ZAVIER ZION

The Chicken Problem William Morrow
On a rainy day in the park, Peg helps Cat overcome his worry about getting too wet by using their umbrellas to measure the depth of the puddles before jumping into them.

Mad About the House Lulu.com

The book of the UK's No.1 interiors blog, madaboutthehouse.com. Expanding on her award-winning blog, Kate Watson-Smyth shares a wealth of experience in home

design to help you make the most of your space, be it a house, apartment or single room. Packed full of ideas and inspiration for every budget, work through your home room by room with Kate's expert and practical tips and tricks that ensure every corner reaches its maximum potential. As well as her top 10 design hacks, Kate reveals the rules of rug layout, explains how to buy a sofa, and shows you how to get the lighting right in every room. Learn how to decorate your home with style and confidence, select colours that work, make the most of small spaces and create the perfect zones for relaxation, entertaining

and work – sometimes all in the same space. Whatever your style, Mad About The House is a must-have for anyone who is interested in interior design and who wants to make their house a home.

Of Mice and Men Bantam

From acclaimed author Laurie Halse Anderson comes this compelling first novel in the historical middle grade The Seeds of America trilogy that shows the lengths we can go to cast off our chains, both physical and spiritual. As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her

sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom.

Dr. Seuss's Book of Colors Artisan

Peg's Messy Room

Chickens on the Loose Simon and Schuster

In this book, Dewey tries to criticize and expand on the educational philosophies of Rousseau and Plato. Dewey's ideas were seldom adopted in America's public schools, although a number of his prescriptions have been continually advocated by those who have had to teach in them.

Chains Ten Speed Press

When someone leaves the chicken coop open and 100 chickens escape, Peg and Cat use their math skills to solve the problem.

My Father's Dragon (Illustrated) Duke University Press

Peg Kehret was stricken with polio when she was twelve years old. At first paralyzed and terrified, she fought her way to recovery, aided by doctors and therapists, a loving family, supportive roommates fighting their own battles with the disease, and plenty of grit and luck. With the humor and suspense that are her trademarks, acclaimed author Peg Kehret vividly recreates the true story of her year of heartbreak and triumph.

PDA by PDAers Macmillan

Presents simple chemical reaction science experiments and recipes for mixtures of varying viscosity.

Peg + Cat: The Pirate Problem: A Level 2 Reader Harlequin

Peg and Cat have invited some friends over to see Cat's new drawing called Circles. But now Peg and Cat have a really big problem: Peg's room is super messy, and the guests are on their way! Luckily, Peg has an idea: what if they sort things out by sorting? Can separating things by shape, color, or size help them put all the stuff away in time -- even when balls and balloons and CDs and Frisbees coming

spilling out of the closet at the last minute?

Crazy Concoctions Candlewick Entertainment

The first novel-writing guide from the best-selling Save the Cat! story-structure series, which reveals the 15 essential plot points needed to make any novel a success. Novelist Jessica Brody presents a comprehensive story-structure guide for novelists that applies the famed Save the Cat! screenwriting methodology to the world of novel writing. Revealing the 15 "beats" (plot points) that comprise a successful story--from the opening image to the finale--this book lays out the Ten Story Genres (Monster in the House; Whydunit; Dude with a Problem) alongside quirky, original insights (Save the Cat; Shard of Glass) to help novelists craft a plot that will captivate--and a novel that will sell.

Right from the Gecko Guilford Press

The third novel by the phenomenally talented Alice Oseman, the author of the 2021 YA Book Prize winning Loveless, Solitaire and graphic novel series Heartstopper -- soon to be a major Netflix series.

Simplicity Parenting Poppy

Today's busier, faster society is waging an undeclared war on childhood. With too much stuff, too many choices, and too little time, children can become anxious, have trouble with friends and school, or even be diagnosed with behavioral problems. Now internationally renowned family consultant Kim John Payne helps parents reclaim for their children the space and freedom that all kids need for their attention to deepen and their individuality to flourish. Simplicity Parenting offers inspiration, ideas, and a blueprint for change:

- Streamline your home environment. Reduce the amount of toys, books, and clutter—as well as the lights, sounds, and general sensory overload.
- Establish rhythms and rituals. Discover ways to ease daily tensions, create battle-free mealtimes and bedtimes, and tell if your child is overwhelmed.
- Schedule a break in the schedule. Establish intervals of calm and connection in your child's daily torrent of constant doing.
- Scale back on media and parental involvement. Manage your children's "screen time" to limit the endless deluge of information and

stimulation. A manifesto for protecting the grace of childhood, Simplicity Parenting is an eloquent guide to bringing new rhythms to bear on the lifelong art of raising children.

