex in Marriage* presents down to earth, practical guidance on the emotional and physical aspects of life, love and marriage. The authors both experienced psychotherapists, have felt that a new approach was needed. The book explains in a straightforward and thorough manner the sources of satisfaction and the roots of discontent that lie beneath the surface of any marriage. It traces marriage from the beginning, through its middle years and into its older stages, including considerations that are concrete and practical but still have a fundamental and sound emotional base. The book illustrates how attitudes in sex and marriage go back to childhood and how early experiences, though forgotten, can still exercise important influences. In helping to alleviate old guilts and anxieties, the book makes an essential contribution. This is an interesting read for sociologists, psychologists and for general readers.

The Awakening Emerald Group Publishing Masturbation in Pop Culture Lexington Books **Packaging Girlhood** Berghahn Books

In documentary studies, the old distinctions between fiction and nonfiction no longer apply, as contemporary film and video artists produce works that defy classification. Coming together to make sense of these developments, the contributors to this book effectively redefine documentary studies. They trace the documentary impulse in the early detective camera, in the reenactment of battle scenes from World War I, and in the telecast of the Nevada A-bomb test in 1952. Other topics include experiments in virtual reality; the crisis of representation in anthropology; and video art and documentary work that challenge the asymmetry of the postcolonial us/them divide. Book jacket.

Forever . . . Xlibris

The 1960s was a decade of massive political and cultural change in Western Europe, as seismic shifts took place in attitudes towards sexuality, gender, and motherhood in everyday life. Through case studies of British and French films, *Pepsi and the Pill* offers a fresh vision of a pivotal moment in European culture, exploring the many ways in which political activity and celebrated film movements mutually shaped each other in their views on gender, sexuality, and domesticity. As the specter of popular nationalism once again looms across Europe, this book offers a timely account of the legacy of crucial debates over issues including reproductive rights, migration, and reproductive nationalism at the intersection of political discourse, protest, and film.
