History of the County of Hudson, New Jersey Hyweb Technology Co. Ltd.
 Uppermost Canada examines the historical, cultural, and social history of the Canadian portion of the Detroit River community in the first half of the nineteenth century. The phrase "Uppermost Canada," denoting the western frontier of Upper Canada (modern Ontario), was applied to the Canadian shore of the Detroit River during the War of 1812 by a British officer, who attributed it to President James Madison. The Western District was one of the partly-judicial, partly-governmental municipal units combining contradictory aristocratic and democratic traditions into which the province was divided until 1850. With its substantial French-Canadian population and its veneer of British officialdom, in close proximity to a newly American outpost, the Western District was potentially the most unstable. Despite all however, Alan Douglas demonstrates that the Western District endured without apparent change longer than any of the others.

 A Dark History of Chocolate looks at our long relationship with this ancient 'food of the Gods'. The book examines the impact of the cocoa bean trade on the economies of Britain and the rest of Europe, as well as its influence on health, cultural and social trends over the centuries. Renowned food historian Emma Kay takes a look behind the façade of chocolate – first as a hot drink and then as a sweet – delving into the murky and mysterious aspects of its phenomenal global growth, from a much-prized hot beverage in pre-Colombian Central America to becoming an integral part of the cultural fabric of modern life. From the seductive corridors of Versailles, serial killers, witchcraft, medicine and war to its manufacturers, the street sellers, criminal gangs, explorers and the arts, chocolate has played a significant role in some of the world's deadliest and gruesome histories. If you thought chocolate was all Easter bunnies, romance and gratuity, then you only know half the story. This most ancient of foods has a heritage rooted in exploitation, temptation and mystery. With the power to be both life-giving and ruinous.
Curiosities Of Literature Wayne State University Press
 This unique book is a text that honors the martial arts and warriors through the Japanese Zen poetry forms of Haiku and Senryu. Unlike most poetry books this one also includes numerous photographs and illustrations along with the 5-7-5 syllable haiku and senryu. In fact, if you are a martial artist you will discover

many of the haiku and senryu are actually mini-lessons condensed into a Zen poetic form. Those involved in the martial and warrior arts will also enjoy the many recommended books and material at the end of this text. If you are interested in the martial and cultural arts you will enjoy reading this book. This is a warrior poetry book combined with photographs and illustrations. The author, Joseph J. Truncale, has studied and been seriously involved in numerous martial arts, warrior combatives systems and Japanese cultural arts for more than 60 years.

 The SideRoad Kids follows a group of boys and girls as they enter the sixth grade in a small town in Michigan's Upper Peninsula during 1957 - 58. This meandering collection of loosely-connected short stories is often humorous, poignant, and sometimes mysterious. Laugh as the kids argue over Halloween treats handed out in Brimley. Recall Dorothy's Hamburgers in Sault Ste. Marie. Follow a Sugar Island snowshoe trail as the kids look for Christmas trees. Wonder what strange blue smoke at Dollar Settlement signifies. Discover the magic hidden in April snowflakes. Although told by the kids, adults will remember their own childhood as they read about Flint, Candy, Squeaky, Katie, and their friends. "Katie, Blew, Squeaky, and Daisy grew up on farms instead of high rises and used their imagination instead of fancy gadgets to make their own fun. An entertaining read for youngsters. And parents, you might enjoy a nostalgic flashback as well. I know I did." --Allia Zobel-Nolan, author of *Cat Confessions*
 "The stories in *The SideRoad Kids* are often humorous. However, underlying them is a sensitive awareness that being a kid, rural or urban, then or now, is not easy. This is an enjoyable read that will enlighten today's kids about the past and rekindle memories for older readers." --Jon Stott, author of *Paul Bunyan in Michigan*
 "Sharon's stories capture the essence of childhood and growing up in a small community. The antics of *The SideRoad Kids* will keep you entertained and take you back to a simpler time." --Renee Glass, Senior Production Artist, *Mackinac Journal*
 "Sharon Kennedy is an amazing writer who draws you into the lives of her characters and keeps everything relatable. She makes you laugh, makes you think, and makes you want to keep reading. *The SideRoad Kids* is an entertaining book about a group of children growing up in Northern Michigan." --Kortny Hahn, Senior Staff Writer, *Cheboygan Daily Tribune* Learn more at www.AuthorSharonKennedy.com From Modern History Press www.ModernHistoryPress.com