[The Guest List](#) Candlewick Press
Enthusiastic, experienced, and well-connected author. Quirky, humorous, adorable picture book with regional and national education and gift market appeal. Easy to pair with merch, toys, and learning units. Excellent rhyming read-aloud for storytimes, reminiscent of Click Clack Moo and Sheep in a Jeep. Also portrays counting and basic concepts in animal husbandry. Includes information on how to care for urban chickens and fun facts. Nearly 1 percent of all U.S. households surveyed by the U.S. Department of Agriculture reported owning backyard fowl in 2013, and 4 percent more planned to start in the next five years. That's over 13 million Americans flocking to the backyard poultry scene. A 2015 review of 150 of the most-populated U.S. cities found that nearly all (93 percent) allowed backyard poultry flocks. For instance, in New York City, localvores can keep an unlimited number of hens so long as the area is kept

clean. (No roosters allowed.) Book guide will be available. Synopsis: A rhyming picture book about urban chickens running rampant all over town. Lexile AD430L. [The Penguin Problem](#) Candlewick Press

may have to.

The Percy Jackson and the Olympians, Book Three: Titan's Curse Poppy

Peg and Cat, stars of their own animated TV series, zoom into a picture book and put math skills to the test in a racing adventure.

The Spirit Catches You and You Fall Down Penguin

An easy-to-read book about color, inspired by Dr. Seuss and illustrated with artwork from his books! This simple rhymed riff about color is illustrated with art from some of the most beloved—and colorful—works by Dr. Seuss, including *The Cat in the Hat*, *Green Eggs and Ham*, and *One Fish Two Fish Red Fish Blue Fish*. Great for the earliest reader, it is a perfect companion to Dr. Seuss concept books like *Mr. Brown Can Moo! Can You?*, *The Shape of Me and Other Stuff*, and *Dr. Seuss's ABC*. Nurture a love of reading—and of the many colorful characters created by Dr. Seuss—with this great new concept book for beginning readers!

I Was Born for This St. Martin's Press

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until

one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Rewire Your Brain Ballantine Books
Peg and Cat decide to open a pizzeria using Peg's knowledge about fractions to best serve the customers.

Save the Cat! Writes a Novel e-artnow
"I loved this book. It gave me the same waves of happiness I get from curling up with a classic Christie...The alternating points of view keep you guessing, and guessing wrong." -- Alex Michaelides, #1 New York Times bestselling author of *The Silent Patient* "Evok[es] the great Agatha Christie classics...Pay close attention to seemingly throwaway details about the characters' pasts. They are all clues." -- New York Times Book Review
A wedding celebration turns dark and deadly in this deliciously wicked and atmospheric thriller reminiscent of Agatha Christie from the New York Times bestselling author of *The Hunting Party*. The bride - The plus one - The best man - The wedding planner - The bridesmaid - The body
On an island off the coast of Ireland, guests gather to celebrate two people joining their lives together as one. The groom: handsome

and charming, a rising television star. The bride: smart and ambitious, a magazine publisher. It's a wedding for a magazine, or for a celebrity: the designer dress, the remote location, the luxe party favors, the boutique whiskey. The cell phone service may be spotty and the waves may be rough, but every detail has been expertly planned and will be expertly executed. But perfection is for plans, and people are all too human. As the champagne is popped and the festivities begin, resentments and petty jealousies begin to mingle with the reminiscences and well wishes. The groomsmen begin the drinking game from their school days. The bridesmaid not-so-accidentally ruins her dress. The bride's oldest (male) friend gives an uncomfortably caring toast. And then someone turns up dead. Who didn't wish the happy couple well? And perhaps more important, why?

Spoiled Peg's Messy Room
Peg and Cat have invited some friends over to see Cat's new drawing called *Circles*. But now Peg and Cat have a really big problem: Peg's room is super messy, and the guests are on their way! Luckily, Peg has an idea: what if they sort things out by sorting?

Can separating things by shape, color, or size help them put all the stuff away in time -- even when balls and balloons and CDs and Frisbees coming spilling out of

the closet at the last minute? Peg + Cat: the Eid Al-Adha Adventure
A study in the collision between Western medicine and the beliefs of a traditional

culture focuses on a hospitalized child of Laotian immigrants whose belief that illness is a spiritual matter comes into conflict with doctors' methods.
