Simply Plant Based: Fabulous Food for a Healthy Life Penguin
THE INSTANT NATIONAL BESTSELLER • Brittany Williams lost more than 125 pounds using her Instant Pot® and making all her meals from scratch. Now she shares 125 quick, easy, and tasty whole food recipes that can help you reach your weight loss goals, too! Brittany Williams had struggled with her weight all her life. She grew up eating the standard American staples—fast, frozen, fried, and processed—and hit a peak weight of 260 pounds. When her 4-year-old daughter's autoimmune disease was alleviated by a low-sugar, dairy-free, grain-free, whole-food-based diet, Brittany realized she owed her own body the same

kind of healing. So on January 1, 2017, she vowed to make every meal for a year from scratch, aided by her Instant Pot®. She discovered that the versatility, speed, and ease of the electric pressure cooker made creating wholesome, tasty, family-satisfying meals a breeze, usually taking under thirty minutes. Not only did the family thrive over the course of the year, Brittany lost an astonishing 125 pounds, all documented on her Instant Loss blog. Illustrated with gorgeous photography, Instant Loss Cookbook shares 125 recipes and the meal plan that Brittany used for her own weight loss, 75% of which are recipes for the Instant Pot® or other multicooker. These recipes are whole food-based with a spotlight on veggies, mostly dairy and grain-free, and use ingredients that you can find at any grocery store. The clearest guide to navigating your Instant Pot® or other multicooker that you'll find, Instant Loss Cookbook makes healthy

eating convenient—and that’s the key to sustainable weight loss. **The Skinnytaste Cookbook** Book Publishing Company Get the recipes everyone is talking about in the debut cookbook from the wildly popular blog, Skinnytaste. Gina Homolka is America’s most trusted home cook when it comes to easy, flavorful recipes that are miraculously low-calorie and made from all-natural, easy-to-find ingredients. Her blog, Skinnytaste is the number one go-to site for slimmed down recipes that you’d swear are anything but. It only takes one look to see why people go crazy for Gina’s food: cheesy, creamy Fettuccini Alfredo with Chicken and Broccoli with only 420 calories per serving, breakfast dishes like Make-Ahead Western Omelet "Muffins" that truly fill you up until lunchtime, and sweets such as Double Chocolate Chip Walnut Cookies that are low in sugar and butter-free but still totally indulgent. The Skinnytaste Cookbook features 150 amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started Skinnytaste when she wanted to lose a few pounds herself. She turned to Weight Watchers for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started “skinny-fying” her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, The Skinnytaste Cookbook is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.

Tacos, pizza, wings, pasta, hearty soups, and crave-worthy greens--for some folks looking for a healthier way of eating, these dishes might all seem, well, off the table. Carleigh Bodrug has shown hundreds of thousands of people that that just isn't true. Like so many of us, Carleigh thought that eating healthy meant preparing the same chicken breast and broccoli dinner every night. Her skin and belly never felt great, but she thought she was eating well--until a family health scare forced her to take a hard look at her diet and start cooking and sharing recipes. Fast forward, and her @plantyou brand continues to grow and grow, reaching +470k followers in just a few short years. Her secret? Easy, accessible recipes that don't require any special ingredients, tools, or know-how; what really makes her recipes stand out are the helpful infographics that accompany them, which made it easy for readers to measure ingredients, determine portion size, and become comfortable enough to personalize recipes to their tastes. Now in her debut cookbook, Carleigh redefines what it means to enjoy a plant-based lifestyle with delicious, everyday recipes that anyone can make and enjoy. With mouthwatering dishes like Bewitchin' Breakfast Cookies, Rainbow Summer Rolls, Irish Stew, and Tahini Chocolate Chip Cookies, this cookbook fits all tastes and budgets.