This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.
Teatime at Grosvenor Square Modern History Press
 Marian Forrester arrives in the prairie town of Sweet Water as a young bride — beautiful, aristocratic, and spirited. To Captain Daniel Forrester, her pioneer husband, she's a precious jewel, and in the eyes of her new neighbor, young Niel Herbert, she's the perfect lady. But like the burgeoning promise of the American frontier, Marian's charms decline with the passing of time, and the world's admiration curdles into pity and contempt. Pulitzer Prize-winning novelist Willa Cather looked back from the perspective of the modern industrial world to an era when the American frontier offered an abundance of fresh possibilities. The country's inevitable change is reflected in this bittersweet coming-of-age story, whose themes explore the passing of a proud pioneer spirit, the triumph of materialism, and the struggles of women in a patriarchal society. A Lost Lady brilliantly recaptures a specific chapter in American history and its evocation of loss and nostalgia remains recognizable to readers of every time and place.

 "Anne Willan, multi-award-winning culinary historian, cookbook writer, cooking teacher, and founder of La Varenne Cooking School in Paris, explores the lives and work of women cookbook authors whose important books have defined cooking over the past three hundred years. Beginning with the first published cookbook by Hannah Woolley in 1661, up to Alice Waters today, these women, and books, created the canon of the American table. Focusing on the figures behind the recipes, *Women in the Kitchen* traces the development of American home cooking from

the first, early colonial days to transformative cookbooks by Fannie Farmer, Irma Rombauer, Julia Child, Edna Lewis, and Marcella Hazan. Willan offers a short biography of each influential woman, including her background, and a description of the seminal books she authored. These women inspired one another, and in part owe their places in cooking history to those who came before them. Featuring fifty original recipes, as well as updated versions Willan has tested and modernized for the contemporary kitchen, this engaging narrative seamlessly moves through history to help readers understand how female cookbook authors have shaped American cooking today"--Amazon

Simon and Schuster

"A tale of diversity within our damaged landscapes, *The Mushroom at the End of the World* follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction."--Publisher's description.

Coalfaces Princeton University Press

The former owner/proprietor of the beloved appetizing store on Manhattan's Lower East Side tells the delightful, mouthwatering story of an immigrant family's journey from a pushcart in 1907 to "New York's most hallowed shrine to the miracle of caviar, smoked salmon, ethereal herring, and silken chopped liver" (The New York Times Magazine). When Joel Russ started peddling herring from a barrel shortly after his arrival in America from Poland, he could not have imagined that he was giving birth to a gastronomic legend. Here is the story of this "Louvre of lox" (The Sunday Times, London): its humble beginnings, the struggle to keep it going during the Great Depression, the food rationing of World War II, the passing of the torch to the next generation as the flight from the Lower East Side was beginning, the heartbreaking years of neighborhood blight, and the almost

miraculous renaissance of an area from which hundreds of other family-owned stores had fled. Filled with delightful anecdotes about how a ferociously hardworking family turned a passion for selling perfectly smoked and pickled fish into an institution with a devoted national clientele, Mark Russ Federman's reminiscences combine a heartwarming and triumphant immigrant saga with a panoramic history of twentieth-century New York, a meditation on the creation and selling of gourmet food by a family that has mastered this art, and an enchanting behind-the-scenes look at four generations of people who are just a little bit crazy on the subject of fish. The History of Virginia Schocken

Beverly's history begins with Sir Walter Raleigh and the ill-fated Roanoke Colony (which was then in Virginia, but is now modern-day North Carolina). Chapter II outlines the history of the Virginia Company of London and the Jamestown settlement. He paints a portrait of early Virginia, from the fish and hunted game to the type of soil and indigenous plants. He also writes extensively of the Native American tribes in Virginia and their history as it related to the Jamestown settlement.

Encyclopædia Americana

An American Farm Boy In Search Of Meaning "Life was so short that it meant nothing at all unless it were continually reinforced by something that endured; unless the shadows of individual existence came and went against a background that held together." - Willa Cather, *One of Ours* Claude tries to escapes from his family firm grasp who want him pious and working at their family farm in Nebraska. He marries in his attempt to escape only to realize that his wife is not interested at all in him. That's when another opportunity arises: going overseas and fight for the American army in World War One. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions.
